Regular Strength Laundry Detergent

OPI Item #029332

For Institutional and Industrial Use

Caution - Irritant

May Cause Irritation to Eyes and Skin
Keep Out of Reach of Children
Keep Container Closed When Not In Use

Net Contents: 1,800 lbs.

Directions for Use

For normal laundry applications, use ¼ to ½ cup of this product per standard wash load in tumbler or household-type machines. Use the warmest water allowed by the fabric to be laundered. Pretreat stains with a quality stain remover. Use additional detergent where very hard water or heavily soiled fabrics are encountered. Follow manufacturer's directions on clothing for choice of water temperature and wash cycle.

Hazard Warnings & Precautions

Caution: Ingredients include Disodium Trioxosilicate (CAS #6834-92-0), alkalis and detergent builders. **Irritant**. Concentrated product, dust or solutions may cause irritation to eyes and skin. Harmful or fatal if swallowed. Avoid contact with eyes, skin or clothing. Wash thoroughly after handling. Do not take internally. Keep container closed when not in use. NEVER mix this product with anything except water. **Personal Protective Equipment:** If required to prevent contact, wear chemical safety goggles and impervious rubber gloves when using this product. **First Aid: Eye contact:** Flush eyes with plenty of water while removing any contact lenses. Rotate eyeball in all directions while flushing. Continue flushing for 15 minutes. Seek immediate medical attention. **Skin contact:** Flush affected area with plenty of water for 15 minutes. Seek medical attention if irritation persists. Remove and wash contaminated clothing before reuse. **Ingestion:** Do not induce vomiting. Immediately give large amounts of water. Never give anything by mouth to an unconscious person. Seek immediate medical attention. Consult MSDS for further information before use.

Wear rubber gloves and chemical splash goggles when using this product.
