RFP Response Clarifications:

Based on Medical Resource Group's letter dated May 12, 2010, the state of Ohio is agreeable to modification of the required AMA Guides training, with MRG's agreement to include to BWC, as part of the examination report, the completed AMA form developed by MRG utilized by the examining provider during the examination process. This allows for additional assurance that the physician performing the examination has actual knowledge of the 5th Edition of the AMA Guides and provides evidence of the provider's utilization of The Guides in their Permanent Partial Disability determination.
