SPECIAL CONTRACT TERMS AND CONDITIONS (cont.)

MONTHLY PRICE ADJUSTMENT: Contractor(s) shall review contract milk prices on a monthly basis, based on the United States Department of Agriculture (USDA) Announcement of Advanced Prices and Pricing Factors for the applicable milk market order number. Contract pricing shall be adjusted on a monthly basis. Contractor(s) shall submit price adjustments to the Office of Procurement Services within ten (10) days of announcement of same by USDA, with adjusted prices becoming effective on the 15th day of the following month. If bidder conditions the bid response by indicating that price changes will not be submitted monthly unless milk prices have changed by a certain amount, the bid response may be deemed not responsive.

Bidder should submit to the Office of Procurement Services, with their bid response, a copy of the formula the bidder will be using to determine price adjustments for dairy products during the period of any term contract issued pursuant to this bid. The formula shall not include any estimated figures. No change in the price adjustment formula shall be permitted during the contract period.

Contractor(s) shall submit price adjustments to the Office of Procurement Services as stated above. If the price adjustment due date falls on a Saturday, Sunday, or a state holiday, adjusted pricing is due the first business day thereafter. A list showing the current and the new price, as well as the amount of the adjustment for that month, for each item for each institution the contractor is providing product shall be submitted with the price adjustment request.

Price adjustment shall be approved for the amount of change demonstrated by utilization of contractor's formula for adjustment, in accordance with pricing shown on USDA Announcement of Advanced Prices and Pricing Factors and any rate changes per cwt by producer marketing organizations (e.g. Dairy Farmers of America), as utilized in contractor's formula. Price adjustment based on factors other than changes shown on the USDA Announcement of Advanced Prices and Pricing Factors and/or rate changes by producer marketing organizations shall be permitted at the sole discretion of the Administrator of the Office of Procurement Services and requests for same shall be accompanied by supporting documentation deemed sufficient by the Office of Procurement Services.

The first price change for the contract shall be effective for all deliveries made on or after June 15, 2010. The price change shall be based on the difference between the last USDA Announcement of Advanced Prices and Pricing Factors issued prior to bid opening and that issued on or about May 22, 2010. Subsequent price changes shall be effective the 15th of each month, as specified above. Price change documentation is due in accordance with time guidelines specified herein.

Although computation of monthly price adjustments may be accomplished by use of more than three digits after the decimal point, the figure showing the monthly adjustment amount for each product and the contract unit price for all products shall have no more than three digits after the decimal point. Any unit price adjustments submitted having more than three digits after the decimal point shall be rounded down if the fourth digit is less than 5, and up if the fourth digit is 5 or greater.

USAGE REPORTS: Every three (3) months the contractor must submit a report (written or on disk) indicating sales generated by this contract. The report shall list usage by customer, by line item, showing the quantities/dollars generated by this contract. The report shall be forwarded to the Office of Procurement Services, 4200 Surface Road, Columbus, Ohio 43228-1395, Attn: Jennifer Shaefer. *

* Denotes change in contract analyst with Amendment 35.
