If Strobe for Advantage Gen is used in a CICS or IMS environment, the applicable Strobe for CICS or Strobe for IMS is required. Stated prices include 12 months of maintenance with new license sales and up to 12 months of maintenance with capacity increase sales.	Each	$ 73,249.37
Strobe forAdvantageGen-1175	Compuware Corporation	Strobe forAdvantageGen-1175	Strobe for Advantage Gen: 1175 MIPS - Strobe for Advantage Gen requires Strobe MVS for Sysplex, Strobe for COBOL and Strobe for DB2. If Strobe for Advantage Gen is used in a CICS or IMS environment, the applicable Strobe for CICS or Strobe for IMS is required. Stated prices include 12 months of maintenance with new license sales and up to 12 months of maintenance with capacity increase sales.	Each	$ 73,954.66
Strobe forAdvantageGen-1200	Compuware Corporation	Strobe forAdvantageGen-1200	Strobe for Advantage Gen: 1200 MIPS - Strobe for Advantage Gen requires Strobe MVS for Sysplex, Strobe for COBOL and Strobe for DB2. If Strobe for Advantage Gen is used in a CICS or IMS environment, the applicable Strobe for CICS or Strobe for IMS is required. Stated prices include 12 months of maintenance with new license sales and up to 12 months of maintenance with capacity increase sales.	Each	$ 74,659.95
Strobe forAdvantageGen-1225	Compuware Corporation	Strobe forAdvantageGen-1225	Strobe for Advantage Gen: 1225 MIPS - Strobe for Advantage Gen requires Strobe MVS for Sysplex, Strobe for COBOL and Strobe for DB2. If Strobe for Advantage Gen is used in a CICS or IMS environment, the applicable Strobe for CICS or Strobe for IMS is required. Stated prices include 12 months of maintenance with new license sales and up to 12 months of maintenance with capacity increase sales.	Each	$ 75,365.24
Strobe forAdvantageGen-1250	Compuware Corporation	Strobe forAdvantageGen-1250	Strobe for Advantage Gen: 1250 MIPS - Strobe for Advantage Gen requires Strobe MVS for Sysplex, Strobe for COBOL and Strobe for DB2. If Strobe for Advantage Gen is used in a CICS or IMS environment, the applicable Strobe for CICS or Strobe for IMS is required. Stated prices include 12 months of maintenance with new license sales and up to 12 months of maintenance with capacity increase sales.	Each	$ 76,020.15
Strobe forAdvantageGen-1275	Compuware Corporation	Strobe forAdvantageGen-1275	Strobe for Advantage Gen: 1275 MIPS - Strobe for Advantage Gen requires Strobe MVS for Sysplex, Strobe for COBOL and Strobe for DB2. If Strobe for Advantage Gen is used in a CICS or IMS environment, the applicable Strobe for CICS or Strobe for IMS is required. Stated prices include 12 months of maintenance with new license sales and up to 12 months of maintenance with capacity increase sales.	Each	$ 76,725.44
Strobe forAdvantageGen-1300	Compuware Corporation	Strobe forAdvantageGen-1300	Strobe for Advantage Gen: 1300 MIPS - Strobe for Advantage Gen requires Strobe MVS for Sysplex, Strobe for COBOL and Strobe for DB2. If Strobe for Advantage Gen is used in a CICS or IMS environment, the applicable Strobe for CICS or Strobe for IMS is required. Stated prices include 12 months of maintenance with new license sales and up to 12 months of maintenance with capacity increase sales.	Each	$ 77,430.73
