DEPARTMENT OF ADMINISTRATIVE SERVICES
GENERAL SERVICES DIVISION
OFFICE OF PROCUREMENT SERVICES
4200 SURFACE ROAD, COLUMBUS, OH 43228-1395

OPTIONAL USE CONTRACT FOR: BUILDING IMPROVEMENT PROJECTS FOR \$2000.00 OR LESS

CONTRACT No.: RS900413

EFFECTIVE DATES: 07/01/12 to 06/30/14

The Department of Administrative Services has accepted bids submitted in response to Invitation to Bid No. RS900413 that opened on 05/09/12. The evaluation of the bid response(s) has been completed. The bidder(s) listed herein have been determined to be the lowest responsive and responsible bidder(s) and have been awarded a contract for the items(s) listed. The respective bid response, including the Terms and Conditions for Bidding, Standard Contract Terms and Conditions, and Supplemental Contract Terms and Conditions, special contract terms & conditions, any bid addenda, specifications, pricing schedules and any attachments incorporated by reference and accepted by DAS become a part of this Requirements Contract.

This Requirements Contract is effective beginning and ending on the dates noted above unless, prior to the expiration date, the Contract is renewed, terminated or cancelled in accordance with the Contract Terms and Conditions.

This Requirements Contract is available to all State Agencies, State institutions of higher education and properly registered members of the Cooperative Purchasing Program of the Department of Administrative Services, as applicable.

Agencies are eligible to make purchases of the listed supplies and/or services in any amount and at any time as determined by the agency. The State makes no representation or guarantee that agencies will purchase the volume of supplies and/or services as advertised in the Invitation to Bid.

SPECIAL NOTE: State agencies may make purchases under this Requirements Contract up to \$2500.00 using the state of Ohio payment card. Any purchase that exceeds \$2500.00 will be made using the official state of Ohio purchase order (ADM-0523). Any non-state agency, institution of higher education or Cooperative Purchasing member will use forms applicable to their respective agency.

Questions regarding this and/or the Requirements Contract may be directed to:

SPECIAL CONTRACT TERMS AND CONDITIONS

AMENDMENTS TO CONTRACT TERMS AND CONDITIONS: The following Amendments to the Contract Terms and Conditions do hereby become a part hereof. In the event that an amendment conflicts with the Contract Terms and Conditions, the Amendment will prevail.

MINORITY SET ASIDE: It is necessary for the participating agency to purchase the supplies or services from a certified Minority Business Enterprise to meet the requirements of Ohio Revised Code Section 125.081. The aggregate value of the amount of these purchases exempted from this Contract, for purposes of Revised Code Section 125.081, will not exceed fifteen percent (15%) of the aggregate value of the Contract.

COOPERATIVE PURCHASING CONTRACT: This Contract may be relied upon by Ohio institutions of higher education and Ohio political subdivisions. Ohio political subdivisions include any county, township, municipal corporation, school district, conservancy district, township park district, park district created under Chapter 1545 of the Revised Code, regional transit authority, regional airport authority, regional water and sewer district, port authority or any other political subdivision as described in the Ohio Revised Code.

To qualify to use this Contract the political subdivision must be currently enrolled in the State's Cooperative Purchasing Program. Purchases made from this Contract by a political subdivision that is not properly registered with the State's Cooperative Purchasing Program will be a violation of law and may be contrary to the political subdivision's competitive bidding requirements. If a political subdivision or institution of higher education relies upon this Contract to issue a purchase order or other ordering document, the political subdivision or institution of higher education "steps into the shoes" of the State under this Contract. The political division's or institution of higher education's order and this Contract are between the Contractor and the political subdivision or institution of higher education. The Contractor must look solely to the political subdivision or institution of higher education for performance, including payment. The Contractor agrees to hold the State of Ohio harmless with regard to political subdivisions and institution of higher education's orders and political subdivision's and institution of higher education's performance. DAS may cancel this Contract and may seek remedies if the Contractor fails to honor its obligations under an order from a political subdivision or institution of higher education.

SUBCONTRACTING: The awarded Contractor shall be solely responsible for the Contract. Subcontracting by the Contractor shall not be permitted without prior approval by the State. On a per project basis, the Contractor shall clearly identify which requirements are subcontracted and identify the subcontracting company, the responsible business contacts therein, and the specific detail of the subcontracted work to be performed. No Contractor shall engage a subcontractor for work on State property or projects without the prior written approval of the Site Facility Manager or authorized designee.

DELIVERY AND ACCEPTANCE: Services will be performed as set forth in the Contract and in accordance with paragraphs S-8, S-9, and S-10 of the SUPPLEMENTAL CONTRACT TERMS AND CONDITIONS. The location of performance will be noted on the purchase order issued by the participating agency. Payment for services rendered will occur upon the inspection and written confirmation by the ordering agency that the services provided conform to the requirements set forth in the Contract. Unless otherwise provided in the Contract, payment shall be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

LIQUIDATED DAMAGES: In the event that an awarded Contractor fails to perform within the timeframe specified by the Contract and/or purchase order, the agency will contact the Contractor to determine when the purchase order will be fulfilled. If the Contractor cannot fulfill the purchase order requirements within a timeline acceptable to the agency, the agency may procure like-kind supplies/services from another resource and invoice the Contract provider for the full additional amount charged by the third party provider. Invoices for said liquidated damages must be deducted from subsequent Contractor invoices prior to payment by the agency.

Under these damage recovery provisions, the agency may: (1) elect to procure any portion of the original order from another source; and/or (2) charge the Contractor for any difference in cost for the service/merchandise procured; and/or (3) cancel any portion of the original order without Contractor penalty. Also reference Supplemental Contract Terms and Conditions, Article S-9, Time of Delivery, and Standard Contract Terms and Conditions, Section II, Contract Remedies.

USAGE REPORTS: Every six (6) months the Contractor must submit a report (written or on disk) indicating sales generated by this Contract. The report shall list usage by customer, by line item, showing the quantities/dollars generated by this Contract. The report shall be forwarded to the Office of Procurement Services, 4200 Surface Road, Columbus, OH 43228-1395, Attn: Gail Harper.

SPECIAL CONTRACT TERMS AND CONDITIONS

BUSINESS REFERENCES: All Bidders shall submit with their Bid, a list of at least three (3) companies and/or organizations with which they have had recent (within two [2] years) building improvement service contracts. This list shall include the name and phone number of a contact person who will be familiar with the Bidder's job performance and also the dates when the service was performed. The State may elect to verify the Bidder's experience based upon the list of business references submitted and any other sources which the State deems appropriate.

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions, Terms and Conditions for Bidding".

Low lot total will be determined by multiplying Estimated Hours by Price per Hour for Standard Work Hours (Weighted 90%) and then multiply Estimated Hours by Price per Hour for Non-Standard Work Hours (Weighted 10%) with the exception of the Painters category. Painters will have Estimated Hours by Price per Hour for Standard Work Hours (Weighted 10%) and then multiply Estimated Hours by Price per Hour for Non-Standard Work Hours (Weighted 90%). All totals will be added together to arrive at a low lot total for all items.

Example for all positions except Painter: (Estimated Hours for Finish Carpenter 600 x Price per Hours for Standard Work Hours \$25 x Weight 90%) + (Estimated Hours for Finish Carpenter 600 x Price per Hour for Non-Standard Work Hours \$35 x Weight 10%) = \$15,600.

Ten (10) Estimated Hours will be used for the evaluation for all Districts except District 6.

Bidders can elect to bid on one (1) or more Districts. Each District will be awarded separately. Failure to Bid all items within a District will result in Bidder disqualification.

CONTRACT AWARD: The Contract will be awarded by District to the lowest responsive and responsible Bidder by low lot total.

FIXED-PRICE WITH ECONOMIC ADJUSTMENT: The contract prices(s) will remain firm for the first twelve (12) months duration of the contract. Thereafter, the Contractor may submit a request to increase their price(s) to be effective thirty (30) calendar days after acceptance by DAS. No price adjustment will be permitted prior to the effective date of the increase received by the Contractor from his suppliers, or on purchase orders that are already being processed, or on purchase orders that have been filled and are awaiting shipment. If the Contractor receives orders requiring quarterly delivery, the increase will apply to all deliveries made after the effective date of the price increase.

The price increase must be supported by a general price increase in the cost of the finished supplies, due to increases in the cost of raw materials, labor, freight, Workers' Compensation and/or Unemployment Insurance, etc. Detailed documentation, to include a comparison list of the contract items and proposed price increases, must be submitted to support the requested increase. Supportive documentation should include, but is not limited to: copies of the old and the current price lists or similar documents which indicate the original base cost of the product to the Contractor and the corresponding increase, and/or copies of correspondence sent by the Contractor's supplier on the supplier's letterhead, which contain the above price information and explains the source of the increase in such areas as raw materials, freight, fuel or labor, etc.

Should there be a decrease in the cost of the finished product due to a general decline in the market or some other factor, the Contractor is responsible to notify DAS immediately. The price decrease adjustment will be incorporated into the contract and will be effective on all purchase orders issued after the effective date of the decrease. If the price decrease is a temporary decrease, such should be noted on the invoice. In the event that the temporary decrease is revoked, the contract pricing will be returned to the pricing in effect prior to the temporary decrease. For quarterly deliveries, any decrease will be applied to deliveries made after the effective date of the decrease. Failure to comply with this provision will be considered as a default and will be subject to Provision I.C. "Termination/Suspension" and Provision II. of the "Contract Remedies:" of the "Standard Contract Terms and Conditions".

EDGE Certification: The Office of Procurement Services has identified those Contractors who were E.D.G.E. certified at the time of award of the Contract. It is possible that a Contractor's certification status may change during the term of the Contract. Agencies should refer to the Equal Opportunity Division website at <http://www.das.ohio.gov/eod/mbesearch/edgeindex.asp> to verify E.D.G.E. Certification status of the Contractor.

SPECIAL CONTRACT TERMS AND CONDITIONS

BACKGROUND CHECKS: A complete and thorough background check, at the agency's expense, will be performed on all persons employed by the Contractor for this Contract. An extensive investigation will be conducted by the Ohio Highway Patrol prior to assignment of Contractor staff to the Contract locations.

1. Criteria for personnel record checks: Background checks will be performed to determine if current or potential employees of the Contractor have any type of convictions in the following areas:
 - a) Any record of violence, domestic or otherwise;
 - b) Drug-related convictions,
 - c) Theft.
2. Those Contractor employees or potential Contractor employees with felony convictions or other criminal records, unless specifically approved by the agencies, will not be permitted to be employed at the Contract locations.

MATERIAL SAFETY DATA SHEET: The Contractor shall provide a Material Safety Data Sheet (MSDS) for any hazardous chemical that he brings onto the facility property for the performance of this Contract. The MSDS shall verify the Contractor's compliance with OSHA's Hazard Communications Standard 29 CFR 1910.1200. The MSDS shall be given to the facility contact person prior to use of the hazardous chemical on the facility property.

OHIO UTILITIES PROTECTION: By law, everyone must contact the Ohio Utilities Protection Service (1-800-362-2764), at least 48 hours but no more than 10 working days (excluding weekends and legal holidays) before beginning any digging project (see Ohio Revised Code sections 3781.25 to 3781.32).

CONSTRUCTION LAW: All work performed under this Contract is subject to the applicable limitations set forth in Section 153 of the Ohio Revised Code.

WARRANTY: All work performed by the Contractor must be warranted free from defects and poor workmanship for one calendar year from completion date. In the event that warranty failures are documented, the Contractor will remedy with appropriate action.

RENTAL EQUIPMENT: The Contractor must receive written prior approval from the Agency/Facility Services Manager authorizing use of rental equipment and the number of days it will be used. In order to be reimbursed, the Contractor must provide a bill or invoice from the rental company designating the cost and time frame of the rental. Contractor agrees to assume all responsibility and agrees to indemnify and hold the agency harmless for any and all claims, actions, damages, or losses which may be brought for any claim arising from, or in connection with, operation of said rental equipment by the Contractor.

NOTICE ON THE USE OF SOCIAL SECURITY NUMBERS AS FEDERAL TAX IDENTIFICATION NUMBERS: The Department of Administrative Services (Department) requires vendors and Contractors wishing to do business with the State to provide their Federal Taxpayer Identification Number to the Department. The Department does this so that it can perform statutorily required "responsibility" analyses on those vendors and Contractors doing business with the State and, under limited circumstances, for tax reporting purposes. If you are a vendor or Contractor using your Social Security Number as your Federal Taxpayer Identification Number, please be aware that the information you submit is a public record, and the Department may be compelled by Ohio law to release Federal Taxpayer Identification Numbers as a public record. If you do not want to have your Social Security Number potentially disclosed as a Federal Taxpayer Identification Number, the Department encourages you to use a separate Employer Identification Number (EIN) obtained from the United States Internal Revenue Service's to serve as your Federal Taxpayer Identification Number.

SPECIAL CONTRACT TERMS AND CONDITIONS

CONTRACTOR QUARTERLY SALES REPORT: The Contractor must report the quarterly dollar value (in U.S. dollars and rounded to the nearest whole dollar) of the sales, to include both state agencies and political subdivisions, under this Contract by calendar quarter (e.g. January-March, April-June, July-September and October-December). The dollar value of the sale is the price paid by the Contract user for the products and/or services listed on the purchase order or other encumbering document, as recorded by the Contractor.

The Contractor will receive an email with a User ID and password and must report the quarterly dollar value of sales to the Department of Administrative Services (DAS) via the Internet using the web form at the Ohio DAS Contract Management Contractor Portal, <https://cm.ohio.gov/>. If no sales occur, the Contractor must show zero. The report must be submitted thirty (30) days following the completion of the reporting period. The Contractor is responsible for emailing the Analyst listed on page one of the contract with any company contact changes.

The Contractor shall also submit a close-out report within one hundred and twenty (120) days after the expiration of this Contract. The Contract expires upon the physical completion of the last outstanding task or delivery order of the Contract. The close-out report must cover all sales not shown in the final quarterly report and reconcile all errors and credits. If the Contractor reported all contract sales and reconciled all errors and credits on the final quarterly report, then the Contractor should show zero "0" sales in the close-out report.

The Contractor must forward the Quarterly Sales Report to the following address:

Department of Administrative Services
GSD Business Office
4200 Surface Road
Columbus, OH 43228

If the Contractor fails to submit sales reports, falsifies reports or fails to submit sales reports in a timely manner, DAS may suspend, terminate or cancel this Contract.

CONTRACTOR REVENUE SHARE: The Contractor must pay the Department of Administrative Services (DAS) a revenue share of the sales transacted under this contract. The Contractor must remit the revenue share in U.S. dollars within thirty (30) days after the end of the quarterly sales reporting period. The revenue share equals 0.75% of the total quarterly sales reported. Contractors must include the revenue share in their prices. The revenue share is included in the award price(s) and reflected in the total amount charged to ordering agencies which includes both state agencies and political subdivisions using this Contract.

The contractor must remit any monies due as the result of the close-out report at the time the close-out report is submitted to DAS. The Contractor must pay the revenue share amount due by check. To ensure the payment is credited properly, the Contractor must identify the check as a "Revenue Share" and include the Ohio Contract Management Remittance Report

The Contractor should make the check payable to: Treasurer, State of Ohio and forward the check to the following address:

Department of Administrative Services
GSD Business Office
4200 Surface Road
Columbus, OH 43228

If the full amount of the revenue share is not paid within thirty (30) calendar days after the end of the applicable reporting period, the non-payment constitutes a contract debt to the State. The State may either initiate withholding or setting off payments or employ the remedies available under Ohio law for the non-payment of the revenue share.

If the Contractor fails to pay the revenue share in a timely manner, DAS may suspend, terminate or cancel this Contract.

EXECUTIVE ORDER 2011-12K: Governing the Expenditure of Public Funds for Offshore Services. See Standard Affirmation and Disclosure Form.

GENERAL SPECIFICATIONS

I. SCOPE

This is a Non-Mandatory use Contract available to All State Agencies and Cooperative Purchasing Members. The Ohio Department of Public Safety will begin using this Contract upon inception.

The purpose of this Contract is to provide all labor, tools, equipment, incidentals and supervision required in the performance of the public improvement needs that may be required. All work shall be in accordance with the specifications, terms and conditions contained herein.

This Contract is for jobs totaling \$2000.00 or less. The work may include, but is not limited to, the following: painting of interior walls, patching plaster and drywall, installation and removal of cove base, dismantling, rearranging and reassembly of de-mountable wall systems, installation or relocation of cloth partitions, installation and repair of windows, installation of electrical circuits, electrical and plumbing repairs and installations, welding and fabrication of steel as required, repair and installation of suspended ceilings, relocation and/or reconfiguration of furniture (including modular furniture) and office equipment within buildings, drywall installation, rough and finish carpentry, dismantling or construction of metal and/or wood stud-walls with gypsum board or other specified materials, repair of concrete floors, curbs, sidewalks and driveways, installation and removal of carpeting, installation and removal of commercial doors, door hardware and doorframes, and minor roof, downspout and gutter repair. This Contract is intended for building improvements required by agencies that are conceptually separate and unrelated to each other, or that encompass independent and unrelated needs.

This building improvement Contract is for a number of site locations as stipulated above. It is imperative that the Bidder awarded a contract be capable of fielding more than one improvement team simultaneously. Planning will alleviate many anomalies that may occur among known tasks that have to be accomplished. However, it is impossible to ascertain beforehand the exact nature of the task for all projects that may occur and thus the skill set(s) that might be required for a particular team to accommodate a given project.

The Bidder awarded a contract for this building improvement initiative must have access to personnel assets, and/or have a personnel base that can accommodate no less than the fielding of three teams simultaneously, two of which may be assigned to similar tasks. Team size will depend upon the nature of the project to be accomplished. Historically, team sizes have varied from one (1) person for minor building/fixture repair, to seven (7) persons for concrete repairs. Each individual project will not be in excess of the current prevailing wage threshold levels for (Repair) or (New Construction).

Except for painting, all work under this Contract is intended to be completed between the hours of 8:00 A.M. to 5:00 P.M., Monday thru Friday. Most painting projects will be done at times other than 8:00 A.M. to 5:00 P.M., Monday thru Friday. Work during times other than these hours or days of the week must be prearranged. There is a chance that emergency services will be needed.

There is no guarantee that the Contractor will be called for work.

This Contract will be awarded by District. A Bidder may Bid one or more Districts, but must Bid all positions within a District.

II. PROCESS OVERVIEW

The following requirements must be met by the Contractor upon notification by the agency of a required project:

- A. Twenty four (24) hour response time from first notification by the agency to schedule a walk-thru for a specific project.
- B. Five (5) day response from date of walk-thru to present a written job plan which shall include:
 1. Estimated material list
 2. Estimated start date
 3. Estimated completion date
 4. A list of what trades shall be on the job
 5. Project schedule if required by the agency
 6. Prepare scope and develop work project concepts based upon specific project requirements with the agency personnel for review by Facility Management
 7. Estimated project cost which must have separate line items for labor and materials and include an itemized bill of materials

GENERAL SPECIFICATIONS (Cont'd.)

8. Coordinate a minimum of three (3) material cost proposals as requested by Agency
9. When requested and approved by the agency, use of an on-the-job supervisor
10. Site preparation plan when required by the agency
11. Site cleanup and disposal plan when required by the agency

Note: All materials, supplies and parts etc. that become a part of the finished project will be paid for by the agency. All unused items are the property of the agency and shall be left at the work site, cleaned up and stored properly in a place designated by the agency.

III. GENERAL REQUIREMENTS

A. Payroll records

Payroll records kept in accordance with Ohio Revised Code, Section 4115.07, shall be open to inspection of authorized representatives of the Agency's Director. Upon completion of the work and prior to the final payment, the Contractor shall submit an affidavit stating that wages have been paid in conformance with the minimum rates set forth in the Contract for construction of the project. Records for prevailing and non-prevailing wage work must be segregated.

B. Work Commencement

Contractor shall not commence work without prior approval of work order either verbal or written as directed by the agency.

C. Background Checks and Submittal requirements

The Contractor will be required to provide employee background information for security checks. All employees must sign-in and sign-out during work performed as a verification of man-hours spent on each project. All background checks must be submitted and approved prior to the Contract employee start date. All Contractor personnel must conform to applicable agency work rules.

Bidders will have five (5) working days, upon notification from Procurement Services, to submit a list of employees who will be assigned to the contract location and all replacement employees who may be used in case of sickness, vacations, and turnover. Failure to provide required documentation within five (5) working days may deem your Bid non-responsive and no further consideration for potential award will be given. Bidders should submit a quantity of names that accounts for attrition in the personnel record check process. Each individual check may take up to at least two weeks for completion.

Bidders must identify the number of individuals needed to begin the Contract and said number must be approved from the list of employees submitted above within three weeks after notification from Procurement Services.

D. Quality of Work

Work is to be performed by properly trained personnel and shall conform to the best professional standards, including clean-up at the end of each work session.

E. Operational Personnel

Bidder shall indicate below the names of operational personnel with the authority to make decisions. Indicate their phone number, fax number, e-mail address. These individuals must be available during the hours that building improvement services are being performed. Constant communication must be maintained between the Contractor and the agency contact person. The agency may provide on-site supervisor/designee with two-way radio as a standard form of "on site" communication. If Bidder has more than one contact person, duplicate table below as necessary.

GENERAL SPECIFICATIONS (Cont'd.)

F. Invoices

The Contractor will invoice within 30 days of completing project.

G. Guarantee

All work and completed projects shall be guaranteed for a minimum period of twelve (12) months for workmanship.

H. Clean-up

Clean-up must be performed on a daily basis. The Contractor must place or dispose of materials in agency provided locations and/or dumpsters. If the project requires a separate dumpster, it is the responsibility of the Contractor to secure the dumpster at an agency approved site. The cost of the dumpster will be a line item in the project proposal.

I. Permits

Permits may be required for various projects and the responsibility may be assigned to the Contractor and/or the agency. When such responsibility is assigned to the Contractor, the cost will be itemized in the project proposal.

J. Floor plans

The agency will provide project and floor plans as required. The Contractor may be requested to assist in plan development.

K. Immediate Emergency response

Immediate emergency response for the following listed trades shall be within four (4) hours of notification: plumber, roofer, journeyman electrician, and carpenter.

The measurement will be; time of call to time of sign-in. Failure to meet the immediate emergency response provision shall result in late arrival charges equal to twice the hourly rate quoted, for the particular trade required, for each hour past the required within-four-hours response time. If the Contractor is requested during Standard Hours then Standard Hours rates will apply. If the Contractor is requested during Non Standard Hours then Non Standard Hours rates will apply.

L. Licenses

The Contractor must comply with all federal, state, and local licensing requirements. Copies of licenses may be required during Bid evaluation. Failure to provide these documents may deem your bid as not responsive.

IV. SPECIFIC REQUIREMENTS

A. Painting and Wall Repair Statement of Work

The Contractor will provide painting and wall repair services in accordance with standard trade practices, terms and conditions. The Contractor must verify square footage of each job on the site. The Contractor will provide all tools, equipment and expendable items that are required to perform the work. Paint will be supplied by the agency. If specialized equipment is needed by the Contractor arrangements must be made with the agency for reimbursement of costs. All work will fall outside regular working hours daily 8 A.M. to 5 P.M., Monday thru Friday, unless otherwise requested. The building will be available on weekends for painting work. Any work that is to be performed during normal work hours must be scheduled and agreed upon with the facility manager. The agency intends to provide all paint materials required by the Contractor.

B. When requested by the agency, the Contractor will provide "As Built" (Red Line) Drawings on completed projects.

C. Coordination of work, of those trades involved in each project (regardless of contractual obligations), will be the responsibility of the Contractor.

D. The Contractor will provide a documented safety plan with each project.

THE OHIO DEPARTMENT OF PUBLIC SAFETY (ODPS) SPECIFICATIONS

Items I. thru III. are specific to Public Safety. All other Specifications, Terms and Conditions listed elsewhere in this Contract also apply.

I. SERVICE LOCATIONS FOR ODPS - ALL CURRENT LOCATIONS ARE IN DISTRICT 6
