AMENDMENTS TO CONTRACT TERMS AND CONDITIONS: The following Amendments to the Contract Terms and Conditions do hereby become a part hereof. In the event that an amendment conflicts with the Contract Terms and Conditions, the Amendment will prevail.

DELIVERY AND ACCEPTANCE: Services will be performed as set forth in the Contract and in accordance with paragraphs S-8, S-9, and S-10 of the SUPPLEMENTAL CONTRACT TERMS AND CONDITIONS. The location of performance will be noted on the purchase order issued by the participating agency. Payment for services rendered will occur upon the inspection and written confirmation by the ordering agency that the services provided conform to the requirements set forth in the Contract. Unless otherwise provided in the Contract, payment shall be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

DELIVERY: Uniforms and other apparel, mat and dust control items, towels and any other item(s) listed in this contract shall be delivered on the schedule and at intervals required by each location using the services provided under this contract. Some contract users do not require mat and/or dust control services during some months of the year. These locations must notify the contractor in writing of the months such services are and are not required. There will be no charge to the using location during periods of non-use.

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". DAS will multiply the Estimated Changes per Week times (X) the Bid Price per Change for each item in Categories A, B, and C, and then add these totals together to determine the total cost per week for all items. DAS will then multiply the resulting total by 52 (weeks) to obtain each Bidder's estimated annual cost. DAS will then multiply the Bidder's replacement cost for each item times the item's estimated Loss Quantity per year and total the estimated annual loss cost for all items for each Bidder. DAS will then add the annual cost for rental of all items to the estimated annual cost for loss to obtain the total annual estimated cost per Bidder. Failure to bid all items in this Bid may result in a Bidder being deemed not responsive.

CONTRACT AWARD: A Contract will be awarded to the lowest responsive and responsible bidder by Low Lot Total Cost. Failure to bid all items in this Bid may result in a Bidder being deemed not responsive.

DESCRIPTIVE LITERATURE: The Bidder should submit descriptive literature of the supplies or services being offered as part of their Bid Response. The literature will be used in the evaluation process to determine the lowest responsive and responsible Bidder. If not provided as part of the Bid Response, the Bidder shall provide said literature within seven (7) calendar days after request/notification by the Office of Procurement Services to do so. Any references, that may appear in the descriptive literature, that may alter the terms and conditions and specifications of the Bid (e.g. F.O.B. Shipping Point or Prices Subject to Change), will not be part of any Contract and will be disregarded by the State of Ohio. Failure of the Bidder to furnish descriptive literature either as part of their Bid Response or within the time specified herein will deem the Bidder not responsive.

PRODUCT SAMPLES: The Bidder should submit samples of the supplies being offered as part of their Bid Response. Samples may include examples of name or other custom patches and/or embroidery as applicable. The samples will be used in the evaluation process to determine the lowest responsive and responsible Bidder. Failure to provide the samples within the stated time period will result in the Bidder being deemed not responsive. After award of the Contract, the samples will be retained by the State and used as a basis of comparison with actual product delivered under Contract. Any variation between the samples and product being delivered will be considered as an event of default. Any variation between the samples and actual product being delivered that are due to manufacturer changes may be acceptable but shall require prior written approval from DAS.

Shipping Point or Prices Subject to Change, or any other Charge(s) not specifically mentioned in this bid or subsequent Contract awarded pursuant to this Bid will be disregarded by the State of Ohio.

TRANSPORTATION CHARGES: The Contractor will be responsible for all transportation charges incurred in the delivery of materials and/or services specified in this Bid and resulting Contract.

SUBMISSION OF INVOICES: Invoices shall be submitted to the location serviced on a bi-weekly or monthly basis as required by the serviced location Using Agency Designated Authority. The Contractor shall submit a "proper invoice", unless otherwise requested by the ordering agency, in triplicate, directly to the ordering agency indicated on the purchase order/request. A "proper invoice" is defined as being free from defects, discrepancies, errors, or other improprieties and shall include, but may not be limited subject to individual agency requirements to:

- 1) exact Contractor's name and address as listed on the Contract;
- 2) exact remittance address as listed on the Contract;
- 3) exact purchase order or purchase request number assigned by the agency;
- 4) exact description, quantity, unit price, total price, etc. as appears on the purchase order or purchase request and on this contract.

Upon receipt of a "proper invoice", payment, subject to the foregoing provision and, unless otherwise stated in the Bid/Contract, payment shall be made in accordance with the payment terms of this Contract. "Improper invoices" shall be returned to the Contractor noting areas of discrepancy. When an invoice is returned, the required payment date will be thirty (30) days from the day of receipt of the corrected "proper invoice".

FIXED-PRICE WITH ECONOMIC ADJUSTMENT: The Contract prices(s) will remain firm for the first six (6) months duration of the Contract. Thereafter, the Contractor may submit a request to increase their price(s) to be effective thirty (30) calendar days after acceptance by DAS. No price adjustment will be permitted prior to the effective date of the increase received by the Contractor from his suppliers, or on purchase orders that are already being processed, or on purchase orders that have been filled and are awaiting shipment. If the Contractor receives orders requiring quarterly delivery, the increase will apply to all deliveries made after the effective date of the price increase.

The price increase must be supported by a general price increase in the cost of the finished supplies, due to increases in the cost of raw materials, labor, freight, Workers' Compensation and/or Unemployment Insurance, etc. Detailed documentation, to include a comparison list of the Contract items and proposed price increases, must be submitted to support the requested increase. Supportive documentation should include, but is not limited to: copies of the old and the current price lists or similar documents which indicate the original base cost of the product to the Contractor and the corresponding increase, and/or copies of correspondence sent by the Contractor's supplier on the supplier's letterhead, which contain the above price information and explains the source of the increase in such areas as raw materials, freight, fuel or labor, etc.

Should there be a decrease in the cost of the finished product due to a general decline in the market or some other factor, the Contractor is responsible to notify DAS immediately. The price decrease adjustment will be incorporated into the Contract and will be effective on all purchase orders issued after the effective date of the decrease. If the price decrease is a temporary decrease, such should be noted on the invoice. In the event that the temporary decrease is revoked, the Contract pricing will be returned to the pricing in effect prior to the temporary decrease. For quarterly deliveries, any decrease will be applied to deliveries made after the effective date of the decrease. Failure to comply with this provision will be considered as a default and will be subject to Provision I.C. "Termination/Suspension" and Provision II. of the "Contract Remedies:" of the "Standard Contract Terms and Conditions".

SPECIAL CONTRACT TERMS AND CONDITIONS

COOPERATIVE PURCHASING CONTRACT: This Contract may be relied upon by Ohio institutions of higher education and Ohio political subdivisions. Ohio political subdivisions include any county, township, municipal corporation, school district, conservancy district, township park district, park district created under Chapter 1545 of the Revised Code, regional transit authority, regional airport authority, regional water and sewer district, port authority or any other political subdivision as described in the Ohio Revised Code. To qualify to use this Contract the political subdivision must be currently enrolled in the State's Cooperative Purchasing Program. Purchases made from this Contract by a political subdivision that is not properly registered with the State's Cooperative Purchasing Program will be a violation of law and may be contrary to the political subdivision's competitive bidding requirements. If a political subdivision or institution of higher education relies upon this Contract to issue a purchase order or other ordering document, the political subdivision or institution of higher education "steps into the shoes" of the State under this Contract.

The political division's or institution of higher education's order and this Contract are between the Contractor and the political subdivision or institution of higher education. The Contractor must look solely to the political subdivision or institution of higher education for performance, including payment. The Contractor agrees to hold the State of Ohio harmless with regard to political subdivisions and institution of higher education's orders and political subdivision's and institution of higher education's performance. DAS may cancel this Contract and may seek remedies if the Contractor fails to honor its obligations under an order from a political subdivision or institution of higher education.

CONTRACTOR QUARTERLY SALES REPORT: The Contractor must report the quarterly dollar value (in U.S. dollars and rounded to the nearest whole dollar) of the sales, to include both state agencies and political subdivisions, under this Contract by calendar quarter (e.g. January-March, April-June, July-September and October-December). The dollar value of the sale is the price paid by the Contract user for the products and/or services listed on the purchase order or other encumbering document, as recorded by the Contractor.

The Contractor will receive an email with a User ID and password and must report the quarterly dollar value of sales to the Department of Administrative Services (DAS) via the Internet using the web form at the Ohio DAS Contract Management Contractor Portal, <https://cm.ohio.gov/>. If no sales occur, the Contractor must show zero. The report must be submitted thirty (30) days following the completion of the reporting period.

The Contractor shall also submit a close-out report within one hundred and twenty (120) days after the expiration of this Contract. The Contract expires upon the physical completion of the last outstanding task or delivery order of the Contract. The close-out report must cover all sales not shown in the final quarterly report and reconcile all errors and credits. If the Contractor reported all contract sales and reconciled all errors and credits on the final quarterly report, then the Contractor should show zero "0" sales in the close-out report.

The Contractor must forward the Quarterly Sales Report to the following address:

Department of Administrative Services
GSD Business Office
4200 Surface Road
Columbus, OH 43228

If the Contractor fails to submit sales reports, falsifies reports or fails to submit sales reports in a timely manner, DAS may terminate or cancel this Contract.

CONTRACTOR REVENUE SHARE: The Contractor must pay the Department of Administrative Services (DAS) a revenue share of the sales transacted under this contract. The Contractor must remit the revenue share in U.S. dollars within thirty (30) days after the end of the quarterly sales reporting period. The revenue share equals 0.75% of the total quarterly sales reported. Contractors must include the revenue share in their prices. The revenue share is included in the award price(s) and reflected in the total amount charged to ordering agencies which includes both state agencies and political subdivisions using this Contract.

The contractor must remit any monies due as the result of the close-out report at the time the close-out report is submitted to DAS. The Contractor must pay the revenue share amount due by check. To ensure the payment is credited properly, the Contractor must identify the check as a "Revenue Share" and include the Ohio Contract Management Remittance Report.

SPECIAL CONTRACT TERMS AND CONDITIONS

The Contractor should make the check payable to: Treasurer, State of Ohio and forward the check to the following address:

Department of Administrative Services
GSD Business Office
4200 Surface Road
Columbus, OH 43228

If the full amount of the revenue share is not paid within thirty (30) calendar days after the end of the applicable reporting period, the non-payment constitutes a contract debt to the State. The State may either initiate withholding or setting off payments or employ the remedies available under Ohio law for the non-payment of the revenue share.

If the Contractor fails to pay the revenue share in a timely manner, DAS may terminate or cancel this Contract.

USAGE REPORTS: In addition to the Contractor Quarterly Sales Report above, every six (6) months the Contractor must submit a report (written or on disk or electronically in Excel format) indicating sales generated by this Contract. The report shall list usage by customer, by line item, showing the quantities/dollars generated by this Contract. The report shall be forwarded to the Office of Procurement Services, 4200 Surface Road, Columbus, OH 43228-1395, Attn: Walt Schneider, walter.schneider@das.state.oh.us

STIPULATED WEIGHTS AND BLENDS: Where a weight is referenced, whether on a per square or linear yard of material or per piece or package of an item basis, the weight shall be considered the minimum acceptable weight. Where blends of material are referenced, such as "50/50 Polyester/Cotton" or "88/12 Nylon/Lycra" such blend shall be a reference point. Minor variations from the stated blend will be considered. [A minor variation will generally be within +/- 10% of the stated blend.] If multiple blends are referenced for a product, these shall constitute the minimum and maximum acceptable range, with no variation above or below the range.

EXCEPTIONS: Any exceptions to the specifications in this bid must be explicitly detailed in the bidder's response. Exceptions will not disqualify a bidder's response, except in cases where specifically noted. It is the intention of the State to fully evaluate all acceptable alternate equal bid responses that meet the overall requirements of the bid specifications. State personnel will evaluate exceptions to determine whether variances are material enough to represent a violation of the specification intent or would give the bidder a competitive advantage. However, exceptions to the stated levels of performance, reliability, and timeliness would represent such a violation of the intent of these specifications that would necessitate rejection of the bid response.

BID AUTOMOBILE LIABILITY CHECKLIST:

Contractor will indicate, by checking the appropriate box(es) below, which mode of transportation will apply to this contract.

- Bidder/Broker ("The Contractor") or their Sub Contractor will make delivery or be performing services using a vehicle that is owned, leased or rented. Provide Certificate of Insurance documenting automobile liability with a Combined Single Limit of \$500,000.00.

If you are a vendor or contractor using your Social Security Number as your Federal Taxpayer Identification Number, please be aware that the information you submit is a public record, and the Department may be compelled by Ohio law to release Federal Taxpayer Identification Numbers as a public record. This certification applies to any and all suppliers and/or subcontractors used by the Bidder in furnishing the supplies or services described in the bid and awarded to the Bidder. If DAS receives a complaint alleging non-compliance with sweatshop free requirements, DAS may enlist the services of an independent monitor to investigate allegations of such non-compliance on the part of the Contractor, any sub-contractors or suppliers used by the Contractor in performance of the Contract. If allegations are proven to be accurate, the Contractor will be advised by DAS of the next course of action to resolve the complaint and the Contractor will be responsible for any costs associated with the investigation. Items that will be considered in an investigation include, but are not limited to standards for wages, occupational safety and work hours.

EXPENDITURE OF PUBLIC FUNDS ON OFFSHORE SERVICES: The Contractor affirms to have read and understands [Executive Order 2011-12K](#) and shall abide by those requirements in the performance of this Contract.
