STATE TERM CONTRACT

THIS CONTRACT (the "Contract") is between the State of Ohio ("State"), through its Department of Administrative Services, General Services Division, at 4200 Surface Road, Columbus, Ohio, 43228 and Arrow Enterprise Computing Solutions, Inc. ("Contractor"), with offices at 7459 S Lima St., Englewood, CO, 80112.

BACKGROUND

The State recognizes that it is sometimes advantageous to do business with some manufacturers under a State term contract rather than through a competitive bidding or proposal process. In such cases, the State may enter into a contract with the manufacturer provided that the manufacturer offers its products and ancillary services at the same prices that the manufacturer offers those products and services to the US Government under the GSA's Multiple Award Schedule program or SmartBuy program. Or if the manufacturer has no contract under the GSA's Multiple Award Schedule program or SmartBuy program, the State will accept the pricing the manufacturer offers to its distributors. Further, if the manufacturer has no GSA Multiple Award Schedule or SmartBuy contract and no distributors, the State may accept the prices that the manufacturer offers to its most favored customers for each product or service.

The State also recognizes that some manufacturers work primarily through dealers for various reasons, including offering customers better support through dealers that have a local presence in a service area. Because of this, the State may sometimes agree to work directly with a manufacturer's dealers.

However, if the Contractor is not the manufacturer of the products or services under this Contract, the Contractor must submit a letter from the manufacturer that assures the State that the Contractor is an authorized dealer in the manufacturer's products or services. The letter also must assure the State that the Contractor will have sufficient quantities of the offered products for the duration of the Contract to meet the State's needs under the Contract during the initial term and any extensions. Further, the letter must identify each of the manufacturer's product and service that the Contractor will supply under this Contract. The letter also must contain an assurance of the availability through the dealer of repair services and spare parts for products covered by this Contract for five years from the date of purchase. It also must contain an assurance that software maintenance will be available under the terms of this Contract either from the dealer or the manufacturer for six years from the date of acceptance. (This assurance is not necessary for PC and PC-based server software with a perpetual license fee of less than $10,000.00 per copy.) The dealer must submit the letter, signed by an authorized representative of the manufacturer, with the executed copies of this Contract.

This Contract establishes terms and conditions under which State agencies (including any board, instrumentality, commission, or other political body) and Ohio political subdivisions, such as counties, municipalities, and townships, may acquire the Contractor's products or services at the pricing identified below. This Contract, however, only permits such; it is not a requirements contract and does not obligate any State agency or political subdivision to acquire the Contractor's products or services.

TERMS AND CONDITIONS

1 - TERM

1.1 **TERM.** This Contract is effective on the date the State's duly authorized representative executes it, as evidenced by the date appearing with the representative's signature, below. Unless this Contract is terminated or expires without renewal, it will remain in effect until June 30, 2013. Termination or expiration of this Contract will not limit the Contractor's continuing obligations with respect to Deliverables that the State paid for before termination or limit the State's rights in such.

2 - PRICING AND PAYMENT

2.1 **CERTIFICATION OF ACCURACY.** By checking one of the following three items, the Contractor certifies that the Contractor's prices under this Contract are:

w X The prices at which the Contractor currently offers each product and service to the US Government under the GSA's Multiple Award Schedule program;

X The prices at which the Contractor currently offers each product and service to the US Government under the GSA's SmartBuy program; or

X The best prices at which the Contractor has offered each product and service to its most favored customers within one year before the date the Contractor executed this Contract or adds the product or service to this Contract, whichever is later.

If the Contractor is offering prices based on its most favored customer prices, the Contractor represents that it does not have a GSA Multiple Award Schedule or SmartBuy contract.

If the Contractor has submitted a manufacturer's letter to certify that the Contractor is an authorized dealer for the manufacturer, the Contractor represents that the information in the letter is accurate and that a duly authorized representative of the manufacturer signed the letter.

The Contractor further certifies that the above representations will apply and be true with respect to all future pricing information submitted to revise this Contract.

2.2 **PRICE ADJUSTMENTS.** If the Contractor has relied on its GSA Multiple Award Schedule pricing or its GSA SmartBuy pricing, the State will be entitled to any price decreases that the Contractor offers to the GSA for any of its products and services during the term of this Contract. The Contractor must notify the State of any reduction in its GSA Multiple Award Schedule or SmartBuy pricing within 30 days of its occurrence and immediately reduce the price of the affected products or services to the State under this Contract.

If the Contractor has relied on its best customer pricing, the State will be entitled to a price decrease any time the Contractor or any of its dealers or distributors under this Contract sells a product or a service to any of its customers for less than the price agreed to between the State and the Contractor under this Contract. Any time the Contractor or any of its dealers or distributors under Section 3.1 of this Contract sells a product or provides a service to any customer for less than it is then available to the State under this Contract, the Contractor must notify the State of that event within 30 days of its occurrence and immediately reduce the price of the affected products or services to the State under this Contract.

The Contractor also must notify the State within 30 days of any general reduction in the price of any product or service covered by this Contract, even if the general reduction does not place the price of the product or service below the price available to the State under this Contract. The purpose of this notice of a general reduction in price is to allow the State to assess the value the State believes it is receiving under this Contract in light of the general reduction. If the State believes it is appropriate, the State may ask to renegotiate the Contract price for the products and services affected by the general reduction in price. If the Contractor and the State cannot agree on a renegotiated price, then on written notice to the Contractor, the State may immediately remove the affected products and services from this Contract.

2.3 **PRICELIST.** The Contractor's pricelist for the products and services that the Contractor may provide to the State under this Contract is attached as Exhibit I. For convenience, those products and services are called "Deliverables" in this Contract. Any custom materials resulting from the Contractor's services also are called "Deliverables" in this Contract. The Contractor may not provide any other Deliverables under this Contract without a prior written amendment to this Contract that both the State and the Contractor have signed. Furthermore, the Contractor may not charge the State greater prices for these Deliverables than the prices on the Exhibit I. If Exhibit I contains or incorporates by reference any terms or conditions other than a description of the scope of license for software, a description of the Contractor's products and services, and the prices for those products and services, those terms or conditions are excluded from this Contract and are of no effect. Exhibit I is identified as the following pricelist:

NetApp Ohio STS Pricelist 0711

The Contractor will not sell to the State any notebook computers with less than a 1.60 GHz internal clock speed. Additionally, the Contractor will not sell to the State any PCs or servers using CPUs with less than a 3.0 GHz internal clock speed. Additionally, the Contractor will not sell to the State any term software licenses. And except in the case of operating systems licensed in conjunction with desktop PCs, notebook computers, PDAs, and similar personal computing devices that the OEM does not distribute without an operating system, the Contractor will not sell or license any Microsoft software to the State. If any of the foregoing items are listed in the Contractor's pricelist, they are deleted for purposes of this Contract.

2.4 **Payment Due Date.** Payments will be due on the 30th day after the later of:

(a) The date the State actually receives a proper invoice at the office designated in the applicable purchase order to receive it; or

(b) The date the State accepts the Deliverable.

The date the State issues a warrant (the State's equivalent to a check) in payment of an invoice will be considered the date payment is made. Without diminishing the Contractor's right to timely payment, the payment will be overdue only if it is not received by the 30th day after the payment's due date. If the State has not issued payment by then, interest will begin to accrue under Ohio Revised Code (the "Code") § 126.30.

2.5 **Invoice Requirements.** The Contractor must submit an original invoice with three copies to the office designated in the purchase order as the "bill to" address. To be a proper invoice, the invoice must include the following information:

(a) Name and address of the Contractor as designated in this Contract;
(b) The Contractor's federal tax identification number as designated in this Contract;
(c) The Contractor's invoice remittance address as designated in this Contract;
(d) The purchase order number authorizing the delivery of the Deliverables;
(e) A description of the Deliverables, including, as applicable, the time period, serial number, unit price, quantity, and total price of the Deliverables; and

If an authorized dealer has fulfilled the purchase order, then the dealer's information should be supplied in lieu of the Contractor's information. If an invoice does not meet this section's requirements, or if the Contractor fails to give proper notice of a price increase (see the next section), the State will send the Contractor written notice. The State will send the notice, along with the improper invoice, to the Contractor's address designated for receipt of purchase orders within 15 days. The notice will contain a description of the defect or impropriety and any additional information the Contractor needs to correct the invoice. If such notification has been sent, the payment due date will be 30 days after the State receives a proper invoice and has accepted the Contractor's Deliverable.

2.6 **OHIO PAYMENT CARD.** Participating State agencies issuing orders under this Contract may use the Ohio Payment Card. Such purchases may not exceed $2,500 unless the Office of Budget and Management ("OBM") has authorized the agency to exceed this limit. If OBM increases the dollar limit for payment cards for all State agencies, the State will post notice of that on its Procurement Website. Participating State agencies are required to use the Ohio Payment Card in accordance with OBM's current guidelines for the Ohio Payment Card and the agency's approved plan filed with the OBM. The Contractor may process a payment in the payment card network only upon delivery and acceptance of the applicable Deliverables. For partial deliveries or performance, the Contractor may process a payment for the amount delivered or completed only and not for the entire amount ordered by the ordering agency. Upon completion of the delivery of remaining Deliverables, the Contractor may process a payment request in the payment card network for the remainder of the order. The Contractor should receive payment through its merchant bank within the time agreed upon between the Contractor and its merchant bank. The Contractor should expect normal processing fees from its merchant bank for payment card transactions, which the Contractor may not pass on to the State.

2.7 **NON-APPROPRIATION OF FUNDS.** The State's funds are contingent on the availability of lawful appropriations by the Ohio General Assembly. If the Ohio General Assembly fails to continue funding for any payments due hereunder, the order or orders under this Contract that are affected by the lack of funding will terminate as of the date that the funding expires, and the State will have no further obligation to make any payments with respect to the affected order or orders.

2.8 **OBM CERTIFICATION.** This Contract is subject to Code § 126.07. Any orders under this Contract are void until the Director of the OBM certifies that there is a balance in the appropriation available to pay for the order.

2.9 **CONTROLLING BOARD AUTHORIZATION.** The State's obligations under this Contract are subject to the Ohio Controlling Board continuing to authorize the State's use of its term contracts program. If the Ohio Controlling Board fails to authorize or withdraws its authorization for this program, this Contract will terminate immediately, and the Contractor may not take any more orders under it.

2.10 **TRAVEL EXPENSES.** Any travel that the Contractor requires to perform its obligations under this Contract will be at the Contractor's expense. The State will pay for any additional travel that it requests only with prior written approval. The State will pay for all additional travel expenses that it requests in accordance with OBM's travel policy in Rule126-1-02 of the Ohio Administrative Code (the "Administrative Code").

2.11 **TAXES.** The State is exempt from all sales, use, excise, and property taxes and will not pay any such taxes. To the extent sales, use, excise, or any similar taxes are imposed on the Contractor in connection with any Deliverable, the Contractor must pay those taxes together with any interest and penalties not successfully disputed with the taxing authority.

2.12 **OFFSET.** The State may set off any amounts the Contractor owes to the State under this or other contracts against any payments due from the State to the Contractor under this or any other contracts with the State.

3 - CONTRACT ADMINISTRATION

3.1 **DEALERS AND DISTRIBUTORS.** The State authorizes the Contractor to name one or more dealers to work with the State on behalf of the Contractor. But if the Contractor decides to use any dealers, the Contractor must submit the name, principal business address, addresses for purchase orders and for payments, telephone number, and its federal tax identification number. The Contractor also must submit a completed W9 form for each dealer it wishes to name under this section. The Contractor's submission must be on its official letterhead, signed by an authorized representative, and addressed to the Deputy State Chief Information Officer, Office of Information Technology.

In doing so, the Contractor warrants that:

(a) The Contractor has provided the dealer with a copy of this Contract, and a duly authorized representative of the dealer has agreed, in writing, to be bound by the terms and conditions in this Contract.
(b) Such agreement specifically provides that it is for the benefit of the State as well as the Contractor.
(c) The Contractor will remain liable under this Contract for the services of any dealer and will remedy any breach of the dealer under this Contract.
(d) Payments under this Contract for the services of any dealer may be made directly to that dealer, and the Contractor will look solely to the dealer for any payments due to the Contractor once the State has paid the dealer.
(e) To the extent that there is any liability to the State arising from doing business with a dealer that has not signed the agreement required under this section with the Contractor, the Contractor will indemnify the State for such liability.

If the Contractor wants to designate a dealer that will not receive payments (a "distributor"), the Contractor may do so by identifying the person or organization as a distributor in the authorizing letter. In such cases, information regarding taxpayer identification and payment addressing may be omitted, as may the distributor's W9 form. All other requirements and obligations for designating a dealer apply to designating a distributor.

The State strongly encourages the participation of small and disadvantaged businesses in its contracting programs and has created a certification program to Encourage Diversity Growth and Equity (EDGE) in State contracting. State agencies are instructed to include in their procurements such participation, including through the use of State Term Schedule contracts that are either held by EDGE businesses or that offer the opportunity to work with EDGE dealers or distributors.

3.2 **AUDITS.** During the term of this Contract and for three years after termination, on reasonable notice and during customary business hours, the State may audit the Contractor's records and other materials that relate to the Deliverables and to the pricing representations that the Contractor has made to acquire this Contract. This audit right also will apply to the State's duly authorized representatives and any organization providing funding for any Deliverable.

Unless it is impracticable to do so, all records related to this Contract must be kept in a single location, either at the Contractor's principle place of business or the facilities where the Contractor substantially performed under this Contract. If this is not practical, the Contractor must assume the cost of collecting, organizing, and relocating the records, along with any technology needed for accessing the records, to its office nearest Columbus, Ohio whenever the State or any entity with audit rights requests access to the records. The Contractor must do so within 15 days of receiving the State's written notice of its intent to audit the Contractor's records and must notify the State as soon as the records are ready for audit.

If any audit reveals any material misrepresentation or overcharge to the State, the State will be entitled to recover its damages, including the cost of the audit.

3.3 **INSURANCE.** The Contractor must provide the following insurance coverage at its own expense throughout the term of this Contract:

a. Workers' compensation insurance, as required by Ohio law, and if some work will be done outside Ohio, the laws of the appropriate states where work will be done. The Contractor also must maintain employer's liability insurance with at least a $1,000,000.00 limit.

b. Commercial General Liability insurance coverage for bodily injury, personal injury, wrongful death, and property damage. The defense cost must be outside of the policy limits. Such policy must designate the State of Ohio as an additional insured, as its interest may appear. The policy also must be endorsed to include a blanket waiver of subrogation. At a minimum, the limits of the insurance must be:

$ 2,000,000 General Aggregate
$ 2,000,000 Products/Completed Operations Aggregate
$ 1,000,000 Per Occurrence Limit
$ 1,000,000 Personal and Advertising Injury Limit
$ 100,000 Fire Legal Liability
$ 10,000 Medical Payments

The policy must be endorsed to provide the State with 30-days prior written notice of cancellation or material change to the policy. And the Contractor's Commercial General Liability must be primary over any other insurance coverage.

a. Commercial Automobile Liability insurance with a combined single limit of $500,000.

b. Professional Liability insurance covering all staff with a minimum limit of $1,000,000 per incident and $3,000,000 aggregate. If the Contractor's policy is written on a "claims made" basis, the Contractor must provide the State with proof of continuous coverage at the time the policy is renewed. If for any reason the policy expires, or coverage is terminated, the Contractor must purchase and maintain "tail" coverage through the applicable statute of limitations.

All certificates must be in a form that is reasonably satisfactory to the State as to the contents of the policies and the quality of the insurance carriers. All carriers must have at least an "A-" rating by A.M. Best.

3.4 **Contract Compliance.** Any State agency that uses this Contract will be responsible for the administration of this Contract with respect to the orders that it places and may monitor the Contractor's performance and compliance with this Contract. If an agency becomes aware of any noncompliance with the terms of this Contract or the specifications of an order, the agency may document the noncompliance and give the Contractor written notice of the noncompliance for immediate correction. If the Contractor fails to cure the noncompliance, the agency may notify the State through the Department of Administrative Services, Office of State Purchasing, by executing a Complaint to Vendor form to help resolve the issue. Should the State determine that the form identifies an uncured breach of this Contract, the State may terminate this Contract and seek such other remedies as may be available to it.

3.5 **Political Subdivisions.** Ohio political subdivisions, such as Ohio cities, counties, and townships ("Political Subdivisions"), may rely on this Contract. Whenever a Political Subdivision relies on this Contract to issue a purchase order, the Political Subdivision will step into the shoes of the State under this Contract for purposes of its order, and, as to the Political Subdivision's order, this Contract will be between the Contractor and the Political Subdivision. The Contractor must look solely to the Political Subdivision for performance, including but not limited to payment, and must hold the State harmless with regard to such orders and the Political Subdivision's performance. But the State will have the right to terminate this Contract and seek such remedies on termination as this Contract provides should the Contractor fail to honor its obligations under an order from a Political Subdivision. Nothing in this Contract requires the Contractor to accept an order from a Political Subdivision, if the Contractor reasonably believes that the Political Subdivision is or will be unable to perform its obligations in relation to that order.

3.6 **Recalls.** If a Deliverable is recalled, seized, or embargoed, or if the Contractor, a manufacturer, packer, processor, or regulatory body finds that a Deliverable has been misbranded, adulterated, or is unsafe, the Contractor must notify the State, through the Department of Administrative Services, Office of State Purchasing, as well as all agencies that have ordered the Deliverable, within ten business days after the Contractor learns of any of the above events. At the option of the State, the Contractor must either reimburse the State for the purchase price of each affected Deliverable or provide an equal or better replacement for each Deliverable at no additional cost to the State. The Contractor also must remove and replace all affected Deliverables within a reasonable time, as determined by the State. Further, at the option of the State, the Contractor may be required to reimburse the State for storage costs and handling fees, which the State may calculate from the time of delivery of each affected Deliverable to the Deliverable's actual removal. Furthermore, the Contractor must bear all costs associated with the removal and proper disposal of the affected Deliverables. The State will treat any failure to refund the purchase price or provide a suitable replacement within a reasonable time, not to exceed 30 days, as a default.

3.7 **Termination.** The State may terminate this Contract or any order under this Contract if the Contractor defaults in meeting its obligations and fails to timely cure its default. The State also may terminate this Contract or any order under it if a petition in bankruptcy is filed by or against the Contractor and not dismissed within 60 days. And the State may terminate this Contract or any order under it if the Contractor violates any law or regulation while performing under this Contract or if it appears to the State that the Contractor's performance is substantially endangered through no fault of the State. In all of the foregoing cases, the termination will be for cause.

On written notice, the Contractor will have 30 days to cure any breach of its obligations under this Contract, provided the breach is curable. If the Contractor fails to cure the breach within 30 days after written notice or if the breach is not one that is curable, the State will have the right to terminate this Contract, the applicable orders, or both immediately upon written notice to the Contractor. Some provisions of this Contract may provide for a shorter cure period than 30 days or for no cure period at all. Those provisions will prevail over this one. If a particular section does not state what the cure period will be, this provision will govern.

The State also may terminate this Contract in the case of breaches that are cured within 30 days but are persistent. "Persistent" in this context means that the State has notified the Contractor in writing of the Contractor's failure to meet any of its obligations two times. After the second such notice, the State may terminate this Contract without a cure period if the Contractor again fails to meet any obligation. The three defaults do not have to relate to the same obligation or type of failure.

The State also may terminate this Contract or any order under this Contract for its convenience and without cause. And the State may terminate this Contract or any order under it if the Ohio General Assembly fails to appropriate funds for any order under this Contract. Further, if a third party is providing funding for an order, the State also may terminate this Contract or any order under it should that third party fail to release any funds related to this Contract or an order under it.

Any notice of termination will be effective as soon as the Contractor receives it. On receipt of the notice of termination, the Contractor will immediately cease all work on any Deliverables affected by the termination and take all steps necessary to minimize any costs the Contractor will incur related to the affected orders. The Contractor also must immediately prepare a report and deliver it to the State. The report must detail all open orders at the time of termination.

If the State terminates this Contract or any order for cause, it will be entitled to cover for the affected orders by using another vendor or vendors on such commercially reasonable terms and conditions as it and the covering vendors may agree. The Contractor will be liable to the State for all costs related to covering for the affected orders to the extent that such costs exceed the costs that the State would have incurred under this Contract for those orders. The Contractor also will be liable for any other direct damages resulting from its breach of this Contract or other event leading to termination for cause.

If the termination is for the convenience of the State, the Contractor will be entitled to compensation for any Deliverable that the Contractor has delivered before the termination. Such compensation will be the Contractor's exclusive remedy in the case of termination for convenience and will be available to the Contractor only once the Contractor has submitted a proper invoice for such, with the invoice reflecting the amount the State determines that it owes the Contractor.

3.8 **EXCUSABLE DELAY.** Neither party will be liable for any delay in its performance under this Contract that arises from causes beyond its reasonable control and without its negligence or fault. The delayed party must notify the other promptly of any material delay in performance and must specify in writing the proposed revised performance date as soon as practicable after notice of delay. For any such excusable delay, the date of performance or delivery will be extended for a period equal to the time lost by reason of the excusable delay. The delayed party also must describe the cause of the delay and what steps it then is taking or will take to remove the cause. The delayed party may not rely on a claim of excusable delay to avoid liability for a delay if the party has not taken commercially reasonable steps to mitigate or avoid the delay.

3.9 **INDEPENDENT STATUS.** The parties will be acting as independent entities. The partners, employees, officers, directors, and agents of one party may only act in the capacity of representatives of that party and not as employees, officers, directors, or agents of the other party and will not be deemed as such for any purpose. Each party assumes full responsibility for the actions of its partners, employees, officers, directors, and agents while performing under this Contract and will be solely responsible for paying those people. Additionally, each party will be solely responsible for withholding and paying social security and income taxes, making workers' compensation contributions, paying disability benefits, and providing fringe benefits, if any, for its partners, employees, officers, directors, and agents, and neither party may legally bind the other party in any manner.

3.10 **LOCATION OF SERVICES AND DATA.** As part of this Contract, the Contractor must disclose the following:

(a) All locations where any services will be performed;
(b) All locations where any State data applicable to the Contract will be maintained or made available; and
(c) The principal place of business for the Contractor and all its subcontractors.

The Contractor may not change any location where any services are performed to a location outside the country of the original location or change any location where the data is maintained or made available to any other location outside the country of the original location without prior written approval of the State, which the State will not be obligated to provide.

4 - Delivery and Acceptance

4.1 **Acceptance.** The acceptance procedure for Deliverables will be an informal review by the agency acquiring the Deliverables to ensure that each Deliverable meets the warranties in this Contract. The State will have up to 30 days after installation to do this. The State will not issue a formal letter of acceptance, and passage of 30 days will imply acceptance, though the State will issue a notice of noncompliance if a Deliverables does not meet the warranties in this Contract.

If the State issues a noncompliance letter, the Contractor will have 30 days to correct the problems listed in the letter. If the Contractor fails to do so, the Contractor will be in default without a cure period. If the State has issued a noncompliance letter, the Deliverable will not be accepted until the State issues a letter of acceptance indicating that each problem noted in the noncompliance letter has been cured. If the problems have been fixed during the 30-day period, the State will issue the acceptance letter within 15 days after all defects have been fixed.

4.2 **Title.** Title to any Deliverable will pass to the State only on acceptance of the Deliverable, and all risk of loss will remain with the Contractor until title to the Deliverable passes to the State.

4.3 **Deliveries.** The Contractor must make all deliveries F.O.B. destination.

5 - Intellectual Property

5.1 **Commercial Material.** As used in this section, "Commercial Material" means anything that the Contractor or a third party has developed at private expense and that is commercially available in the marketplace, subject to intellectual property rights, and readily susceptible to copying through duplication on magnetic media, paper, or other media. Examples include the written reports, books, pictures, videos, movies, computer programs, source code, and documentation.

Any Commercial Material that the Contractor intends to deliver as a Deliverable must have the scope of the license granted in such material disclosed in an Exhibit to this Contract, if that scope of license is different than the scope of license contained in this section for Commercial Materials.

Except for Commercial Material that is software ("Commercial Software"), if the Commercial Material is copyrighted and published material, then the State will have the rights permitted under the federal copyright laws for each copy of the Commercial Material delivered to it by the Contractor.

Except for Commercial Software, if the Commercial Material is patented, then the State will have the rights permitted under the federal patent laws for each copy of the Commercial Material delivered to it by the Contractor.

For Commercial Software, the State will have the following, perpetual rights, subject to the next paragraph. The State may:

(1) Use and copy the Commercial Software for use in or with the computer or computers for which it was acquired, including use at any State installation to which such computer or computers may be transferred;
(2) Use or copy the Commercial Software for use with a backup computer for disaster recovery and disaster recovery testing purposes or if any computer for which it was acquired is inoperative;
(3) Reproduce the Commercial Software for archival, image management, and backup purposes;
(4) Modify, adapt, and combine the Commercial Software with other computer software, provided that the modified, combined, and adapted portions of the derivative software incorporating any of the Commercial Software will be subject to same restrictions on use;
(5) Disclose to and reproduce the Commercial Software for use on behalf of the State by support service contractors or their subcontractors, subject to the same restrictions on use; and
(6) Use or copy the Commercial Software for use with a replacement computer.

In the case of any other scope of license (e.g., MIPs, tier, concurrent users, enterprise, site, or otherwise), the foregoing will apply except as expressly modified by the applicable license description, which must be incorporated as part of Exhibit I. If the Contractor provides greater license rights in an item included in Exhibit I to its general customer base for the Software's list price, those additional license rights also will be provided to the State without additional cost or obligation. No license description may reduce the rights in items 1 through 6 above; it may only define the extent of use, if the use is other than a CPU license.

The State will treat any Commercial Software as Confidential Information, in accordance with the requirements of the Confidential Information section of this Contract, if the Commercial Software is clearly and conspicuously labeled as confidential or secret.

5.2 **CUSTOM DELIVERABLES.** All custom work done by the Contractor and covered by this Contract will belong to the State, with all rights, title, and interest in all intellectual property that comes into existence through the Contractor's work under this Contract being assigned to the State. Additionally, the Contractor waives any shop rights, author rights, and similar retained interests in any such custom developed materials. The Contractor must provide the State with all assistance reasonably needed to vest such rights of ownership in the State. However, the Contractor will retain ownership of all tools, methods, techniques, standards, and other development procedures, as well as generic and preexisting shells, subroutines, and similar material incorporated in any custom Deliverable ("Pre-existing Materials").

The Contractor grants the State a worldwide, non-exclusive, royalty-free, perpetual license to use, modify, sell, and otherwise distribute all Pre-existing Materials that are incorporated in any custom-developed Deliverable. The Contractor may not include in any custom Deliverable any intellectual property unless such has been created under this Contract or qualifies as Pre-existing Material. If the Contractor wants to incorporate any Pre-existing materials in a custom Deliverable, the Contractor must disclose that desire to the State and obtain written approval from the State for doing so in advance. On the request of the Contractor, the State will incorporate any proprietary notice that Contractor may reasonably want for any Pre-existing Materials included in a custom Deliverable in all copies the State makes of that Deliverable.

Subject to the limitations and obligations of the State with respect to Pre-existing Materials, the State may make all custom Deliverables available to the general public without any proprietary notices of any kind.

5.3 **CONFIDENTIALITY.** The State may disclose to the Contractor written material or oral or other information that the State treats as confidential ("Confidential Information"). Title to the Confidential Information and all related materials and documentation the State delivers to the Contractor will remain with the State. The Contractor must treat such Confidential Information as secret if it is so marked, otherwise identified as such, or when, by its very nature, it deals with matters that, if generally known, would be damaging to the best interests of the public, other contractors or potential contractors with the State, or individuals or organizations about whom the State keeps information. The Contractor may not disclose any Confidential Information to third parties and must use it solely to perform under this Contract.

If any Deliverables contain data, documentation, or other written information that is confidential in nature and properly labeled as such, then it also will be Confidential Information for purposes of this section. The State will keep all such Confidential Information in confidence and will not use it other than as authorized under this Contract. Nor will the State disclose any such Confidential Information to any third party without first obligating the third party to maintain the secrecy of the Confidential Information.

If one party discloses Confidential Information ("Disclosing Party") to the other party to this Contract ("Receiving Party"), the Receiving Party's obligation to maintain the confidentiality of the Confidential Information will not apply where such:

(1) Was already in the possession of the Receiving Party without an obligation of confidence;
(2) Is independently developed by the Receiving Party, provided documentary evidence exists to support the independent development;
(3) Except as provided in the next paragraph, is or becomes publicly available without a breach of this Contract;
(4) Is rightfully received by the Receiving Party from a third party without an obligation of confidence;
(5) Is disclosed by the Receiving Party with the written consent of the Disclosing Party; or
(6) Is released under a valid order of a court or governmental agency, provided that the Receiving Party:

    (a) Notifies the Disclosing Party of the order immediately upon receipt of it; and
    (b) Makes a reasonable effort to obtain a protective order from the issuing court or agency limiting the disclosure and use of the Confidential Information solely for the purposes intended to be served by the original order of production.

Information that may be available publicly through other sources about people that is personal in nature, such as medical records, addresses, phone numbers, social security numbers, and similar things are nevertheless sensitive in nature and may not be disclosed or used in any manner except as expressly authorized in this Contract. Therefore, item (3) in the preceding paragraph does not apply, and the Contractor must treat such information as Confidential Information whether it is available elsewhere or not.

Except for Confidential Information that the Contractor delivers to the State and that is part of a Deliverable or necessary for the proper use or maintenance of a Deliverable, the Receiving Party must return all originals of any Confidential Information and destroy any copies it has made on termination or expiration of this Contract.

The disclosure of the Confidential Information of the Disclosing Party in a manner inconsistent with the terms of this provision may cause the Disclosing Party irreparable damage for which remedies other than injunctive relief may be inadequate, and each Receiving Party agrees that in the event of a breach of the Receiving Party's obligations hereunder, the Disclosing Party will be entitled to temporary and permanent injunctive relief to enforce the provisions of this Contract without the necessity of proving actual damages. However, provision does not diminish or alter any right to claim and recover damages.

5.4 **Use of Name.** The Contractor may not publicize that it is doing business with the State or use this Contract or the Contractor's relationship with the State as a marketing or sales tool, unless the State agrees otherwise in writing. The State has no obligation to agree to any such advertising, publicity, sales, or marketing activities.

6 – Transaction Reporting

6.1 **Contractor's Sales Report.** The Contractor must report the quarterly dollar value (in US currency rounded to the nearest whole dollar) of the sales under this Contract each calendar quarter (i.e., January-March, April-June, July-September and October-December). The dollar value of the sales reported must equal the price paid by all State agencies and Political Subdivisions for Deliverables under this Contract during the reporting period.

The Contractor must report the quarterly dollar value of sales to the State via the Internet using the Web form at the Department of Administrative Services, OIT vendor portal, https://cm.ohio.gov. If no sales occur, the Contractor must show zero sales on the report. The report must be submitted 30 days after the completion of the reporting period.

The Contractor also must submit a closeout report within 120 days after the expiration of this Contract. The Contract expires on the physical completion of the last, outstanding task or delivery order of the Contract. The closeout report must cover all sales not shown in the final quarterly report and reconcile all errors and credits. If the Contractor reported all Contract sales and reconciled all errors and credits on the final quarterly report, then the Contractor should show zero sales in the closeout report.

If the Contractor fails to submit any sales report in a timely manner or falsifies any sales report, the State may terminate this Contract for cause.

6.2 **Contractor's Revenue Share.** The Contractor must pay the State a share of the sales transacted under this Contract. The Contractor must remit the revenue share in US dollars within 30 days after the end of the quarterly reporting period. The revenue share that the Contractor must pay equals .0075 of the total quarterly sales reported. The revenue share is included in the prices reflected on Exhibit I and reflected in the total amount charged to ordering activities, and the Contractor may not add a surcharge to orders under this Contract to cover the cost of the revenue share.

The Contractor must remit any amount due as the result of a quarterly or closeout report at the time the quarterly or closeout report is submitted to the Department of Administrative Services, Office of State Purchasing. The Contractor also must pay the revenue share by check. To ensure the payment is credited properly, the Contractor must identify the check as a "Revenue Share" and include the applicable State Term Contract Number, total report amount, and reporting period covered.

The Contractor must make each check payable to "Treasurer, State of Ohio", and forward it to the following address:

Department of Administrative Services
GSD Business Office
4200 Surface Road
Columbus, OH 43228

If the full amount of the revenue share is not paid within 30 days after the end of the applicable reporting period, the non-payment will constitute a contract debt to the State. The State may setoff any unpaid revenue share from any amount owed to the Contractor under this Contract and employ all other remedies available to it under Ohio law for the non-payment of the revenue share. Additionally, if the Contractor fails to pay the revenue share in a timely manner, the failure will be a breach of this Contract, and the State may terminate this Contract for cause and seek damages for the breach.

7 - Warranties and Liabilities

7.1 **Warranties.** The Contractor warrants that the recommendations, guidance, and performance of the Contractor and all Deliverables under this Contract will:

(a) Be in accordance with the sound professional standards and the requirements of this Contract and without any material defects;
(b) Not infringe on the intellectual property rights of any third party;
(c) Be the work solely of the Contractor, unless otherwise provided in this Contract; and
(d) Be merchantable and fit for the particular purpose for which the Deliverables were acquired.

Additionally, with respect to the Contractor's activities under this Contract, the Contractor warrants that:

(a) The Contractor has the right to enter into this Contract;
(b) The Contractor has not entered into any other contracts or employment relationships that restrict the Contractor's ability to perform under this Contract;
(c) The Contractor will observe and abide by all applicable laws and regulations, including those of the State regarding conduct on any premises under the State's control;
(d) The Contractor has good and marketable title to any products delivered under this Contract and in which title passes to the State; and
(e) The Contractor has the right and ability to grant the license provided in any Deliverable in which title does not pass to the State.

If any work of the Contractor or any Deliverable fails to comply with these warranties, and the Contractor is so notified in writing, the Contractor must correct such failure with all due speed, not to exceed 30 days, or refund the amount of the compensation paid for the Deliverable. The Contractor also must indemnify the State for any direct damages and any claims by third parties based on any breach of these warranties.

7.2 **Software Warranty.** If Exhibit I includes work to develop custom software as a Deliverable, then on delivery and for one year after the date of acceptance of any Deliverable that includes custom software, the Contractor warrants that:

(a) The software will operate on the computer(s) for which the software is intended in the manner described in the relevant software documentation;
(b) The software will be free of material defects;
(c) The Contractor will deliver and maintain relevant and complete software documentation, commentary, and source code;
(d) The source code language used to code the software is readily available in the commercial market, widely used and accepted for the type of programming involved, and support programming in the language is reasonably available in the open market; and
(e) The software and all maintenance will be provided in a professional, timely, and efficient manner.

For Commercial Software developed by the Contractor or licensed from a third party, the Contractor represents and warrants that it either has the right or has obtained a binding commitment from the third party licensor to make the following warranties and commit to the following maintenance obligations. During the warranty period described in the next paragraph, the Contractor must:

(a) Maintain or cause the third-party licensor to maintain the Commercial Software so that it operates in the manner described in its documentation;
(b) Supply technical bulletins and updated user guides;
(c) Supply the State with all updates, improvements, enhancements, and modifications to the Commercial Software and documentation and, if available, the commentary and the source code;
(d) Correct or replace the software and remedy any material programming error that is attributable to the Contractor or the third-party licensor; and
(e) Maintain or obtain a commitment from the third-party licensor to maintain the Commercial Software so that it will properly operate in conjunction with changes in the operating environment for which it was designed.

For Commercial Software designed for mainframe platforms and for Commercial Software designed for PC or PC-based servers and costing more than $10,000.00 per license or per copy, the warranty period will be the longer of one year after acceptance or the licensor's standard warranty period. For Commercial Software designed for PC or PC-based servers and costing less than $10,000.00 per license or per copy, the warranty period will be the longer of three months after acceptance or the licensor's standard warranty period. For PC and PC-based servers, the warranty will not include updates, improvements, enhancements, or modifications to the Commercial Software and documentation, if such are not provided as part of the licensor's standard warranty or license fee.

Software documentation means well written, readily understood, clear, and concise instructions for the software's users as well as a system administrator. The software documentation must provide the users of the software with meaningful instructions on how to take full advantage of all of the capabilities designed for end users. It also means installation and system administration documentation for a system administrator to allow proper control, configuration, and management of the software. Source code means the uncompiled operating instructions. The

Contractor must provide the source code in the language in which it was written and must include such commentary or annotations as would allow a competent programmer proficient in the source language to readily interpret the source code and understand the purpose of all routines and subroutines contained within the source code.

7.3 **EQUIPMENT WARRANTY.** If any computer hardware or other type of electrical equipment ("Equipment") will be a part of any Deliverable, the following warranties apply. The Contractor warrants that the Equipment fully complies with all government environmental and safety standards applicable to the Equipment. The Contractor also warrants for the warranty period described in the next paragraph that the Equipment will perform substantially in accordance with its user manuals, technical materials, and related writings published by the manufacturer with respect to such Equipment, and that such Equipment will achieve any function described in such writings. The foregoing warranty will not apply to Equipment that the State modifies or damages after title passes to it. The warranty period for all Equipment will be the longer of one year after the State accepts the Equipment or the Contractor's standard warranty period.

If any Equipment does not meet the above warranties during the applicable warranty period, the Contractor must fix the nonconforming Equipment so it performs substantially in accordance with its user manuals, technical materials, and related publications, replace the Equipment, or grant the State a refund equal to the amount it paid for the Equipment. The Contractor must either fix or replace the Equipment or refund the purchase price to the State with all due speed, not to exceed seven days in the case of a fix or a replacement or 30 days in the case of a refund. The Contractor will be responsible for all shipping costs associate with fixing, replacing, or returning any defective equipment.

7.4 **INDEMNITY.** The Contractor must indemnify the State against all liability or expense resulting from bodily injury to any person (including injury resulting in death) or damage to property arising out of its performance under this Contract, provided such bodily injury or property damage is due to the negligence or other tortious conduct of the Contractor, its employees, agents, or subcontractors. The Contractor also must indemnify the State against any claim of infringement of a copyright, patent, trade secret, or other intellectual property rights based on the State's proper use of any Deliverable under this Contract. This obligation of indemnification will not apply where the State has modified the Deliverable and the claim of infringement is based on the modification. The State will give the Contractor notice of any such claim as soon as reasonably practicable. If a successful claim of infringement is made, or if the Contractor reasonably believes that an infringement claim that is pending may actually succeed, the Contractor will do one of the following four things:

(a) Modify the Deliverable so that it is no longer infringing;
(b) Replace the Deliverable with an equivalent or better item;
(c) Acquire the right for the State to use the Deliverable as it was intended for the State to use under this Contract; or
(d) Remove the Deliverable and refund the fee the State paid for the Deliverable and the fee for any other Deliverable that required the availability of the infringing Deliverable for it to be useful to the State.

7.5 **LIMITATION OF LIABILITY.** NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS CONTRACT OR ANYTHING INCORPORATED BY REFERENCE INTO THIS CONTRACT, THE PARTIES AGREE AS FOLLOWS:

(a) NEITHER PARTY WILL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, OR CONSEQUENTIAL LOSS OR DAMAGE OF ANY KIND, INCLUDING BUT NOT LIMITED TO LOST PROFITS, EVEN IF THE PARTIES HAVE BEEN ADVISED, KNEW, OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES.

(b) THE CONTRACTOR WILL BE LIABLE FOR ALL DIRECT DAMAGES DUE TO THE FAULT OR NEGLIGENCE OF THE CONTRACTOR OR ITS BREACH OF ANY PROVISION OF THIS CONTRACT.

8 - MAINTENANCE

8.1 **SOFTWARE MAINTENANCE.** If this Contract involves any custom software as a Deliverable, then during the warranty period, the Contractor must correct any material programming errors that are attributable to the Contractor within a reasonable time, provided the State notifies the Contractor, either orally or in writing, of a problem with the software and provides sufficient information to identify the problem. The Contractor's response to a programming error will depend upon the severity of the problem. In the case of programming errors that slow the processing of data by a small degree, render minor and non-critical functions of the System inoperable or unstable, or require users or administrations to employ workarounds to fully use the software, the Contractor must respond to requests for resolution within four business hours and begin working on a proper solution within one business day, dedicating the resources of one qualified programmer full-time to fixing the problem. In the case of any defects with more significant consequences, including those that render key functions of the software inoperable

or significantly slow data processing, the Contractor must respond within two business hours of notification and, if requested, provide on-site assistance and dedicate all available resources to resolving the problem.
For Commercial Software other than PC or PC-based server software costing less than $10,000.00 per copy or license, the Contractor must provide maintenance during the warranty period at no cost to the State. At a minimum, that maintenance must be the standard maintenance program that the licensor, whether the Contractor or a third party, normally provides to its client base. That maintenance program must include all new releases, updates, patches, and fixes to the Commercial Software. It also must include a commitment to keep the software current with the operating environment in which it is designed to function and a commitment to promptly correct all material defects in the software.

Additionally, the Contractor will make (or obtain a commitment from the third-party licensor to make) maintenance available for the software for at least five years after the warranty period. If the licensor, whether it is the Contractor or a third-party, is unable to provide maintenance during that period, then the licensor must do one of the following things: (a) give the State a *pro rata* refund of the license fee based on a five-year useful life; or (b) release the source code for the software to the State for use by the State solely for the purpose of maintaining any copies of the software for which the State has a proper license. The State will treat the source code as Confidential Information under the Confidentiality Section of this Contract. In the case of third-party Commercial Software, the Contractor warrants that it has legally bound the third-party licensor to the obligations of this Contract or that the Contractor has the right to make these commitments directly to the State.

For Commercial Software designed for PC or PC-based server platforms and costing less than $10,000.00 per copy or license, the Contractor must provide the same maintenance and user assistance during the warranty period at no additional cost to the State as the Contractor or the third-party licensor makes generally available at no additional charge to its other customers.

8.2 **SOFTWARE UPGRADES.** After an initial acquisition of a license in Commercial Software, the State may want to acquire a broader license than the original. Or the State may later want to migrate to another platform for the Commercial Software. When the Contractor or third-party licensor make the broader license generally available to its customer base or makes the version of the Commercial Software that runs on the new platform to which the State wants to migrate, then the State will have a right to upgrade any of its licenses to that broader license or to acquire the version of the Software that is appropriate for the new platform that the State intends to use. In these cases, the Contractor will provide the broader license or other version of the Commercial Software in exchange for a license fee that is based on the lesser of the following:

(a) The Contractor's (or third party licensor's) standard upgrade or migration fee;
(b) The upgrade or migration fee in Exhibit I; or
(c) The difference between the license fee originally paid and the then-current license fee for the license or version of the Commercial Software that the State seeks to acquire.

The foregoing will not apply to Commercial Software for PCs and PC-based server software with a license fee of less than $10,000.00, unless the Contractor or third-party licensor makes upgrade packages available for the Commercial Software to other customers. If PC or PC-based server software upgrades are available, the State will be entitled to the most favorable license fee on which such are made available to other most favored customers or dealers, as appropriate.

8.3 **EQUIPMENT MAINTENANCE.** If this Contract involves computer or telecommunications hardware or other mechanical or electrical equipment ("Equipment") as a Deliverable, then, during the warranty period and during any period covered by annual maintenance, the Contractor must provide maintenance to keep the Equipment in or restore the Equipment to good working order. This maintenance must include preventative and remedial maintenance, installation of safety changes, and installation of engineering changes based upon the specific needs of the individual item of Equipment. This maintenance also must include the repair, replacement, or exchange deemed necessary to keep the Equipment in good working order. For purposes of this Contract, Equipment restored to good working order means Equipment that performs in accordance with the manufacturer's published specifications. The Contractor must use its best efforts to perform all fault isolation and problem determination attributed to the Equipment. The following services are outside the scope of this Contract:

(a) Maintenance to bring the Equipment into compliance with any law, rule, or regulation, if such law, rule, or regulation was not in effect on the acceptance date;
(b) Repair and replacement work or increase in maintenance time as a result of damage or loss resulting from accident, casualty, neglect, misuse, or abuse, if such is the State's fault (and beyond normal wear and tear), damage resulting from improper packing or failure to follow prescribed shipping instruction (If such is done by the State), failure of electrical power, air conditioning or humidity control, use of supplies not approved by the original manufacturer of the Equipment as describe in the Equipment's documentation, or causes other than ordinary use of Equipment;

(c) Furnishing platens, supplies, or accessories, making specification changes, or adding or removing approved accessories, attachments, or other devices except as permitted in the Equipment's user documentation;

(d) Maintenance or increased maintenance time resulting from any improper use, maintenance, or connection to other equipment (not done by the Contractor) that results in damage to the Equipment;

(e) Repairs needed to restore the Equipment to good operating condition if the Equipment has been damaged by anyone other than the Contractor's authorized service personnel repairing, modifying, or performing maintenance on the Equipment.

8.4 **EQUIPMENT MAINTENANCE STANDARDS.** Except in the case of excusable delay, remedial Equipment maintenance by the Contractor will be completed within eight business hours after notification by the State that maintenance is required. In the case of preventative maintenance, the Contractor will perform such in accordance with the manufacturer's published schedule and specifications. If maintenance is not completed within eight hours after notification by the State, the Contractor will be in default. Failure of the Contractor to meet or maintain these requirements will provide the State with the same rights and remedies as specified elsewhere in this Contract for default, except that the Contractor will only have eight hours to remedy a default. The Contractor will provide adequate staff to provide the maintenance required by this Contract.

8.5 **EQUIPMENT MAINTENANCE CONTINUITY.** If the Contractor is unable to provide Equipment maintenance to meet the State's ongoing performance requirements and if, in the State's sole opinion, the Contractor is unlikely to resume providing warranty services that meets the State's ongoing performance requirement, the Contractor will be in default, and the State will be entitled to the remedies in the default section of this Contract. The State will also be entitled to the following items from the Contractor:

(a) All information necessary for the State to perform the maintenance, including but not limited to logic diagrams, maintenance manuals, and system and unit schematics, with all changes noted;

(b) A listing of suppliers capable of supplying necessary spare parts;

(c) Adequate information to permit the State to have spare parts manufactured elsewhere; and

(d) A listing of spare parts and their recommended replacement schedule to enable the State to create a centralized inventory of spare parts.

The State will treat as Confidential Information in accordance with the Confidentiality Section of this Contract any information in items (a) through (d) above that the Contractor rightfully identifies in writing as confidential. And when disclosure to a third-party is necessary for the State to continue the maintenance, the State will require any third-party to whom disclosure is made to agree to hold the Confidential Information in confidence and to make no further disclosure of it. Further, the State agrees that any such Confidential Information will be used solely to perform maintenance for the State and will be returned to the Contractor or destroyed when such use is no longer needed.

8.6 **PRINCIPAL PERIOD OF MAINTENANCE (GENERAL).** Software and Equipment maintenance must be available nine working hours per weekday, between 8:00 a.m. and 5:00 p.m. Eastern Standard Time. Travel time and expenses related to remedial and preventative maintenance will not be billable and must be included in the price of the maintenance.

8.7 **MAINTENANCE ACCESS (GENERAL).** For all Software and Equipment maintenance under this Contract, the State will provide the Contractor with reasonable access to the Deliverable to perform maintenance. All maintenance that requires a Deliverable to be inoperable must be performed outside the State's customary working hours, except when the Deliverable is already inoperable. Preventative or scheduled maintenance must be performed at mutually agreeable times, within the parameters of the manufacturer's published schedule.

9 - ASSIGNMENT AND SUBCONTRACTING

9.1 **ASSIGNMENT.** The Contractor may not assign this Contract without the written consent of the State, which the State will not be obligated to provide.

9.2 **SUBCONTRACTING.** The State recognizes that it may be necessary for the Contractor to use subcontractors to perform portions of the work under this Contract. In those circumstances, before the Contractor engages any such subcontractor, the Contractor must submit a list identifying its subcontractors or joint venture partners performing portions of the work under the Contract. If any changes to that list occur during the term of the Contract, the Contractor must immediately provide the State an updated list of subcontractors or joint venture business partners. In addition, all subcontractors and joint venture business partners must agree in writing to be bound by all of the terms and conditions of this Contract and any specifications of any order under this Contract for which they perform work. The State may reject any subcontractor submitted by the Contractor.

10 – Construction

10.1 **Headings.** The headings used in this Contract are for convenience only and may not be used in interpreting this Contract.

10.2 **Entire Document.** This Contract, which includes the Contractor's pricelist attached as Exhibit I and all documents referred to in this Contract, constitutes the entire agreement between the parties with respect to the subject matter and supersedes any previous agreements, whether oral or written.

10.3 **Binding Effect.** This Contract will be binding on and benefit the respective successors and assigns of the State and the Contractor.

10.4 **Amendments – Waiver.** No amendment or modification of this Contract will be effective unless it is in writing and signed by both parties. The failure of either party at any time to demand strict performance by the other party of any of the terms or conditions of this Contract may not be construed as a waiver of any those terms or conditions, and either party may at any time demand strict and complete performance by the other party.

10.5 **Severability.** If a court of competent jurisdiction finds any provision of this Contract to be unenforceable, the remaining provisions of this Contract will remain in full force and affect.

10.6 **Construction.** This Contract must be construed in accordance with the plain meaning of its language and neither for nor against the drafting party.

10.7 **Notices.** For any notice under this Contract to be effective, the noticing party must make it in writing and sent it to the address of the other party first appearing above, unless that party has notified the other party, in writing and in accordance with the provisions of this section, of a new mailing address for the receipt of notices. This notice requirement will not apply to any notices that this Contract expressly authorizes to be made orally.

10.8 **Continuing Obligations.** Any terms, conditions, representations, or warranties contained in this Contract that must survive termination or expiration of this Contract to be fully effective will survive the termination or expiration of the Contract. Additionally, termination or expiration of this Contract will not affect the State's right to continue to use any Deliverable for which it has paid, including licensed material. And no termination or expiration of the Contract will affect the State's right to receive maintenance, warranty work, or other services for which the State has paid.

10.9 **Priority.** If there is any inconsistency or conflict between this document and any provision of anything incorporated by reference, this document will prevail.

10.10 **Days.** When this Contract refers to days, it means calendar days, unless it expressly provides otherwise.

11 - Law and Courts

11.1 **EEO.** The Contractor must comply with all Ohio laws regarding equal employment opportunity, including among others Code § 125.111, as well as all related Executive Orders of the Governor of Ohio.

11.2 **Drug Free Workplace.** The Contractor must comply with all Ohio laws regarding maintaining a drug-free workplace and make a good faith effort to ensure that all its employees do not possess and are not under influence of illegal drugs or alcohol or abuse prescription drugs while working on State property.

11.3 **Ohio Ethics Law and Limits on Political Contributions.** The Contractor certifies that it is currently in compliance and will continue to adhere to the requirements of the Ohio ethics laws. The Contractor hereby certifies that all applicable parties listed in Ohio Revised Code Section 3517.13 are in full compliance with of Ohio Revised Code Section 3517.13.

11.4 **Security & Safety Rules.** When using or possessing State data or accessing State networks and systems, the Contractor must comply with all applicable State rules, policies, and regulations regarding data security and integrity. And when on any property owned or controlled by the State, the Contractor must comply with all security and safety rules, regulations, and policies applicable to people on those premises.

11.5 **Law and Venue.** This Contract is governed by and will be construed under Ohio law, and venue for all disputes will lie exclusively with the appropriate court in Franklin County, Ohio.

11.6 **UNRESOLVED FINDINGS.** The Contractor represents that it is not subject to an unresolved finding for recovery under Code § 9.24. If this warranty proves false when the parties sign this Contract, the Contract will be void. Additionally, if this representation proves false on the date of any renewal or extension of the Contract, the renewal or extension will be void.

11.7 **TERROR DECLARATION.** In accordance with R.C. 2909.33(C), Contractor certifies that it meets one of the following conditions:

(a) Contractor has **not** received, nor will receive as a result of this contract, an aggregate amount greater than one hundred thousand dollars ($100,000) in business or funding, excluding personal benefits, from the state, instrumentalities, or political subdivisions during the current fiscal year;
or

(b) (1) Contractor has received, or will receive as a result of this contract, an aggregate amount greater than one hundred thousand dollars ($100,000) in business or funding, excluding personal benefits, from the state, instrumentalities, or political subdivisions during the current fiscal year.
and,

(2) Contractor has either precertified with the Office of Budget and Management, or has completed the attached Declaration of Material Assistance form certifying that Contractor has not provided material assistance to any organization on the Terrorist Exclusion List, as that term is defined in R.C. 2909.21.

11.7 **ANTITRUST.** The State and the Contractor recognize that, in actual economic practice, overcharges resulting from antitrust violations are usually borne by the State. The Contractor therefore assigns to the State all state and federal antitrust claims and causes of action that the Contractor has or acquires relating to the goods and services acquired under this Contract.

11.8 **Governing the Expenditure of Public Funds on Offshore Services (EO 2011-12K).** The Contractor affirms to have read and understands Executive Order 2011-12K and shall abide by those requirements in the performance of this Contract. Notwithstanding any other terms of this Contract, the State reserves the right to recover any funds paid for services the Contractor performs outside of the United States for which it did not receive a waiver. The State does not waive any other rights and remedies provided the State in this Contract.

The Contractor agrees to complete the attached Executive Order 2011-12K Affirmation and Disclosure Form which is incorporated and becomes a part of this Agreement.

TO SHOW THEIR AGREEMENT, the parties have executed this Contract on the date(s) identified below, and this Contract will be effective as of the date it is signed on behalf of the State.

SnapVaultSec-SnapMirror-NearStore Bndl,T5C,-C	NetApp	SW-T5C-SVSEC-SM-NS-C	SnapVaultSec-SnapMirror-NearStore Bndl,T5C,-C	EA	$ 73,035.77
V-Series,Storage Software,T5C,-C	NetApp	SW-T5C-VN-STOR-C	V-Series,Storage Software,T5C,-C	EA	$ 14,871.54
Srvr VrtlBndl,NetApp Select,T5C	NetApp	SW-T5C-VRTL-BNDL	Srvr VrtlBndl,NetApp Select,T5C	EA	$ 95,513.27
Srvr VrtlBndl,NetApp Select,T5C,-C	NetApp	SW-T5C-VRTL-BNDL-C	Srvr VrtlBndl,NetApp Select,T5C,-C	EA	$ 95,513.27
SW,Win Bndl,SW,NetApp Select,T5C	NetApp	SW-T5C-WIN-BNDL	SW,Win Bndl,SW,NetApp Select,T5C	EA	$ 101,592.42
SW,Win Bndl,SW,NetApp Select,T5C,-C	NetApp	SW-T5C-WIN-BNDL-C	SW,Win Bndl,SW,NetApp Select,T5C,-C	EA	$ 101,592.42
Software,Operations Mgr,Additive T5 node	NetApp	SW-T5-DFM-OPSMGR-AD	Software,Operations Mgr,Additive T5 node	EA	$ 1,982.87
Software,Protection Mgr,Additive T5 node	NetApp	SW-T5-DFM-PROTMGR-AD	Software,Protection Mgr,Additive T5 node	EA	$ 6,609.57
Software,Provisioning Mgr,Additive T5 node	NetApp	SW-T5-DFM-PROVMGR-AD	Software,Provisioning Mgr,Additive T5 node	EA	$ 1,982.87
FCP Software,T5	NetApp	SW-T5-FCP	FCP Software,T5	EA	$ 6,393.11
FCP Software,T5,-C	NetApp	SW-T5-FCP-C	FCP Software,T5,-C	EA	$ 6,393.11
Flexclone Software,T5	NetApp	SW-T5-FLEXCLN	Flexclone Software,T5	EA	$ 15,491.18
Flexclone Software,T5,-C	NetApp	SW-T5-FLEXCLN-C	Flexclone Software,T5,-C	EA	$ 15,491.18
FlexScale Software,T5	NetApp	SW-T5-FLEXSCALE	FlexScale Software,T5	EA	$ 16,523.93
HTTP Software,T5	NetApp	SW-T5-HTTP	HTTP Software,T5	EA	$ 8,014.11
HTTP Software,T5,-C	NetApp	SW-T5-HTTP-C	HTTP Software,T5,-C	EA	$ 8,014.11
Cluster Remote Software,T5	NetApp	SW-T5-MCREMOTE	Cluster Remote Software,T5	EA	$ 16,523.93
Cluster Remote Software,T5,-C	NetApp	SW-T5-MCREMOTE-C	Cluster Remote Software,T5,-C	EA	$ 16,523.93
MultiStore Software,T5	NetApp	SW-T5-MSTORE	MultiStore Software,T5	EA	$ 28,916.88
MultiStore Software,T5,-C	NetApp	SW-T5-MSTORE-C	MultiStore Software,T5,-C	EA	$ 28,916.88
NFS Software,T5	NetApp	SW-T5-NFS	NFS Software,T5	EA	$ 37,178.84
NFS Software,T5,-C	NetApp	SW-T5-NFS-C	NFS Software,T5,-C	EA	$ 37,178.84
SnapDrive for Unix Software,T5	NetApp	SW-T5-SDR-UNX	SnapDrive for Unix Software,T5	EA	$ 12,695.34
SnapDrive for Unix Software,T5,-C	NetApp	SW-T5-SDR-UNX-C	SnapDrive for Unix Software,T5,-C	EA	$ 12,695.34
SnapDrive for Windows Software,T5	NetApp	SW-T5-SDR-WIN	SnapDrive for Windows Software,T5	EA	$ 12,695.34
SnapDrive for Windows Software,T5,-C	NetApp	SW-T5-SDR-WIN-C	SnapDrive for Windows Software,T5,-C	EA	$ 12,695.34
SnapLock Compliance Software,T5	NetApp	SW-T5-SLC	SnapLock Compliance Software,T5	EA	$ 28,916.88
SnapLock Compliance Software,T5,-C	NetApp	SW-T5-SLC-C	SnapLock Compliance Software,T5,-C	EA	$ 28,916.88
SnapLock Enterprise Software,T5	NetApp	SW-T5-SLE	SnapLock Enterprise Software,T5	EA	$ 28,916.88
SnapLock Enterprise Software,T5,-C	NetApp	SW-T5-SLE-C	SnapLock Enterprise Software,T5,-C	EA	$ 28,916.88
SnapManager Software,Exchange,T5	NetApp	SW-T5-SME	SnapManager Software,Exchange,T5	EA	$ 28,916.88
SnapManager Software,Exchange,T5,-C	NetApp	SW-T5-SME-C	SnapManager Software,Exchange,T5,-C	EA	$ 28,916.88
SnapManager for Hyper-V SW,T5	NetApp	SW-T5-SMHV-MSFT	SnapManager for Hyper-V SW,T5	EA	$ 7,617.53
SnapManager for Hyper-V SW,T5,-C	NetApp	SW-T5-SMHV-MSFT-C	SnapManager for Hyper-V SW,T5,-C	EA	$ 7,617.53
SnapMirror Software,T5	NetApp	SW-T5-SMIRROR	SnapMirror Software,T5	EA	$ 58,296.42
SnapMirror Software,T5,-C	NetApp	SW-T5-SMIRROR-C	SnapMirror Software,T5,-C	EA	$ 58,296.42
SnapManager Oracle SW,T5	NetApp	SW-T5-SMO	SnapManager Oracle SW,T5	EA	$ 28,916.88
SnapManager Oracle SW,T5,-C	NetApp	SW-T5-SMO-C	SnapManager Oracle SW,T5,-C	EA	$ 28,916.88
SnapManager SAP SW,T5	NetApp	SW-T5-SMSAP	SnapManager SAP SW,T5	EA	$ 36,146.10
SnapManager SAP SW,T5,-C	NetApp	SW-T5-SMSAP-C	SnapManager SAP SW,T5,-C	EA	$ 36,146.10
SnapManager SharePoint SW,T5	NetApp	SW-T5-SMSHAREPOINT	SnapManager SharePoint SW,T5	EA	$ 22,741.06
SnapManager SharePoint SW,T5,-C	NetApp	SW-T5-SMSHAREPOINT-C	SnapManager SharePoint SW,T5,-C	EA	$ 22,741.06
SnapManager Software,SQL,T5	NetApp	SW-T5-SMSQL	SnapManager Software,SQL,T5	EA	$ 28,916.88
SnapManager Software,SQL,T5,-C	NetApp	SW-T5-SMSQL-C	SnapManager Software,SQL,T5,-C	EA	$ 28,916.88
SnapMirror SnapVault Bundle Software,T5	NetApp	SW-T5-SMSVS	SnapMirror SnapVault Bundle Software,T5	EA	$ 72,870.53
SnapMirror SnapVault Software Bundle,T5,-C	NetApp	SW-T5-SMSVS-C	SnapMirror SnapVault Software Bundle,T5,-C	EA	$ 72,870.53
SnapManager for VI SW,T5	NetApp	SW-T5-SMVI-VMWARE	SnapManager for VI SW,T5	EA	$ 12,695.34
SnapManager for VI SW,T5,-C	NetApp	SW-T5-SMVI-VMWARE-C	SnapManager for VI SW,T5,-C	EA	$ 12,695.34
SnapRestore Software,T5	NetApp	SW-T5-SRESTORE	SnapRestore Software,T5	EA	$ 10,327.46
SnapRestore Software,T5,-C	NetApp	SW-T5-SRESTORE-C	SnapRestore Software,T5,-C	EA	$ 10,327.46
SnapVault Primary Software,T5	NetApp	SW-T5-SVPRI	SnapVault Primary Software,T5	EA	$ 16,523.93
SnapVault Primary Software,T5,-C	NetApp	SW-T5-SVPRI-C	SnapVault Primary Software,T5,-C	EA	$ 16,523.93
SnapVault Secondary Software,T5	NetApp	SW-T5-SVSEC	SnapVault Secondary Software,T5	EA	$ 58,296.42
SnapVault Secondary Software,T5,-C	NetApp	SW-T5-SVSEC-C	SnapVault Secondary Software,T5,-C	EA	$ 58,296.42
SV Secondary Software,Special,T5,-C	NetApp	SW-T5-SVSEC-S-C	SV Secondary Software,Special,T5,-C	EA	$ 41,772.49

Product Name	Manufacturer	Manufacturer Part No	Description	Unit of Measure	State Price

NetApp

CHANNEL END USER TERMS

These Channel End User Terms set forth the obligations of NetApp, Inc. and/or any of its Affiliates ("NetApp") regarding the warranty and other remedies afforded by NetApp to End Users (referred to herein as "Customer") in connection with NetApp Products and Services obtained from an authorized NetApp reseller, unless Customer has entered into a separate agreement with NetApp in connection with such Products or Services. NetApp and Customer may each be referred to as a "Party" or collectively, as the "Parties."

1. PRODUCTS AND SERVICES

1.1. Hardware and Software

1.1.1. Hardware Warranty. NetApp warrants for a period of three (3) years from the date of Hardware Delivery (unless otherwise specified in the applicable Documentation) ("Hardware Warranty Period") that the Hardware will materially conform to NetApp's Documentation in effect on the date of Hardware Delivery. In the event of any material nonconformity in the Hardware during the Hardware Warranty Period, NetApp will, at its sole discretion and expense, repair or replace the Hardware, or refund the purchase price paid by Customer for the non-conforming Hardware. Replacement parts will be warranted for the remainder of the Hardware Warranty Period in effect on the original Hardware purchased, unless otherwise mandated by applicable law

1.1.2. Software Warranty. NetApp warrants to Customer, for a period of ninety (90) days from the date of Software Delivery of the initially-shipped version of such Software (the "Software Warranty Period"), that (a) the Software, when used in accordance with the Documentation, will materially conform to NetApp's Documentation in effect on the date of Software Delivery; and (b) the media containing the Software (but not the Software itself) will be free from physical defects. NetApp does not warrant that Customer's use of the Software will be error-free or uninterrupted. In the event of any material nonconformity in the Software during the Software Warranty Period, NetApp will, at its sole discretion and expense, repair or replace the Software, or refund the purchase price paid by Customer for the nonconforming Software. This warranty covers only material nonconformities in the Software that are reproducible and verifiable and does not cover software, other items, or any services provided by persons other than NetApp or a NetApp authorized service provider.

1.2. Limitation of Warranties

1.2.1. Warranty Exclusions. NETAPP WILL NOT BE LIABLE UNDER THIS WARRANTY IF ITS TESTING AND EXAMINATION DISCLOSES THAT THE ALLEGED DEFECT IN THE NETAPP EQUIPMENT DOES NOT EXIST OR WAS CAUSED BY CUSTOMER'S, CUSTOMER SUBCONTRACTOR'S OR ANY UNAUTHORIZED THIRD PERSON'S MISUSE, NEGLECT, IMPROPER INSTALLATION OR TESTING, ATTEMPTS TO REPAIR, OR ANY OTHER CAUSE BEYOND THE RANGE OF THE INTENDED USE, OR BY ACCIDENT, FIRE, LIGHTNING OR OTHER HAZARD OR FORCE MAJEURE EVENT. THE WARRANTY FOR ANY HARDWARE WILL BECOME VOID IF A HARDWARE COMPONENT IS INSTALLED AS AN ADD-ON AND/OR REPLACEMENT PART ON THE ORIGINAL HARDWARE AND SUCH COMPONENT PART HAD NOT BEEN PREVIOUSLY APPROVED IN WRITING BY NETAPP FOR SUCH INCLUSION. THE WARRANTY FOR SOFTWARE WILL BE VOIDED IF THE SOFTWARE IS MODIFIED, EXCEPT AS AUTHORIZED IN WRITING BY NETAPP. NETAPP DOES NOT ASSUME OR AUTHORIZE ANY OTHER PERSON TO ASSUME FOR IT ANY OTHER OR GREATER LIABILITY IN CONNECTION WITH THE SALE, INSTALLATION, SERVICING, MAINTENANCE OR USE OF NETAPP EQUIPMENT.

1.2.2. Exclusive Warranties. THE FOREGOING WARRANTIES AND REMEDIES ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, EITHER IN FACT OR BY OPERATION OF LAW, STATUTORY OR OTHERWISE INCLUDING WITHOUT LIMITATION WARRANTIES OF PERFORMANCE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE OR NON-INFRINGEMENT. TO THE EXTENT SUCH LIMITATIONS ARE NOT ALLOWED BY LAW, THIS SECTION WILL NOT APPLY.

1.2.3. Hazardous Environments. NETAPP EQUIPMENT IS NOT DESIGNED OR INTENDED FOR USE IN ONLINE CONTROL OF AIRCRAFT, AIR TRAFFIC, AIRCRAFT NAVIGATION OR AIRCRAFT COMMUNICATIONS, OR IN THE DESIGN, CONSTRUCTION, OPERATION OR MAINTENANCE OF ANY NUCLEAR FACILITY OR SIMILAR HAZARDOUS ENVIRONMENTS, OR IN THE OPERATION OR IN MAINTENANCE OF ANY DIRECT LIFE SUPPORT SYSTEM, OR SIMILAR LIFE THREATENING OPERATIONS. NETAPP DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTY OF FITNESS FOR SUCH USES AND WILL NOT BE LIABLE FOR ANY COSTS, LIABILITIES OR DAMAGES RESULTING FROM THE USE OF THE NETAPP EQUIPMENT IN SUCH ENVIRONMENTS OR OPERATIONS. CUSTOMER AGREES THAT IT WILL NOT USE NETAPP EQUIPMENT FOR SUCH PURPOSES.

1.3. Services

1.3.1. Support Services. Customer may purchase Support Services subject to the Support Services Terms set forth at http://netapp.com/us/how-to-buy/stc.html.

1.3.2. Professional Services. Customer may purchase Professional Services subject to the Professional Services Terms set forth at http://netapp.com/us/how-to-buy/stc.html.

2. INTELLECTUAL PROPERTY

2.1. License to Software. Software licensed under this Agreement, as identified in the relevant Order Documentation, is subject to NetApp's End User License Agreement ("EULA") incorporated into the Arrow Schedule 70 contract agreement. To the extent that this Agreement is inconsistent with the EULA, this Agreement controls. Subject to the terms and conditions of the Agreement and unless prohibited by the applicable Order Documentation, Customer's right to use the Software includes use by Customer's third party consultants and service providers performing Customer's internal business operations and solely for the benefit of Customer ("Customer Subcontractors"), provided (i) such Customer Subcontractors are not direct competitors of NetApp, (ii) Customer has written confidentiality and other applicable agreements in place with such Customer Subcontractors having terms no less restrictive than the terms in this Agreement, (iii) such Customer Subcontractors' use remains consistent with the terms of the EULA and this Agreement and (iv) Customer remains primarily liable to NetApp under this Agreement for any act or omission on the part of such Customer Subcontractor to the same extent as if Customer committed such act or omission.

2.2. Indemnification. NetApp will defend Customer against any claim brought against it by a third party alleging that the Products sold pursuant to this Agreement infringe any patent, trademark or copyright ("IP Claim") and indemnify Customer for a settlement amount or amount due that is finally awarded by a court of competent jurisdiction for such IP Claim (collectively, "Damages," which will be deemed direct damages for purposes of this Agreement); PROVIDED, however, that: (i) Customer has promptly notified NetApp in writing of the claim; (ii) Customer has provided reasonably requested information and assistance to NetApp; and (iii) Customer has given NetApp sole control of the defense and settlement negotiations thereof, subject to the right of the Ohio Attorney General to represent the State pursuant to Ohio Revised Code Section 109.02. The State will be responsible for the costs associated with Ohio Attorney General representation should the Ohio Attorney General represent the State under this Section,

NetApp will have no liability for IP Claims that result from: (i) unauthorized modification or use of the Products when the Damages would not have occurred but for such modification or use; (ii) combination, operation, or use of the Products with any products not provided by NetApp when the Damages would not have occurred but for such combination, operation or use; (iii) services offered by Customer or revenue earned by Customer for such services; (iv) NetApp's compliance with or use of Customer's designs, specifications, instructions or technical information when the Damages would not have occurred but for such compliance or use; or (v) Customer 's failure to install an upgrade or new version available from NetApp or failure to make a change or modification requested by NetApp when the Damages would not have occurred but for such failure.

Should the use of the Products by Customer be enjoined, or in the event NetApp wishes to minimize its potential liability hereunder, NetApp may, at its option, take any of the following actions: (i) substitute the Product with a functional equivalent in all material respects; (ii) modify the Product so long as it remains a functional equivalent in all material respects; (iii) obtain for Customer, at NetApp's expense, the right to continue use of the Product; or (iv) take back such Product and refund to Customer the purchase price paid therefore, less depreciation amortized on a straight line basis over a three (3) year period from date of shipment.

This Section sets out Customer's sole remedies for any claim regarding patent, trademark, and copyright infringement. In no event will NetApp's obligations to provide indemnification as described in this Section apply to any Third-party Branded Products purchased hereunder and NetApp will not be deemed to provide any indemnification whatsoever with respect to any alleged or actual infringement of Third Party-Branded Products

3. DEFINITIONS

3.1. Affiliate. Any entity, directly, or indirectly through one or more intermediaries, that is controlled by, or is under common control with a Party hereunder, but only for so long as such relationship exists. For the purposes of this definition, "control" means the ability to direct its affairs and/ or to control the composition of its board of directors or ownership of more than fifty percent (50%) (or such lesser percent as may be the maximum that may be owned by foreign interests pursuant to the applicable laws of the country of incorporation) of (a) the shares of stock entitled to vote for directors in the case of a corporation; or (b) the equity or interests in profits in the case of a business entity other than a corporation.

3.2. Confidential Information. All information, whether written, oral or in any other tangible or intangible medium disclosed by or on behalf of the Disclosing Party to the Receiving Party for purposes arising out of or in connection with this Agreement, either before or after the signing of the Agreement, that (i) in the case of information in tangible form, is marked "confidential" or "proprietary" or words with similar with similar import at the time of disclosure; (ii) in the case of any information disclosed orally, visually or any other intangible form is designated "confidential" or "proprietary" at the time of disclosure, and if disclosed orally, is summarized in reasonable detail in a writing delivered to the receiving Party within thirty (30) days of disclosure; and (iii) by its nature or the circumstances surrounding disclosure, should reasonably be considered confidential or proprietary; will include any reproduction of such information in any form or medium, or any part of such information. Confidential information will not include any information which: (a) is already known to the Receiving Party without restrictions at the time of disclosure; (b) is or becomes known to the general public through no act or omission of the Receiving Party in breach of these terms and conditions;(c) is disclosed to the Receiving Party by a third party who is not, to the knowledge of the Receiving Party, in breach of an obligation of confidentiality; or(d) is independently developed by employees and/or contractors of the Receiving Party who did not have access to and without use of the Confidential Information.

3.3. Documentation. NetApp supplied or provided user manuals, training materials, Product descriptions and specifications, technical manuals, supporting materials and other information relating to the Product and Services, whether distributed in print, electronic, CD-ROM or any other format, which may be revised, updated or replaced from time to time.

3.4. End User. The party acquiring Products and Services for that party's own use and not for resale or redistribution.

3.5. Engagement Documents. A NetApp-approved document, including but not limited to a statement of work ("SOW") or service brief ("Service Brief"), that details the entirety of NetApp's obligation with respect to the relevant Professional Services to be provided, including but not limited to scope, detailed descriptions, deliverables, milestones, deadlines, specifications and acceptance criteria, as applicable, as well as required evidence of completion of Services.

3.6. Hardware. NetApp-branded hardware sold by NetApp under this Agreement, including its components and spare parts, but excluding any Third Party Branded products, and any software or firmware.

3.7. Intellectual Property or IP. All materials, information, discoveries, inventions, technical information, development tools, methodologies, technologies, algorithms, procedures, processes, software, firmware and/or know-how used, generated, created, developed or reduced to practice by or for a Party as well as any and all intellectual property rights therein.

3.8. Order Documentation. The applicable NetApp price quotation (and/or Engagement Document, if for the purchase of professional services), corresponding Purchase Order, and associated Documentation for the Products and Services purchased or licensed hereunder.

3.9. Product. NetApp Equipment, its associated Documentation, and any Third-Party Branded Products.

3.10. Professional Services. The technical consulting services to be provided by or on the behalf of NetApp, that are not included within the scope of Support Services and are set forth in relevant Engagement Documents.

3.11. Purchase Order. A written or electronic order consistent with this Agreement provided to NetApp for the purchase of Products and Services.

NetApp

SUPPORT SERVICES TERMS

These Support Services Terms, together with the Channel End User Terms, set forth the terms under which NetApp will provide Support Services to Customer.

1. SUPPORT SERVICES

1.1. Scope of Services. During the initial Support Services Period and any renewal Support Services Period, NetApp agrees to provide the Support Services purchased by Customer for supported Hardware and Software pursuant to the Support Service descriptions. Support Services descriptions are set forth at the Support Site. NetApp reserves the right to revise, modify or update the Support Services descriptions from time to time without notice to Customer.

1.2. Out-of -Scope Services. Notwithstanding any other provision herein, Support Services does not include and NetApp will have no obligation to provide Out-of-Scope Support Services resulting from or associated with the following:

a. Hardware that has been mishandled, altered, damaged or rendered inoperable (e.g., degauss disk drives, etc.) due to willful or negligent acts or omissions, accident, Force Majeure (as defined herein), or operation of the Hardware other than as specified in Product Documentation;

b. Any work performed at Customer's site except as specified in the Support Services purchased by Customer;

c. Products or components, including without limitation, software or hardware not provided by NetApp, a NetApp authorized service representative or a NetApp-authorized reseller, or services performed by an entity other than NetApp or an authorized NetApp service representative;

d. Transit or relocation of Hardware, including any damages occurring while in transit or related to such relocation, and services accompanying or related to transit or relocation of the Hardware;

e. Services related to third-party products;

f. Power surge or failure;

g. Provisioning of accessories, supplies or replacement of disposable parts, which may include, without limitation, power cords, rack mounting kits and cables;

h. Any cleaning, painting, refinishing or cosmetic modification of Hardware, or any electrical or site preparation; or

i. Customer's failure to provide a proper environment for the NetApp Hardware within the range of tolerances set forth in the applicable NetApp Site Requirements Guide located at the published NetApp Support Website and any conditions or events arising out of such a failure to provide the required operating conditions for the NetApp Hardware. Although NetApp is not required to provide Out-of-Scope Services, Out-of-Scope Services may be available for purchase from NetApp, pursuant to a separate written agreement by and between NetApp and Customer. Pricing must be on the STS.

j. Any installation of software or hardware not provided by NetApp or NetApp authorized service provider or non-operation system updates for product not provided by NetApp such as any customization or installation of Software updates.

1.3. Support Services Warranty. NetApp warrants to Customer that, for the duration of the pertinent Support Service Period, Support Offerings will be performed in a professional and workmanlike manner consistent with generally accepted industry practices. If the Support Services materially fail to conform to the warranty hereunder, NetApp will, as its sole obligation and Customer's exclusive remedy for breach of this warranty, re-perform such Support Services. Any warranties provided herein do not apply to, nor do NetApp prices include, any Out-of-Scope services.

1.4. Subcontracting. Customer hereby acknowledges and agrees that NetApp may subcontract the Support Services, at NetApp's sole discretion, to a third-party NetApp authorized service representative. NetApp remains fully responsible for its subcontractors' performance under this Agreement unless such performance is solely at the direction of Customer.

1.5. End of Availability. End of Availability ("EOA") information will be communicated to Customers with respect to Customer's Hardware or Software then currently within an active Support Services Period via the field alert email alias on the NetApp Support Site and NetApp's quarterly EOA announcement.

1.6. End of Support. End of Support ("EOS") means the last date NetApp will support Hardware or Software that has been identified as discontinued in an EOA notice. EOS information will be communicated to Customer with respect to Customer's Hardware or Software then currently within an active Support Services Period, pursuant to a product bulletin published on the NetApp Support Site. It is the responsibility of Customer to ensure that all items of the Hardware, including but not limited to, any components, devices or storage attached thereto or Software thereon, are within the published EOS date for such Hardware, components, devices, storage or Software prior to the renewal of Support Services. NetApp will have no Support Service obligation with respect to any Hardware, including any components, devices or storage connected to, or for associated Software, beyond the published EOS date for such Hardware, components, devices, storage or Software. With respect to EOA Software, NetApp may, at its discretion, continue to provide Patch releases. NetApp will not, however, develop Feature or Maintenance releases for Software that has been identified as discontinued in an EOA notice. Customer acknowledges that with respect to Hardware running Software for which the EOS date has occurred, and regardless of whether there is an EOS date for such Hardware, Customer may be required to update to a supported version of Software as a prerequisite for NetApp to continue to Provide Support Services for such Hardware.

1.7. Replacement Procedure for Hardware Components and System Disks. For the replacement of failed Hardware subject to Support Services, Customer will notify NetApp of the failure, in accordance with the relevant Return Material Authorization ("RMA") procedures available at the NetApp Support Site, and upon confirmation by the NetApp Technical Support Center (TSC), NetApp will issue a RMA number and shipping instructions to Customer. NetApp's outbound shipment will include a waybill and reusable packaging for Customer to return the failed Hardware. Customer's obligations under such RMA procedures include but are not limited to:

(a) Coordination of the return of all failed NetApp Hardware within fifteen (15) calendar days of resolution of the support case initiated with the TSC. FRUs will not be consolidated in shipment. Customer will return each individual FRU separately.

(b) Proper packaging and labeling, including the correct RMA transaction number, is required for each Hardware item shipped. NetApp Hardware not labeled with a correct RMA number may not be accepted by NetApp, and may result in delay and/or additional charges to Customer, due to the inability to identify such NetApp Hardware and to record the appropriate return credit.

(c) Customer will ensure that the Hardware is free of any legal obligations or restrictions that could prevent its exchange.

(d) Failure to return the Hardware within fifteen (15) calendar days of resolution of the support case with the TSC, or Hardware returned in an unacceptable condition (i.e., a condition that may have resulted in the Hardware being identified as unsupportable per the terms specified herein), may result in the issuance of an invoice to Customer at NetApp's then-current GSA Schedule 70 contract price for the replacement parts

provided. Payment of the invoice will be subject to the payment terms of the state term schedule.

1.8. Support Included with Original and Extended Hardware Warranty. In addition, to the repair or replace remedy provided under the Hardware Warranty, NetApp will provide to the Customer access to 24/7/365 Remote Technical Support via telephone and/or web interface, delivery of Replacement Parts and access to the NetApp Support Site. Customer will also have access to AutoSupport and the NetApp Remote Support Diagnostics Tool as applicable based on Product type and proper Customer configuration. With respect to the Support Included with Hardware Warranty and any Extended Warranty Hardware Support, the target response objective for the delivery of Replacement Parts is next local business day. The delivery of Replacement Parts and any associate target response objectives are subject to and limited by applicable local country shipment cut-off times or other factors beyond the reasonable control of NetApp that may delay delivery beyond the target response objective. Notwithstanding the foregoing, with respect to the DTA 2800, for regions outside the United States, Canada and the European Union, there is no defined target response objective for delivery of Replacement Parts. Delivery of Replacement Parts to such regions shall be in a method, manner and timeframe deemed commercially reasonable to NetApp under the circumstances and will be subject to local transit times including any required customs processing.

1.9. Onsite Support. Onsite Support provided under an applicable Support Service Program will be provided as follows: Upon initiation by Customer of a technical support case with NetApp Technical Support Center, a Technical Support Engineer (TSE) will initiate problem identification and repair as necessary. If the problem cannot be resolved remotely, and where the TSE and Customer jointly agree that onsite support is necessary and appropriate, the TSE will dispatch a NetApp Authorized Support Engineer (ASE) to the customer site. The ASE will, at the direction of the Technical Support Center, work to diagnose and isolate the problem, make necessary changes, and restore systems to normal operation. The target response objective for onsite support will be the same response objective specified for parts replacement in the Order Documentation, except as set forth below. For issues that affect Software and require onsite support, NetApp reserves the right to define the correct and most appropriate onsite support engineering resource to assist in resolving the case and restoring normal operation. In these specific instances, NetApp will communicate with Customer the estimated time of arrival for the ASE which may or may not fall within the target response objectives outlined above.

1.10. Installation of Software Updates. Customers that have purchased applicable Support Services which includes Installation of Software Updates are entitled to the Installation of Software Updates during the Support Service Period. If the TSE determines that certain Software Updates should be installed on Customer's system, the TSE, with Customer's agreement and participation, will determine the appropriate method and timing of installing the necessary Software Updates. NetApp may choose to dispatch an ASE to the customer site to direct or assist in Software Update activities.

1.11. Non-returnable System Disk. If Customer has also purchased Non-Returnable Disk (NRD) coverage, the provisions of Section 17(a) – (d) above shall not apply. Customer will not return a defective or failed NetApp system disk from Hardware. Instead, Customer will remain solely responsible for disposing of such disk(s). Customer understands and agrees that with respect to any disk(s) entitled to NRD coverage returned to NetApp, NetApp shall have no obligation, responsibility or liability associated with the removal and/or protection of any data remaining on such returned disk(s) and that such returned disk(s) will be treated by NetApp as any other non-NRD Hardware and may be relegated to NetApp supply chain for repair and/or destruction.

1.12. Support Services. Customers that have purchased Support Services that include the NetApp Software Support Plan are entitled to Software Support during Support Services Period. Software Support consists of both Remote Technical Support and access to all commercially available Software Updates, via the NetApp Support Site. Software Updates are governed by the Limited Software Warranty and Disclaimer set forth in the EULA incorporated in the GSA Schedule 70 contract and agreed to by Customer upon Customer's download, installation and/or use of the Software Update. NetApp may require Customer to upgrade to a certain Software release in order to resolve current or prospective issues. Any Hardware updates required to utilize new functionality available with a new Software release are the responsibility of Customer and will be made at Customer's expense.

1.13. Software Support Prerequisites. Provision of Software Support is conditional upon Customer having: (i) installed and operated the Software in accordance with the specifications provided by NetApp; (ii) described with sufficient specificity the nature of the Software issues Customer is experiencing and the circumstances in which they occur; (iii) reproduced the Software issue such that it can be confirmed and evaluated by NetApp; and (iv) made no changes, additions, or modifications to the Software, directly or indirectly; and (v) installed the Software in an infrastructure/environment that adheres to the published NetApp Interoperability Matrix as set forth at the NetApp Support Site.

1.14. Software Support Exclusions. NetApp will have no obligation to provide Software Support in connection with any of the following conditions: (i) Software problems resulting from Customer or third-party modifications, customizations, or enhancements to the Software; (ii) Customer education or training; (iii) implementation or installation assistance; (iv) consultation for new programs or equipment; (v) correction of problems / assistance with problems caused by Customer error (such as entering of incorrect data, not following recommended procedures, keeping inadequate backup copies, etc.); (vi) correction of errors attributable to software other than the Software; or (vii) issues arising from a change in Customer's system configuration.

2. CUSTOMER RESPONSIBILITIES

2.1. Customer Contacts. Customer will designate up to three (3) technically qualified employees to serve as Customer's primary points of contact for all Hardware and Software and any related support Services issues.

2.2. Customer Information. Applicable target response objectives, if any can be met only if NetApp has accurate Customer information, including delivery and on-site service addresses, name and phone number of the key Customer contacts, access to Customer's facility. If address and contact information is not current and/or access to the location is denied to the NetApp ASE, - adherence to any applicable target response objective will be measured from the point when the correct information is provided by the Customer and/or the NetApp ASE is granted access to Customer's location. Upon receipt, Customer will register all Hardware and Software on the NetApp Support Website to create Customer's support profile. Customer is responsible for keeping its profile up-to-date.

2.3. NetApp Support Website. During the Support Services Period, Customer will be granted access the NetApp Support to facilitate Support Services of the relevant Hardware and Software. A unique login and password will be assigned to Customer by NetApp, which will be deemed NetApp Confidential Information. In the event the Support Services require access to any computer systems or software owned or licensed by Customer, Customer will obtain any and all consents required for NetApp to do so, and will notify NetApp promptly of any failure on Customer's part to obtain any such consents.

2.4. Work Environment. When required, Customer will provide NetApp or the NetApp authorized support representative with site access, access to appropriate Customer personnel, a healthy and safe working environment, including light, heat, electrical outlets and ventilation, adequate work space, and access to telephones with outside lines, as NetApp may reasonably determine are necessary to perform the Support Services hereunder.

2.5. Data Recovery. Customer will be solely responsible for management of its data back-up, data recovery, and disaster recovery measures. NetApp will not be responsible or held liable for Customer's

internal processes, procedures or requirements to ensure the protection, loss, confidentiality, or security of Customer data or information. Neither NetApp nor NetApp authorized service representatives will be liable for any claims and/or liabilities relating to or arising from such matters.

2.6. Equipment Relocation. In the event that Customer wishes to relocate Hardware or Software, Customer will contact the NetApp Technical Support Center via either phone or web interface at least thirty (30) days prior to such relocation. NetApp will respond as to whether Customer's existing Support Service will be available for the Hardware or Software at the new location. Customer acknowledges that relocation of the Hardware or Software may change the target response objective and/or pricing of Support Services available for such Hardware or Software. If NetApp Product is moved to a location where the same target response time is unavailable, target response objectives for such location will be within a commercially reasonable period of time. If Customer fails to notify and obtain confirmation from NetApp prior to relocation of Hardware or Software as required herein, NetApp will not be obligated to provide Support Services for the Hardware or Software. If Customer requests a change to the Support Services previously purchased, Customer may need to submit a new purchase order to NetApp.

2.7. Reinstatement of Lapsed Support. In the event that Customer intends to reinstate Support Services after a lapsed period following expiration of the original Support Services Period, Customer will be required to pay an amount equal to the fee for Support Services that Customer would have been required to pay for any accrued Support Services during such lapsed period and, if the Support Service is of a type that is only available when purchased up-front, the amount due for the go-forward period of Support Services Period being purchased.

3. DEFINITIONS

3.1. Affiliate. Any entity, directly, or indirectly through one or more intermediaries, that is controlled by, or is under common control with a Party hereunder, but only for so long as such relationship exists. For the purposes of this definition, "control" means the ability to direct its affairs and/ or to control the composition of its board of directors or ownership of more than fifty percent (50%) (or such lesser percent as may be the maximum that may be owned by foreign interests pursuant to the applicable laws of the country of incorporation) of (a) the shares of stock entitled to vote for directors in the case of a corporation; or (b) the equity or interests in profits in the case of a business entity other than a corporation.

3.2. Confidential Information. All information, whether written, oral or in any other tangible or intangible medium disclosed by or on behalf of the Disclosing Party to the Receiving Party for purposes arising out of or in connection with this Agreement, either before or after the signing of the Agreement, that (i) in the case of information in tangible form, is marked "confidential" or "proprietary" or words with similar with similar import at the time of disclosure; (ii) in the case of any information disclosed orally, visually or any other intangible form is designated "confidential" or "proprietary" at the time of disclosure, and if disclosed orally, is summarized in reasonable detail in a writing delivered to the receiving Party within thirty (30) days of disclosure; and (iii) by its nature or the circumstances surrounding disclosure, should reasonably be considered confidential or proprietary; will include any reproduction of such information in any form or medium, or any part of such information. Confidential Information will not include any information which: (a) is already known to the Receiving Party without restrictions at the time of disclosure; (b) is or becomes known to the general public through no act or omission of the Receiving Party in breach of these terms and conditions;(c) is disclosed to the Receiving Party by a third party who is not, to the knowledge of the Receiving Party, in breach of an obligation of confidentiality; or(d) is independently developed by employees and/or contractors of the Receiving Party who did not have access to and without use of the Confidential Information.

3.3. Documentation. NetApp supplied or provided user manuals, training materials, Product descriptions and specifications, technical manuals, supporting materials and other information relating to the Product and Services, whether distributed in print, electronic, CD-ROM or any other format, which may be revised, updated or replaced from time to time.

3.4. Engagement Documents. A NetApp-approved document, including but not limited to a statement of work ("SOW") or service brief ("Service Brief"), that details the entirety of NetApp's obligation with respect to the relevant Professional Services to be provided, including but not limited to scope, detailed descriptions, deliverables, milestones, deadlines, specifications and acceptance criteria, as applicable, as well as required evidence of completion of Services.

3.5. Feature Release. An enhancement made generally available by NetApp to an existing Software version.

3.6. Field Replaceable Unit (FRU). Any specific system component or system disk within a NetApp system, excluding filer heads, which can be replaced at an End User's location without pre-configuration by NetApp. FRUs will be new or equivalent to new at NetApp's reasonable discretion.

3.7. Hardware. NetApp-branded hardware sold by NetApp under this Agreement, including its components and spare parts, but excluding any Third Party Branded products, and any software or firmware.

3.8. Maintenance Release. A Software release made generally available by NetApp to resolve known problems with existing versions of Software.

3.9. Order Documentation. The applicable NetApp price quotation (and/or Engagement Document, if for the purchase of professional services), corresponding Purchase Order, and associated Documentation for the Products and Services purchased or licensed hereunder.

3.10. Out-of -Scope Services. Any services which: (a) are not included in the Support Services purchased by Customer as set forth in the relevant Order Documentation, or (b) Services requested or scheduled to occur subsequent to the expiration or termination of the then current Support Services Period, or (c) Services described in Section 1.2 herein.

3.11. Patch Release. A temporary software modification developed for individual, known Software issues.

3.12. Product. NetApp Equipment, its associated Documentation, and any Third-Party Branded Products.

3.13. Purchase Order. A written or electronic order consistent with this Agreement provided to NetApp for the purchase of Products and Services.

3.14. Remote Technical Support. Telephone and web-based support

3.15. Services. The Support Services and/or Professional Services purchased under this Agreement.

3.16. Software Updates. Feature Releases, Maintenance Releases, and Patch Releases.

3.17. Support Services. NetApp's generally available technical support and maintenance services program to be provided by or on behalf of NetApp, as further described on the NetApp Support Site.

3.18. Support Services Period. The period of time specified in the Order Documentation during which NetApp will provide Support Services.

NetApp

PROFESSIONAL SERVICES TERMS

These Professional Service Terms, together with the Channel End User Terms, set forth the terms under which NetApp will provide Professional Services to Customer.

1. SCOPE OF SERVICES

1.1. Engagement Documents. NetApp will perform Professional Services for Customer in support of certain specific projects (each a "Project") pursuant to Order Documentation and upon execution of an Engagement Document between the Parties if required by NetApp.

1.2. Change Orders. Changes to the Professional Services specified in a SOW will not be effective unless a change request form has been executed by authorized representatives of both Parties ("Change Order"). If fees are owed to NetApp under a Change Order, a purchase order covering the additional or modified Professional Services will be required.

1.3. No Unique Services. Customer understands and agrees that the Professional Services are of a scalable, repeatable nature and, as such, the same or similar Professional Services have been and will continue to be provided to other NetApp customers. Therefore, notwithstanding any other provision herein or in any Engagement Document, the Professional Services hereunder are not contemplated to include any services that are unique to Customer or development activity of any kind ("Unique Services"). Should Customer desire for NetApp to provide any such Unique Services, then such Unique Services will be governed by a separate written agreement executed by and between the Parties. In no event will a SOW or other Engagement Document, under this Agreement, constitute such a separate written agreement.

1.4. No Superuser Access. Notwithstanding any other provision herein or in the Engagement Document, in no event will Customer grant to NetApp or any NetApp authorized representative root or "superuser" access at a server or network level ("Superuser Access"), and NetApp will have no responsibility or liability for loss or damage that results from or is related thereto. In the event Customer desires NetApp to perform configuration or administration services requiring Superuser Access, such services must be set forth and agreed to in writing between the Parties.

1.5. Third Party Licenses. Except where expressly stated otherwise in writing by NetApp, Customer will be solely responsible for obtaining all third party licenses necessary for NetApp to perform the Professional Services.

2. FEES. An Engagement Document or respective quote will state the fees to be paid to NetApp for Professional Services rendered and any related payment schedules. Customer's signature on the Engagement Document will indicate acceptance of the stated fees and payment schedules. No changes in fees or payment schedules will be effective absent a mutually executed Change Order. Any additional fees incorporate in a Change Order shall still be subject to the rate caps applicable to the Arrow Schedule 70 contract.

3. EXPENSES. In addition to the foregoing, if specified in an Engagement Document, Customer will pay NetApp its actual out-of-pocket expenses, including travel, as reasonably incurred by NetApp during the performance of the Professional Services.We can only pay OBM rates.

4. Duration and Expiration of Time and Material Professional Services. NetApp will provide to the Customer a NetApp Professional Services Engineer (or a NetApp-certified partner engineer), qualified at the skill level purchased by the Customer, to perform general consulting services, either onsite at a designated and mutually agreed upon Customer site, or remotely, for the total amount of hours and/or days purchased pursuant to the Customer's purchase order. Time and Materials ("T&M") Professional Services purchased as hours will be performed in minimum increments of four (4) consecutive hours. T&M Professional Services purchased as days constitute at least four (4) hours but not more than eight (8) hours of performance in a single calendar day. T&M Professional Services will be available to the Customer for one (1) year from the date NetApp receives the Customer's purchase order for the T&M Professional Services. NetApp will use commercially reasonable efforts to notify Customer of the pending expiration of the Customer's unused T&M prior to the expiration date. Upon such expiration, any unused T&M, pre-paid amounts will be credited to Customer's account.

5. SERVICES WARRANTY. NetApp warrants to Customer that, for the period of time required to perform the Professional Services, the Professional Services will be performed in a professional, workmanlike manner consistent with generally accepted industry practices. If the Professional Services materially fail to conform to this Professional Services warranty, NetApp will, as its sole obligation and Customer's exclusive remedy for breach, re-perform such Professional Services.

6. INTELLECTUAL PROPERTY. Notwithstanding anything to the contrary hereunder, each Party will retain all right, title and interest in and to its Pre-Existing IP. All deliverables to be provided hereunder will be identified in the relevant Engagement Document (the "Deliverables"). All Professional Service Materials, and all intellectual property rights therein will be and remain the sole and exclusive property of NetApp. In no event will Professional Services Materials be deemed to include Customer Pre-Existing IP or Customer Confidential Information (collectively, "Customer Materials"). Customer hereby grants NetApp a non-exclusive, worldwide, royalty-free, fully paid-up license to use Customer Materials, for the sole purpose of performing or producing the Professional Services Materials. Upon receipt of full payment of all monies due and owing under these Professional Services Terms and Conditions, NetApp hereby grants to Customer a limited, non-exclusive, non-transferable, terminable license, with no right to sublicense, to use the Professional Services Materials solely for Customer's internal business operations to the extent necessary for Customer to receive the benefit of the Deliverables and only insofar as is expressly set forth in the relevant Engagement Document. Customer will not distribute the Professional Services Materials to any third parties, and will otherwise treat the Professional Services Material as NetApp Confidential Information.

7. Termination; Remedies for Non-Payment. Customer may terminate an Engagement Document for convenience, upon thirty (30) days prior written notice. NetApp or Customer will have the right to terminate an Engagement Document if the other Party: fails to perform any material term or condition herein, including remitting payments when due, and does not remedy the failure within thirty (30) days after the receipt of written notice of such default given by the non-defaulting Party; or becomes insolvent, files, or has filed against it a petition under applicable bankruptcy or insolvency laws which is not dismissed within ninety (90) days; proposes any dissolution, composition or financial reorganization with creditors; makes an assignment for the benefit of creditors; or if a receiver, trustee or similar agent is appointed or takes possession with respect to any property or business of the defaulting Party. Such a termination will not relieve either Party from its obligations to pay the other

any sums accrued hereunder prior to such termination. At Customer's discretion, Customer may request that NetApp complete the Professional Services in progress after notice of termination, and, if NetApp elects to so perform, upon completion NetApp will be entitled to full compensation for the completion of such Professional Services.

No payment by Customer of a lesser amount than the amount of an invoice will be deemed as acceptance of payment in full, nor will any endorsement or statement on any check or letter accompanying any check or payment be deemed an accord and satisfaction, and NetApp may accept such check or payment without prejudice to NetApp's right to recover the balance of any amount due or pursue any other remedy provided for in these Professional Services Terms and Conditions, at law or in equity. Upon termination for any reason, all sums accrued hereunder prior to such termination will become immediately due. In the event of termination for convenience by Customer, such sums will include all time, materials, costs and expenses incurred or expended by NetApp under a valid Engagement Document. If Customer fails to make payment in accordance with the payment terms, then, in addition to any other available remedies, NetApp will have the right to decline to render further Professional Services to Customer.

8. DEFINITIONS

8.1. Affiliate. Any entity, directly, or indirectly through one or more intermediaries, that is controlled by, or is under common control with a Party hereunder, but only for so long as such relationship exists. For the purposes of this definition, "control" means the ability to direct its affairs and/ or to control the composition of its board of directors or ownership of more than fifty percent (50%) (or such lesser percent as may be the maximum that may be owned by foreign interests pursuant to the applicable laws of the country of incorporation) of (a) the shares of stock entitled to vote for directors in the case of a corporation; or (b) the equity or interests in profits in the case of a business entity other than a corporation.

8.2. Confidential Information. All information, whether written, oral or in any other tangible or intangible medium disclosed by or on behalf of the Disclosing Party to the Receiving Party for purposes arising out of or in connection with this Agreement, either before or after the signing of the Agreement, that (i) in the case of information in tangible form, is marked "confidential" or "proprietary" or words with similar with similar import at the time of disclosure; (ii) in the case of any information disclosed orally, visually or any other intangible form is designated "confidential" or "proprietary" at the time of disclosure, and if disclosed orally, is summarized in reasonable detail in a writing delivered to the receiving Party within thirty (30) days of disclosure; and (iii) by its nature or the circumstances surrounding disclosure, should reasonably be considered confidential or proprietary; will include any reproduction of such information in any form or medium, or any part of such information. Confidential Information will not include any information which: (a) is already known to the Receiving Party without restrictions at the time of disclosure; (b) is or becomes known to the general public through no act or omission of the Receiving Party in breach of these terms and conditions;(c) is disclosed to the Receiving Party by a third party who is not, to the knowledge of the Receiving Party, in breach of an obligation of confidentiality; or(d) is independently developed by employees and/or contractors of the Receiving Party who did not have access to and without use of the Confidential Information.

8.3. Documentation. NetApp supplied or provided user manuals, training materials, Product descriptions and specifications, technical manuals, supporting materials and other information relating to the Product and Services, whether distributed in print, electronic, CD-ROM or any other format, which may be revised, updated or replaced from time to time.

8.4. Engagement Documents. A NetApp-approved document, including but not limited to a statement of work ("SOW") or service brief ("Service Brief"), that details the entirety of NetApp's obligation with respect to the relevant Professional Services to be provided, including but not limited to scope, detailed descriptions, deliverables, milestones, deadlines, specifications and acceptance criteria, as applicable, as well as required evidence of completion of Services.

8.5. Hardware. NetApp-branded hardware sold by NetApp under this Agreement, including its components and spare parts, but excluding any Third Party Branded products, and any software or firmware.

8.6. NetApp IP. Intellectual Property owned or licensed by NetApp that are provided directly by NetApp or made available by NetApp on the Field Portal.

8.7. NetApp Partner Program. NetApp policies, programs, procedures or requirements and certain benefits Partner may be eligible to receive, as further described in one or more of NetApp's published Partner Program Guides available at NetApp's Field Portal.

8.8. Order Documentation. The applicable NetApp price quotation (and/or Engagement Document, if for the purchase of professional services), corresponding Purchase Order, and associated Documentation for the Products and Services purchased or licensed hereunder.

8.9. Pre-existing IP. IP owned by or otherwise licensed to a Party before the effective date of the Agreement.

8.10. Product. NetApp Equipment, its associated Documentation, and any Third-Party Branded Products.

8.11. Professional Services. The technical consulting services to be provided by or on the behalf of NetApp, that are not included within the scope of Support Services and are set forth in relevant Engagement Documents.

8.12. Purchase Order. A written or electronic order consistent with this Agreement provided to NetApp for the purchase of Products and Services.

8.13. Services. The Support Services and/or Professional Services purchased under this Agreement.

8.14. Support Site. The website located at http://now.netapp.com.

8.15. Trademarks. All names, domain names, marks, logos, designs, trade dress and other brand designations used by NetApp in connection with its Products and Services; the list of NetApp Trademarks is available at http://www.netapp.com/us/legal/netapptmlist.html, which may be updated from time to time.

8.16. Professional Services Materials. NetApp IP, know-how, information and/or materials used, generated, created, developed or reduced to practice, including any modifications thereof or thereto, by or for NetApp in connection with or related to the Deliverables and the Professional Services.
