CONTRACT CLARIFICATION**

Clarification. This contract was awarded to provide services as needed for both the CLOSER Program as established in ORC 3734.281 and the Construction and Demolition Debris (C&DD) Facility Ground Water Monitoring Program as established in ORC 3714.071. Funds collected under ORC 3734.281 are for the Director's use in remediating open dumps, orphaned landfills, or closed landfills that pose a substantial threat to public health, safety or the environment. Funds collected under ORC 3714.071 are for the Director's use to make a determination whether a significant threat to public health, public safety or the environment exists due to impacts to ground waters from C&DD facility-derived constituents. In both programs, sites and tasks will be selected on the basis of funding availability and Ohio EPA's priority ranking systems.
