STATE OF OHIO
DEPARTMENT OF ADMINISTRATIVE SERVICES
GENERAL SERVICES DIVISION
OFFICE OF PROCUREMENT SERVICES
4200 SURFACE ROAD, COLUMBUS, OH 43228-1395

MANDATORY USE CONTRACT FOR: Dyslexia Pilot Project Program

CONTRACT NUMBER: CSP905514

EFFECTIVE DATES: 12/18/13 TO 10/31/15
* Renewal through 10/31/16

The Department of Administrative Services has accepted Proposals submitted in response to Request for Proposal (RFP) No. CSP905514 that opened on 09/23/13. The evaluation of the Proposal responses has been completed. The Offeror listed herein has been determined to be the highest ranking Offeror and has been awarded a Contract for the services listed. The respective Proposal response including, Contract Terms & Conditions, any Proposal amendment, special Contract Terms & Conditions, specifications, pricing schedules and any attachments incorporated by reference and accepted by DAS become a part of this Services Contract.

This Requirements Contract is effective beginning and ending on the dates noted above unless, prior to the expiration date, the Contract is renewed, terminated, or cancelled in accordance with the Contract Terms and Conditions.

This Requirements Contract is available to the Ohio Department of Education as applicable.

The agency is eligible to make purchases of the contracted services in any amount and at any time as determined by the agency. The State makes no representation or guarantee that department will purchase the volume of services as advertised in the Request for Proposal.

This Requirements Contract and any Amendments thereto are available from the DAS Web site at the following address:

http://www.ohio.gov/procure

*Indicates contract renewal and new page 1.

Cost Summary

Dyslexia Pilot Project Evaluation
CSP905514

UNSPSC Category Code: 60100000, 86000000, 93100000

OAKS Item Code: 25574

Description	Cost
Address how early screening can impact the identification of children at risk for reading failure including those students exhibiting risk factors associated with dyslexia. 1. Monitor the completion of the screening process three times per school year per designated grade levels at each of the six (6) selected school districts and 2. Collect documentation of instruments used.	$40,613.00
Address the effects early intervention and the progress made by students identified through screening. 1. Review screening results of the mid-year and spring screening for the selection of students for intervention; note how screening data was used to determine students who may need Tier 2 interventions; and how these data were used to determine the student's specific reading deficits in order to match the intervention with the student's specific needs. 2. Complete and submit a written report for years 2 & 3 that summarizes the screening and intervention process for each pilot district;	$40,613.00
Evaluate the effectiveness of screening tools and interventions selected by the school district. Provide data for screening and early intervention results and recommendations for the most reliable instrument(s). 1. Obtain copies/templates of all notifications sent to parents regarding: 1) District participation in the DPP; 2) Screening results and the selection of their child to participate in the DPP and Tier 2 intervention(s); 3) Progress Monitoring reports, including the frequency; 4) how parent(s) are informed of satisfactory progress and their child's return to Tier 1; or 5) Need for further evaluation or Tier 3 intervention. 2. Review the screening results and discuss with district personnel decisions made for the selection of students for intervention.	$31,179.00
Preparation and presentation of a formal face-to-face written final report in electronic and reproducible format. (Provided by July 1, 2014 for the second year and July 1, 2015 for the third year of the contract. 1. Provide data to demonstrate which cohort(s) made significant gains in student progress for identified students over three years. 2. Provide guidance to ODE about how early identification of students at risk for reading failure including those students exhibiting risk factors associated with dyslexia can be incorporated into a three tier instructional model.	$12,595.00
Total fixed cost	$125,000

All costs must be in U.S. Dollars.

All Offerors who seek to be considered for a contract award must submit the above information in the format specified. The Original Cost Summary must be included in a separate, sealed envelope/package labeled on the exterior as "Cost Proposal" with the RFP Number and due date.
