

The Ohio Department of Developmental Disabilities is in the process of streamlining its licensure process related to intermediate care facilities. The Department is seeking quotes for an expert to assist in the development of identification and measurement of quality indicators; licensure rules; reimbursement system based in part on quality indicators; further planning for downsizing and conversion goal; and achieving and maintaining excellent quality in the delivery of intermediate care services.

The Department expects this work to be ongoing over the next two years.

Please submit a quote including an hourly rate. Also include a description of your experience in working with intermediate care facilities and other providers of services for people with developmental disabilities.

Quotes along with the additional information are due by 5:00 p.m. on Tuesday, April 8, 2014. You may e-mail your response to Kathryn.Haller@dodd.ohio.gov or send via regular mail to Kathryn Haller, DODD Legal and Oversight, 30 East Broad Street, 12th Floor, Columbus OH 43215. Please direct any questions to Kathryn Haller at Kathryn.Haller@dodd.ohio.gov.
