MANDATORY USE CONTRACT FOR: EMERGENCY MEDICAL AMBULANCE SERVICES

CONTRACT No.: OT900712

EFFECTIVE DATES: 07/01/11 to 06/30/13
Renewal through 06/30/14

The Department of Administrative Services has accepted bids submitted in response to Invitation to Bid (ITB) No. OT900712 that opened on 06/01/11, ITB OT904612 that opened on 12/23/11 and ITB OT904712 that opened on 02/15/12, including the [Terms and Conditions for Bidding, Standard Contract Terms and Conditions, and Supplemental Contract Terms and Conditions](#), and ITB OT900214 that opened on 04/01/13, including the [Terms and Conditions for Bidding, Standard Contract Terms and Conditions, and Supplemental Contract Terms and Conditions](#). The evaluation of the bid response(s) has been completed. The bidder(s) listed herein have been determined to be the lowest responsive and responsible bidder(s) and have been awarded a contract for the items(s) listed. The respective bid response, special contract terms & conditions, any bid addenda, specifications, pricing schedules and any attachments incorporated by reference and accepted by DAS become a part of this Requirements Contract.

This Requirements Contract is effective beginning and ending on the dates noted above unless, prior to the expiration date, the Contract is renewed, terminated or cancelled in accordance with the Contract Terms and Conditions.

This Requirements Contract is available to Department of Rehabilitation and Correction, 770 W. Broad St., Columbus, OH 43222, as applicable.

Agencies are eligible to make purchases of the listed supplies and/or services in any amount and at any time as determined by the agency. The State makes no representation or guarantee that agencies will purchase the volume of supplies and/or services as advertised in the Invitation to Bid.

SPECIAL NOTE: State agencies may make purchases under this Requirements Contract up to \$2500.00 using the state of Ohio payment card. Any purchase that exceeds \$2500.00 will be made using the official state of Ohio purchase order (ADM-0523). Any non-state agency, institution of higher education or Cooperative Purchasing member will use forms applicable to their respective agency.

Questions regarding this and/or the Requirements Contract may be directed to:

* Kellie Johnson

Robert Blair, Director Date

REFERENCES REQUIRED: Each bidder is to submit with the bid a listing of three (3) references with whom you have in the previous three (3) years or are currently providing ambulance services. Name, address and telephone number of each reference must be included.

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the State will multiply all of the institution's estimated annual usages of a one-way trip by its corresponding unit price. For the Ambulette service, for evaluation purposes only, the State will multiply the price per mile times the amount of 100 miles. These figures will be added together for a total institution price. The Contract will be awarded to the lowest responsive and responsible bidder meeting all bid specifications and requirements as listed herein. Failure to bid all items for an institution may deem your bid not-responsive.

CONTRACT AWARD: The contract will be awarded to the lowest responsive and responsible bidder by institution.

* **CONTRACT RENEWAL:** The Contract may be renewed for one (1) month at the State's option. Additionally, this Contract may be renewed, by agreement, for any number of times for any period of time under the same prices, terms and conditions stated herein. The cumulative total of all renewals by agreement may not exceed four (4) years. The cumulative total of all renewals by agreement may not exceed three (3) years for the following locations: Franklin Medical Center Zone A and B, Corrections Reception Center, Dayton Correctional Institution, Hocking Correctional Institution, Marion Correctional Institution and Pickaway Correctional Institution awarded under ITB No. OT900214 dated 04/01/13.

FIXED-PRICE WITH ECONOMIC ADJUSTMENT: The contract prices(s) will remain firm for the first twelve (12) months duration of the contract. Thereafter, the Contractor may submit a request to increase their price(s) to be effective thirty (30) calendar days after acceptance by DAS. No price adjustment will be permitted prior to the effective date of the increase received by the Contractor from his suppliers, or on purchase orders that are already being processed, or on purchase orders that have been filled and are awaiting shipment. If the Contractor receives orders requiring quarterly delivery, the increase will apply to all deliveries made after the effective date of the price increase.

The price increase must be supported by a general price increase in the cost of the finished supplies, due to increases in the cost of raw materials, labor, freight, Workers' Compensation and/or Unemployment Insurance, etc. Detailed documentation, to include a comparison list of the contract items and proposed price increases, must be submitted to support the requested increase. Supportive documentation should include, but is not limited to: copies of the old and the current price lists or similar documents which indicate the original base cost of the product to the Contractor and the corresponding increase, and/or copies of correspondence sent by the Contractor's supplier on the supplier's letterhead, which contain the above price information and explains the source of the increase in such areas as raw materials, freight, fuel or labor, etc.

Should there be a decrease in the cost of the finished product due to a general decline in the market or some other factor, the Contractor is responsible to notify DAS immediately. The price decrease adjustment will be incorporated into the contract and will be effective on all purchase orders issued after the effective date of the decrease. If the price decrease is a temporary decrease, such should be noted on the invoice. In the event that the temporary decrease is revoked, the contract pricing will be returned to the pricing in effect prior to the temporary decrease. For quarterly deliveries, any decrease will be applied to deliveries made after the effective date of the decrease. Failure to comply with this provision will be considered as a default and will be subject to Provision I.C. "Termination/Suspension" and Provision II. of the "Contract Remedies:" of the "Standard Contract Terms and Conditions".

USAGE REPORTS: Every six (6) months the Contractor must submit a report (written or on disk) indicating sales generated by this contract. The report shall list usage by customer, by line item, showing the quantities/dollars generated by this contract. The report shall be forwarded to the Office of Procurement Services, 4200 Surface Rd., Columbus, OH 43228-1395, Attn: Kellie Johnson.

USE OF SOCIAL SECURITY NUMBERS AS FEDERAL TAX IDENTIFICATION NUMBERS: The Department of Administrative Services (Department) requires vendors and contractors wishing to do business with the State to provide their Federal Taxpayer Identification Number to the Department. The Department does this so that it can perform statutorily required "responsibility" analyses on those vendors and contractors doing business with the State and, under limited circumstances, for tax reporting purposes. If you are a vendor or contractor using your Social Security Number as your Federal Taxpayer Identification Number, please be aware that the information you submit is a public record, and the Department may be compelled by Ohio law to release Federal Taxpayer Identification Numbers as a public record. If you do not want to have your Social Security Number potentially disclosed as a Federal Taxpayer Identification Number, the Department encourages you to use a separate Employer Identification Number (EIN) obtained from the United States Internal Revenue Service's to serve as your Federal Taxpayer Identification Number.
