SPECIFICATIONS AND REQUIREMENTS (continued)

D. Shipping Papers and Waste Manifest:

1. The Contractor(s) will be required to prepare treatment shipping papers, and if the owner of the disposal treatment facility, the Contractor will furnish a waste manifest.
2. The Contractor must supply a copy of the treatment shipping papers to each facility upon pick-up of infectious waste.
3. Upon treatment of waste, the Contractor will be required to provide a waste manifest to each facility which indicates that the waste has been properly treated.
4. The Contractor may combine information for both the shipping papers and waste manifests on one (1) form.
5. Both the shipping papers and waste manifest must be retained by the Contractor(s) for a minimum of three (3) years, properly completed, signed, and dated in accordance with the rules and regulations in Section 3745-27-33 of the Ohio Administrative Code.

E. Transportation:

1. The Contractor(s) must have all motor vehicles, used to transport infectious waste, registered with the Ohio EPA. The State may require this documentation as part of the award process.
2. The Contractor(s) must transport all infectious waste to a treatment facility holding an operating license under Division (B) of Section 3734.05 of the Ohio Revised Code (ORC), to a treatment facility authorized by Division (C) (6) of Section 3734.021 of the ORC or a facility in another state in compliance with State and Federal Regulations. The State may require this documentation as part of the evaluation/award process.
3. The Contractor(s) must deliver infectious waste from a generating facility to a treatment facility within ten (10) calendar days of pick-up.
4. The Contractor(s) must meet all applicable Federal Motor Carrier Safety Regulations under 49 CFR.
5. Contractor(s) must, in their cost per pound Bid, include all required services and transportation costs.

B. Addition of New Facilities After Contract Award:

New facilities may be added to the Contract after award using the awarded Contractor's bid rates for the pick-up frequency and estimated volume for the particular region that the facility is located in.

IV. INSTITUTIONAL REQUIREMENTS: The following table (Table 1) provides the estimated yearly requirements for current facilities under the Contract. The data in this table is not a guarantee of service levels, but will be used for evaluation purposes only.

SUMMARY OF AMENDMENTS

| Amendment Number | Revision Date | Description |
|------------------|---------------|---|
| 3 | 10/05/13 | This amendment is issued to assign Enviro-Medical's portion of the Contract to Stericycle due to acquisition effective 10/05/13. Additionally, new service sites were added to the Contract. |
| 2 | 01/25/13 | This amendment is issued to add Tiffin Developmental Center, Northwest Developmental Center, Southwest Developmental Center, Ohio Department of Agriculture and the Franklin County Correction Centers I and II to the Contract effective 01/25/13. |
| 1 | 12/15/12 | This amendment is issued to: remove North Central Correctional Institution due to privatization; remove Montgomery Education and Pre-Release Center due to closing; remove Correctional Medical Center and Franklin Pre-Release due to merger into Franklin Medical Center; add Franklin Medical Center due to merger of Correctional Medical Center and Franklin Pre-Release. Additionally, the Contract will reflect that Gallipolis Developmental Ctr. has a no cost agreement with a local hospital for waste disposal. |
