Preventative Maintenance (PM)
Preventative maintenance is offered for HVAC equipment, Building Automation equipment and Access/Security equipment as follows:

1. Written quote for service. Wadsworth & Associates, Inc. will provide a written quote for the PM after a site visit has been completed. The covered equipment is listed along with the labor and parts needed to compete the PM work. No additional travel charges apply to PM Agreements.

2. Service Calls. The labor rate for this service is the Service Rate Schedule shown above. A written quote will be provided for parts and materials necessary to complete the repair.

3. Full Service Agreements. Wadsworth & Associates, Inc. offers full service agreements on most HVAC, Building Automation Controls and Access/Security equipment. These agreements cover the cost of parts, materials, labor for preventative maintenance and most repairs to the covered equipment. Wadsworth & Associates, Inc. will provide written quote including a listing of all covered equipment. All equipment must be inspected for proper operation and any repairs must be completed before any equipment may be placed under a Full Service Agreement.
