EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the state will multiply the estimated annual usage of each item by its corresponding unit price and then add these totals together for each category. Although there will be separate category awards made, bidders are eligible to receive awards of multiple categories providing he/she is the lowest responsive and responsible bidder meeting all bid specifications and requirements listed within the categories. Failure to bid all items in a category may result in the bidder being deemed as not-responsive.									
CONTRACT AWARD: The Contract will be awarded to the lowest responsive and responsible bidder by category. Each category total will be determined by multiplying the unit price by the estimated usage listed in the bid and then adding each of the totals together to arrive at a total for each category. Failure to bid all items in a category may result in the bidder being deemed not responsive.
