

Protestant Contract Chaplain:

Franklin Medical Center located at 1800 & 1990 Harmon Avenue in Columbus, Ohio is seeking a part time Protestant Contract Chaplain to conduct weekly non-denominational services, faith studies, and provide general pastoral care for Christian inmates.

This contract position requires the timely submission of monthly service reports, attendance at an annual Religious Services Contractors Meeting, assisting the Institutional Chaplain in conducting Sunday services, and other Specialized Ministries (e.g., visitation in segregation and living areas, conducting holiday and funeral services, etc.). The candidate for this contract position must be ordained/licensed, and in good standing through his/her local congregation or denomination. Candidates will also be subject to a criminal background check and must assume the responsibility of working in a potentially hazardous environment.

Send resumes to the below address:
