SPECIFICATIONS FOR LABORATORY SERVICES cont'd

A. Price Schedule:

1. Price Schedule contains a listing of tests and volumes performed for the using agency in calendar year 2012. Prices for all services contained in Scope of Services, unless otherwise noted, shall be price based on standard laboratory CPR (Cost per Reportable) test prices.

B. Billing:

1. Each month the Contractor must submit a single detailed invoice, subtotaled by facility, to the DOH. Invoices must be submitted electronically via EDI.
2. The contractor will verify Medicaid eligibility unless otherwise requested.

C. Additional Requirements:

1. Laboratory results performed by a subcontractor or independent laboratory are to be priced and interfaced to the using agency through the awarded contractor.
2. The awarded Contractor shall remove all waste generated by this service.
3. The DOH reserves the right to modify or delete its facility locations with thirty (30) day notice, without additional cost or expense to the agency by the Contractor.
4. All contracted staff shall abide by Agency policies, procedures, rules and regulations.

IV. SCOPE OF SERVICES

A. Core Service Requirements are the minimum requirements that are requested by the Ohio Department of Health to provide basic Human Diagnostic Laboratory Services.

1. Services shall include timely pick-up and delivery of specimens for all using agencies, Monday through Friday excluding ten (10) state holidays. Using agencies will establish pickup and drop off times at each respective facility. Pickup and delivery to be included in the CPR test unit price. An average of (3) three pickups, per site per week.
2. The Contractor is to provide accurate reporting to ordering facility within a maximum of two (2) working days for all tests.
3. Contractor must have policies and procedures in place when a sample is lost or otherwise mishandled by staff or courier. Bidder to supply a copy of their current policy and procedures with its bid. If the bidder's policies and procedures are not provided with the bid submission the bidder will have five (5) calendar days in which to provide them once they have been requested by the Office of Procurement Services. Failure to provide them within five (5) calendar days may deem your bid not responsive.
4. Contractor shall provide all necessary supplies and equipment to perform necessary services to include but not limited to:
 - a. Furnishing and delivery of all supplies for specimen collection, including any administration supplies and transportation material.
 - b. All test results, both positive and negative, to submitting clinics within two (2) working days from specimen receipt via currently acceptable reporting practices.
 - c. Positive test results to the DOH within five (5) working days after obtaining a positive test result, according to Ohio Administrative Code 3701-3.
 - d. Coordinate with the DOH Information Technology staff to report laboratory data electronically via the Electronic Laboratory Reporting system using accepted industry format standard (e.g., HL7).
5. The Contractor shall have back up procedures to deliver reports in a timely manner by other means, such as hard copies delivered when specimens are picked up, should the primary method for reporting fail.
6. Contractor will be responsible for training of all using agencies necessary medical personnel on contractor's policies and procedures.

* Indicates the approval of Medicaid eligibility review.
