REQUIREMENTS (Cont'd.)

P. The maximum service response time, for on-site maintenance is the maximum time before a certified factory-trained technician appears on-site and is fully prepared to affect all of the necessary repairs. That response time shall not exceed four (4) hours from the time that the Department and/or agency and/or Cooperative Purchasing Program member places the call to the Contractor's repair office.

► Q. The Contractor shall be responsible for collecting meter reads from each copier/printer site. Standard meter reading procedures will be acceptable for this contract (E-mail, Web or Fax). SPD networked units may utilize Auto Meter Read, if available. The first placement month (regardless of install date) shall only include charges for actual copies made. The 2nd thru the 37th placement month (equals total of 3 years or 36 months) shall be billed at minimum or higher.

R. The Contractor shall be responsible for the distribution of supplies to each copier/printer location to ensure adequate amounts of supplies are always on hand for individual locations.

S. Although the units and accessories will be installed on the state agency and/or Cooperative Purchasing Program member's premises, the state agency and/or Cooperative Purchasing Program member shall be relieved from risk of loss or damage during the period of transportation, installation, and during the entire time the equipment is in the possession of the state agency and/or Cooperative Purchasing Program member (except when loss or damage is due to fault or negligence by the state agency and/or Cooperative Purchasing Program member). If damage or loss occurs to the installed equipment caused by negligence or willful act by the state agency and/or Cooperative Purchasing Program member, reimbursement will be made as follows:

1. The Contractor shall submit an invoice and a written damage or loss evaluation/claim to the state agency and/or Cooperative Purchasing Program member's Purchasing Department.
2. If the damaged equipment can be repaired, the Contractor will invoice the state agency and/or Cooperative Purchasing Program member at the Contractor's lowest current price rates for parts and labor .
3. If a machine needs to be replaced, the state agency and/or Cooperative Purchasing Program member's Purchasing Department will negotiate with the Contractor to arrive at the depreciated value of the replaced unit.

T. Submission of Invoices shall be as follows:

1. All invoices must show the beginning and ending meter read; and total copies printed during the invoicing period.
2. The billing period will be based on the state's FY quarters as follows:
July 1 – September 30, October 1 – December 31, January 1 – March 31, April 1 – June 30.
3. Invoices must be received by State Printing not later than the 10th working day of the month following the quarter.
4. All invoices must show the placement code number.
5. All invoices must show the unit cost and total cost.
6. All invoices for state agency customers shall bill to and be sent electronically to State Printing.
- 7. The first placement month (regardless of install date) shall only include charges for actual copies made. The 2nd thru the 37th placement month (equals total of 3 years or 36 months) shall be billed at minimum or higher.
8. Bill to: State Printing for state agency users; direct to Cooperative Purchasing Program members (except for Cooperative Purchasing Program members that have requested assistance from State Printing and for whom State Printing has placed the order).
- 9. Contract Number must be listed on each invoice.
10. Contractor must use invoicing format to be provided by State Printing.
11. Pro-rating on invoices is not allowed.
- 12. Machines placed after October 1, 2009 must be billed for 36 full months and actual copies for the first placement month.

► Specification updated per Amendment No. 5 dated 10/23/09.
