**MULTIPLE AWARD CONTRACT:** This bid is issued to establish a Multiple Award Contract (MAC). A MAC is a contract made with more than one supplier of the same or similar types of supplies or services at varying prices for delivery within the same geographic area. The state's obligations under a MAC are subject to the Ohio Controlling Board's continuing authorization to use the MAC program authorizing the use of Multiple Award Contracts. By the signature affixed to Page 1, of this Bid, the Bidder certifies that it is currently in compliance and will continue to adhere to the requirements of the Ohio Ethics Law, Ohio Revised Code Section 102.04. The Bidder affirms that, as applicable to the Bidder, no party listed in Ohio Revised Code Section 3517.13 (I) or (J) or spouse of such party has made, as an individual, within the two previous calendar years, one or more contributions totaling in excess of \$1,000.00 to the Governor or to his campaign committees.

Ohio political subdivisions include any county, township, municipal corporation, school district, conservancy district, township park district, park district created under Chapter 1545 of the Revised Code, regional transit authority, regional airport authority, regional water and sewer district, port authority or any other political subdivision as described in the Ohio Revised Code. To qualify to use this Contract the political subdivision must be currently enrolled in the State's Cooperative Purchasing Program. Purchases made from this Contract by a political subdivision that is not properly registered with the State's Cooperative Purchasing Program will be a violation of law and may be contrary to the political subdivision's competitive bidding requirements. If a political subdivision or institution of higher education relies upon this Contract to issue a purchase order or other ordering document, the political subdivision or institution of higher education "steps into the shoes" of the State under this Contract. The political division's or institution of higher education's order and this Contract are between the Contractor and the political subdivision or institution of higher education. The Contractor must look solely to the political subdivision or institution of higher education for performance, including payment. The Contractor agrees to hold the state of Ohio harmless with regard to political subdivisions and institution of higher education's orders and political subdivision's and institution of higher education's performance. DAS may cancel this Contract and may seek remedies if the Contractor fails to honor its obligations under an order from a political subdivision or institution of higher education.

**CONTRACTOR QUARTERLY SALES REPORT:** The Contractor must report the quarterly dollar value (in U.S. dollars and rounded to the nearest whole dollar) of the sales, to include both state agencies and political subdivisions, under this Contract by calendar quarter (e.g. January-March, April-June, July-September and October-December). The dollar value of the sale is the price paid by the Contract user for the products and/or services listed on the purchase order or other encumbering document, as recorded by the Contractor.

**SPECIAL CONTRACT TERMS AND CONDITIONS (continued)**

The Contractor will receive an email with a User ID and password and must report the quarterly dollar value of sales to the Department of Administrative Services (DAS) via the Internet using the web form at the Ohio DAS Contract Management Contractor Portal, <https://cm.ohio.gov/>. If no sales occur, the Contractor must show zero. The report must be submitted thirty (30) days following the completion of the reporting period. The Contractor is responsible for emailing the Analyst listed on page one of the contract with any company contact changes.

The Contractor shall also submit a close-out report within one hundred and twenty (120) days after the expiration of this Contract. The Contract expires upon the physical completion of the last outstanding task or delivery order of the Contract. The close-out report must cover all sales not shown in the final quarterly report and reconcile all errors and credits. If the Contractor reported all contract sales and reconciled all errors and credits on the final quarterly report, then the Contractor should show zero "0" sales in the close-out report.

The Contractor must forward the Quarterly Sales Report to the following address:

Department of Administrative Services  
GSD Business Office  
4200 Surface Road  
Columbus, OH 43228

If the Contractor fails to submit sales reports, falsifies reports or fails to submit sales reports in a timely manner, DAS may suspend, terminate or cancel this Contract.

**CONTRACTOR REVENUE SHARE:** The Contractor must pay the Department of Administrative Services (DAS) a revenue share of the sales transacted under this contract. The Contractor must remit the revenue share in U.S. dollars within thirty (30) days after the end of the quarterly sales reporting period. The revenue share equals 0.75% of the total quarterly sales reported. Contractors must include the revenue share in their prices. The revenue share is included in the award price(s) and reflected in the total amount charged to ordering agencies which includes both state agencies and political subdivisions using this Contract.

The contractor must remit any monies due as the result of the close-out report at the time the close-out report is submitted to DAS. The Contractor must pay the revenue share amount due by check. To ensure the payment is credited properly, the Contractor must identify the check as a "Revenue Share" and include the Ohio Contract Management Remittance Report

The Contractor should make the check payable to: Treasurer, State of Ohio and forward the check to the following address:

Department of Administrative Services  
GSD Business Office  
4200 Surface Road  
Columbus, OH 43228

If the full amount of the revenue share is not paid within thirty (30) calendar days after the end of the applicable reporting period, the non-payment constitutes a contract debt to the State. The State may either initiate withholding or setting off payments or employ the remedies available under Ohio law for the non-payment of the revenue share.

If the Contractor fails to pay the revenue share in a timely manner, DAS may suspend, terminate or cancel this Contract.

**AUTHORIZED STOCKING DISTRIBUTOR:** For consideration for any awards, all bidders responding to this bid must be stocking distributors of the manufacturer(s) whose product(s) they are quoting. Bidders shall submit, with their bid, a letterhead statement from the manufacturer attesting to this compliance element. Failure to submit the manufacturer's letterhead statement with the bid may deem your bid not responsive and no further consideration for award shall be given.

**EVALUATION:** Bids will be evaluated in accordance with Article I-17 of the "Instructions, Terms and Conditions for Bidding". The basis for award of each Category will be the cost-per-copy price including the cost of the required accessories for the 36 month rental period.

**CONTRACT AWARD:** The contract will be awarded to the lowest responsive and responsible bidder by category of product. Failure to bid all items may result in the bidder being deemed not responsive. A maximum of three (3) awards will be made per category. To be considered for award, a bidder must offer a printer/copier device and the required accessories for each category quoted, and must quote on networked version in that category for the 36 month rental term. Where two or more bidders offer the same brand name for a category, the contract will be awarded to the bidder offering the lowest prices per copy for that brand. Bidders may quote one or more categories. Only one (1) manufacturer's brand may be awarded per category.

### **SPECIAL CONTRACT TERMS AND CONDITIONS (continued)**

**AGENCY CERTIFICATION:** The agency purchasing from this contract will be required to execute a certification prior to acquiring the use of a copier/printer under these terms and conditions. The certification will require the agency to acknowledge that the agency understands and agrees to the conditions precedent of the contract. These conditions include meeting the minimum number of copies required per month and participating in the use of the copier/printer for the required period of time (3 years). Failure to comply with either condition will result in increased cost to the agency including the possibility of additional costs per copy being applied retroactively. A 6 (six) month review of device volume will be conducted to ensure the proper machine is placed.

**ACCESSORIES FOR QUOTED UNITS:** In addition to quoting the base unit for a category with the required accessories, bidders shall also quote on the available accessories for that unit. Accessories shall be priced on a cost-per-copy basis for both black and white and color copies. Accessory pricing will be part of the bid evaluation. Failure to quote accessories for a Category as part of their bid response may deem the bidder not responsive for that Category. Although a required list of accessories is provided, bidders shall quote on additional accessories to be considered for inclusion with their base unit. The sole decision whether to include these additional accessories will be left to the discretion of the DAS Copier Program Manager.

**TEST REPORTS:** If Buyers Laboratory Inc. (BLI) has tested the equipment quoted, the resulting status is to be "recommended". Bidder should include a copy of the BLI Test Report(s) with the bid.

**DELIVERY AND ACCEPTANCE:** Services will be performed as set forth in the Contract and in accordance with paragraphs S-8, S-9, and S-10 of the SUPPLEMENTAL CONTRACT TERMS AND CONDITIONS. The location of performance will be noted on the Memorandum of Understanding (MOU) issued by DAS. Payment for services rendered will occur upon the inspection and written confirmation by the ordering agency that the services provided conform to the requirements set forth in the Contract. Unless otherwise provided in the Contract, payment shall be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

**MANDATORY-USE CONTRACT:** Use of this contract will be mandatory for those state Agencies who decide to purchase cost-per-copy services.

**USE OF PAYMENT CARD NOT AUTHORIZED:** The use of the state of Ohio payment card is not authorized for purchases under this Contract.

**RENTAL TERM:** The rental term for printer/copier devices acquired through this Contract shall be 36 months. Prior to the end of the rental term, the customer will be contacted by the Copier Program Manager or his designee to determine the customer's intent. If an Agency dissolves, is privatized, or ceases to exist, then the 36 month rental term shall be terminated at the end of the Agency's existence unless both parties agree to continue the rental term.

**DUPLICATE COPIES:** In addition to the original bid response, each bidder shall submit one duplicate copy of their bid. The duplicate copy must be sealed, properly identified with the appropriate bid number and submitted as part of the original bid response. Copies submitted by electronic media (e.g. disk, CD's) are acceptable; however, a separate disk or CD must be submitted for each duplicate copy and must be contained in a sealed envelope with the proper bid number listed on the exterior. Failure to furnish the additional copies shall deem the bidder not responsive.

**FIRM FIXED-PRICE CONTRACT:** The contract is a Firm Fixed-Price Contract. The Contractor(s) is required to provide to the using agency supplies or services at the listed price(s) for the duration of the contract.

Should there be a decrease in the cost of the finished product due to a general decline in the market or some other factor, the Contractor is responsible to notify DAS immediately. The price decrease adjustment will be incorporated into the contract and will be effective on all purchase orders issued after the effective date of the decrease. If the price decrease is a temporary decrease, such should be noted on the invoice. In the event that the temporary decrease is revoked, the contract pricing will be returned to the pricing in effect prior to the temporary decrease. For quarterly deliveries, any decrease will be applied to deliveries made after the effective date of the decrease. Failure to comply with this provision will be considered as a default and will be subject to Provision I.C. "Termination/Suspension" and Provision II. of the "Contract Remedies:" of the "Standard Contract Terms and Conditions".

Only all-inclusive cost-per-copy bids will be considered; other pricing methods shall result in the rejection of your bid.

State Printing will add a \$.0025 to each cost per click to the state agencies who use this contract. This fee will be added to what was originally submitted with each awarded Contractor's pricing.

D. All print devices furnished under this Contract shall be digital and new (still in the box), and in current production. Successful Contractors shall have the capability to provide network connection of print devices using the same digital units provided on the Contract.

#### **Z. Memorandum of Understanding – Terms**

The state agency receiving this equipment for use acknowledges and agrees that they are fully responsible for payment of the cost-per-copy services under this agreement.

1. The state agency receiving this equipment for use acknowledges that the term of the contract rental period is for three (3) years.
  2. The state agency receiving this equipment for use further acknowledges that should they opt out of this contract prior to the fulfillment of the three (3) year contract rental period they will be required to pay the amount equal the monthly minimum cost per copy usage for the remaining months of the three (3) year contract and agrees to the payment of these additional costs should they terminate this agreement prior to the three (3) year period. The only way this would not apply is if the Agency dissolves, becomes privatized, or ceases to exist.
  3. The state agency receiving this equipment for use acknowledges that the cost-per-copy price is based on a minimum monthly usage and that failure to use the copier to this minimum usage will result in a reduced savings. The state agency will be billed for at least the monthly minimum and any overages as applicable.
  3. The state agency receiving this equipment for use agrees to work with and through the DAS Offices of State Procurement and State Printing and Mail Services to reconcile cost-per-copy services with the purchasing state agency's actual usage. The above represents the agency understanding as to the process to be utilized in the purchasing of cost-per-copy services and the respective responsibilities of the state agency and contractor. The person affixing their signature below acknowledges that they have the authority to sign this agreement on behalf of the state agency and that the person fully understands and acknowledges the terms of this agreement.
  4. If an Agency dissolves, becomes privatized, or ceases to exist, the rental will be terminated at the end of the Agency's existence and the machine will be taken back by the Contractor free of charge.
- AA. All models offered must be able to have the ability to consistently erase the data override or be able to eliminate the data at the end of the 36 month rental term. This must be provided and all costs associated with this feature must be included in the cost-per-copy charge in the pricelist.
- BB. Any time there is a need for a machine to be moved the Agency needs to contact the Contractor and work out the details of the move, and then notify State Printing as to which machine is moving and the new location of the machine. The contractor must bill the Agency directly when there is a request to move a machine.
