SPECIFICATION (Cont'd.)

3. The using agency is required, when overtime (pre-approved) is to be paid, to attach to each temporary service employee's time sheet a copy of the pre-approval signed by an authorized representative of the Office of Procurement Services. Any requests for overtime pay not accompanied by a copy of the pre-approval will not be honored by the State.
- *M. The Contractor will pay the temporary personnel within five (5) working days after submitting a signed time sheet to the Contractor. Note payment is required to be made within 5 days of the timesheet(s) being submitted. If the contractor requires that the timesheet(s) are submitted on a weekly basis, then payment is required within 5 days of the weekly submission. Furthermore, if the contractor requires that the timesheet(s) are submitted bi-weekly basis (every two weeks) then payment is required within 5 days of the bi-weekly submission (every two weeks).
- N. The Contractor(s) will be responsible for the temporary personnel's federal and state payroll requirements up to, but not limited to, payroll taxes, payroll reports and Workers' Compensation.
 - O. The Contractor(s) will not charge the state of Ohio placement fees if a temporary employee is selected for a full time position with the state of Ohio through the state's selection process.
 - P. The temporary service Contractor will bond employees as directed by the using agency. The fee for this service will be borne by the using agency.
 - Q. Due to the proprietary nature of proof of efficiency testing materials, the Contractor will make available to the state, during a Contractor site visit, copies of the tests used to determine the efficiency of those temporary service personnel the Contractor will furnish to the using agencies for the positions contained herein. The state representatives will not remove or copy any of the presented data.
 - R. Subcontracting: Only the Contractor will perform the work, and the Contractor will not enter into subcontracts for the work without written approval from the Office of Procurement Services. If subcontracting is permitted, all subcontracts will be at the sole expense of the Contractor. If the State authorizes the use of subcontractors, that fact will be noted in the contract. The State's approval of the use of subcontractors does not mean that the State will pay for them. The Contractor will be solely responsible for payment of its subcontractor and any claims of subcontractors' for any failure of the Contractor or any of its other subcontractors to meet the performance schedule or performance specifications for the work in a timely and professional manner. The Contractor will hold the State harmless for and will indemnify the State against any such claims. Further, the State will consider the Contractor to be the sole point of contact with regard to contractual matters, including payment of all charges resulting from the contract. The Contractor will be fully responsible for any default by a subcontractor, just as if the Contractor itself had defaulted. If the Contractor uses any subcontractors', each subcontractor must have a written agreement with the Contractor. That written agreement must incorporate this contract by reference. The agreement must also pass through to the subcontractor all provisions of this contract that would be fully effective only if they bind both the subcontractor and the Contractor. Among such provisions are the limitations on the Contractor's remedies, the insurance requirements, record keeping obligations, and audit rights. Should the Contractor fail to pass through any provisions of this contract to one of its subcontractors' and the failure damages the State in any way, the Contractor will indemnify the State for the damage.
 - S. Contractors may not share commonly held temporary personnel resource pools. Not adhering to this specification may result in immediate disqualification of the bid submittal or cancellation of any subsequent contract to said bidder.
 - T. There may be instances in which the temporary personnel will be required to work in close proximity to inmates or patients. The Contractor must be able to furnish temporary personnel to all types of state agencies, such as correctional facilities, hospitals, etc.

IV. TEMPORARY PERSONNEL

These duties are illustrative only. Staff may perform some or all of these duties or other job-related duties as assigned.

- A. A description of each position can be found by clicking this link: [OPEN POSITION DESCRIPTIONS](#). These descriptions are for reference purposes only and the actual duties may vary.
