MUTUALLY AGREED UPON EXCEPTIONS TO THE STANDARD TERMS AND CONDITIONS

AFFIXATION OF INSIGNIA AND PATCHES: The prices in this contract do not include the affixation of insignia and/or patches to garments. If at a point in the future the Agency determines it is necessary for the Contractor to affix patches and/or insignia to garments, the Contractor, DAS and the Ohio Department of Rehabilitation and Correction (ODRC) will determine prices for that service.

ORDER PLACEMENT AND DELIVERY: The prices in this contract apply to orders for garments which are summed at the location (institution) level by the ordering Agency and placed for delivery directly to the institution. The contractor will pick orders in bulk and ship them directly to the ordering institution for distribution by the institution to individual security officers. Prices in this contract do not include the picking of individual orders by wearer or the delivery of orders to any address other than the wearer's workplace (ODRC institution).

At a point in the future during the life of this contract, the Agency may determine to move to order placement and delivery by or to individual security staff. At that time the Contractor, DAS and ODRC will determine additional pricing necessary for the Contractor to provide that service.

\* Patch affixation charges removed and inseam lengths specified for items 27266 and 27267 per amendment #3, effective 10/19/15.
