PRICE SCHEDULES & CONTRACTORS INDEX

A. INTRASTATE COMMODITY TRANSFERS

Contractor shall submit a Bid for the intrastate transfer of commodities to other State agency contracted warehouses. Such transfers may be required from time to time in order to balance inbound USDA shipping requirements with receipt agency demand. The pricing shall be stated for the following: Intrastate Transfer per Truckload Trip bid price, a Intrastate Transfer per Half-truckload Trip bid price and a Intrastate Transfer Backhaul Trip bid price. The Contractor shall bill / invoice the State agency the amounts for any such transfers. The USDA case quantities per transfer may vary depending on the commodity items being requested to be transferred. Transfer requests may result in partial truckloads. Note: Each transfer must be reviewed to determine which costing method is to be utilized based upon the lesser of the Intrastate Transfer per Truckload Trip bid price, the Intrastate Transfer per Half-truckload Trip bid price and the Intrastate Transfer Backhaul Trip bid price. The Intrastate Transfer Backhaul Trip Bid Price shall be less than the Intrastate Transfer Truckload Trip Cost or the Intrastate Transfer Half-truckload Trip Cost. When invoicing, the monthly invoice shall have a line item on the invoice for Intrastate Transfer Truckload Trip(s), an invoice line item for Intrastate Transfer per Half-truckload Trip(s) and an invoice line item for Intrastate Transfer Backhaul Trip.

BID PRICE – Intrastate Transfer Truckload Trip Charge - two way shipment (round trip) including one hour dock time for loading / unloading.
