Mission Statement

The mission of the Ohio Department of Developmental Disabilities (DODD) is continuous improvement of the quality of life for Ohio's citizens with developmental disabilities and their families.

Guiding Principles

DODD will:

... Provide leadership in the development of public policy that supports self-determination principles of freedom, support, authority, responsibility and confirmation.

... Conduct business in an ethical manner and within a formally structured Quality Management system.

... Develop sustainable resources that are consistently and equitably distributed and administered.

... Increase the capacity of state and local systems to support individuals and families.

... Work collaboratively with partners and stakeholders to establish statewide policy that positively affects the day-to-day lives of individuals and their families.

... Communicate and promote, throughout the DD system, an environment of open dialogue about system issues and changes as they are developed and implemented.

I. Overview

The Ohio Department of Developmental Disabilities (DODD) is responsible for overseeing a statewide system of services and supports for people with developmental disabilities and their families. Therefore it is no surprise that the mission of the DODD is ***"continuous improvement of the quality of life for Ohio's citizens with developmental disabilities and their families"***.

While DODD has considerable adeptness in monitoring quality through regulatory compliance methodologies (i.e., Medicaid Standards, Fiscal Audits, and Quality Reviews), measuring the quality of services on an individual, outcome-based level utilizing standardized, evidence-based tools, is relatively new. Incorporating the Participant Experience Survey (PES) and National Core Indicators (NCI) to determine both on an individual (PES) and systems (NCI) level how satisfied people are, if the quality of their lives is increasing, and having the ability to look at Ohio's outcomes and comparing them to outcomes in other states, becomes fundamental for oversight, planning, resource allocation, and most importantly, supporting the improvement of the quality of life for Ohio's citizens with developmental disabilities and their families.

A. Background

In January 2007, Governor Ted Strickland mandated via Am. Sub. HB No. 119, Section 337.20.20, the creation of the DODD Futures Study Committee. The 22-member Committee was comprised of individuals and families who receive services; legislators; representatives of advocacy, labor and professional organizations; and state agencies. The Director of the Ohio Department of Developmental Disabilities served as the Committee's chairperson. The Committee, divided into four Sub-Committees (Accessing Services & Supports, Financing, Delivering Quality Services, Serving Populations with Specialized Needs), was charged to;

- Review the effectiveness, efficiency, and sustainability of current uses of funding for the state's developmental disabilities system.
- Propose alternatives for effectively funding the nonfederal share of Medicaid expenditures for home and community-based services for individuals with developmental disabilities, including the amendments by this act to sections 5123.047, 5123.048, 5123.0414, 5126.059, 5126.0510, 5126.0511, and 5126.0512 of the *Ohio Revised Code*.
- Identify the potential for reducing administrative costs in the state's developmental disabilities system.
- Propose alternatives for effectively balancing revenues available to the state and the county boards of developmental disabilities to fulfill their responsibilities for funding, planning, and monitoring the delivery of developmental disability services.
- Examine the efficiency and effectiveness of the current system of separate and concurrent developmental disabilities accreditation, licensure, certification, quality assurance, and quality improvement activities and propose changes to improve that system.
- Recommend steps necessary to assure the long term financial sustainability of developmental disability services to meet current and future needs while affording counties the ability to make local decisions about the priority uses of local tax levy funding.
- Determine the feasibility and potential benefits of regional planning approaches to meet specialized and intensive service needs.
- Propose improvements needed and action steps to fully realize the principle of self-determination by individuals with developmental disabilities.
- Evaluate the effectiveness and equity of the state's developmental disabilities systems' uses of waiting and service substitution lists, priority populations, and having separate acuity instruments that vary by service setting.
- Review other matters the Director of DODD considers appropriate for evaluations

As a subsidiary of the larger group, the *Delivering Quality Services Sub-Committee's* legislative charge was to "Examine the efficiency and effectiveness of the current system of separate and concurrent accreditation, licensure, certification, quality assurance, and quality improvement activities and propose changes to improve that system". Through the Sub-Committees efforts, 15 recommendations were submitted and approved by the Futures Study Committee for action.

Beginning in July of 2008, DODD adopted the National Core Indicators (NCI) as a basis for measuring the performance of, and improving Ohio's service delivery system. Because of the importance of this work and the powerful information it provides to DODD's policy makers and partners throughout the State of Ohio, the DODD has issued this multi-year proposal for implementation of the National Core Indicators. The following proposal will focus on **Year 4 (2011-2012) & Year 5 (2012-2013) implementation.**

B. Objective

Implementation of the National Core Indicators will help the DODD continue to measure system performance and make improvements that will better support individuals with developmental disabilities and their families in Ohio. It will enable Ohio to learn about the strengths and weaknesses of the DD service delivery system and continue to craft plans to improve the quality of life of people with DD. In addition, implementation of the National Core Indicators will allow Ohio to continue the evaluation of numerous cause and effect conditions such as the relationship between funding and quality outcomes, and the perceived effect on quality of life based upon the implementation of self-direction.

The rationale for using NCI is also based on the following;

- The focus is on desired outcomes for people receiving services;
- They have been determined to be valid and reliable;
- They are currently being utilized in 29 other states;
- They will allow Ohio to compare its performance with other states;
- They align with the CMS Home and Community-Based Services Quality Framework;
- They support strategic system planning.

In addition to using the National Core Indicators as a basis for measuring the performance of, and improving Ohio's service delivery system in general, implementation of the National Core Indicators will serve as a mechanism to continue to provide feedback on numerous Futures Study Committee Recommendations as well as to inform Ohio's identified priority areas, furthering system improvement. As the system progresses, the DODD, through implementation of the National Core Indicators, will be better able to continue to measure progress on established Futures goals, collect and provide outcomes data on relevant issues such as Autism and employment, develop change strategies most likely to bring about improvement, and to ultimately empower individuals and families within the system.

The "Futures Implementation Plan", to realign the work to achieve the Futures vision, included the following high impact system change/priority areas;

- Individual Service Planning/Service and Support Administration
- Quality Agenda
 - **National Core Indicators**
 - Regulatory Reform
 - A Provider is a Provider
 - Roll of Individuals and Families

- Realign incentives to fund philosophy
- Comprehensive, Statewide Housing Plan
- Empowerment of Individuals and Families
 - Self Direction/Determination
 - Employment
 - Individual Budgets

C. Purpose

As a result of implementing nationally recognized performance and outcome indicators on a continuing basis, individuals and families in Ohio's DD system will have the opportunity to become a strong voice in the service delivery system, and developmental disabilities policy makers will continue to receive the information they need to focus on the desired outcomes for the people receiving those services.

The bidder must indicate its MBE status in the proposal. If the vendor intends to subcontract with a certified MBE, a minimum of fifteen percent (15%) of the total contract price must be subcontracted. It is specifically understood that the nature of the services to be rendered under this Contract are of such a personal nature that Agency is the sole judge of the adequacy of such services. Agency thus reserves the right to terminate this Contract should Agency at any time be dissatisfied with Contractor's performance of its duties under this Contract.
2. In the event of a termination of this Contract by Agency, Contractor shall be reimbursed in accordance with Section G., Termination of Contractor's Services.
3. Agency may, from time to time, communicate specific instructions and requests to Contractor concerning the performance of the work described in this Contract. Agency retains the right to ensure that Contractor's work is in conformity with the terms and conditions of this Contract.

SECTION F. CERTIFICATION OF FUNDS

It is expressly understood and agreed by the parties that none of the rights, duties, and obligations described in this Contract shall be binding on either party until all relevant statutory provisions of the Ohio Revised Code, including, but not limited to, O.R.C. Section 126.07, have been complied with, and until such time as all necessary funds are available or encumbered and, when required, such expenditure of funds is approved by the Controlling Board of the State of Ohio, or in the event that grant funds are used, until such time that Agency gives Contractor written notice that such funds have been made available to Agency by Agency's funding source.

SECTION G. TERMINATION OF CONTRACT

1. Agency may, at any time prior to the completion of services by Contractor under this Contract, suspend or terminate this Contract with or without cause by giving five (5) days written notice to Contractor.

3. Contractor shall be paid for services rendered up to the date Contractor received notice of suspension or termination, less any payments previously made, provided Contractor has supported such payments with invoices as required under Section C. In the event of suspension or termination, any payments made by Agency for which Contractor has not rendered services shall be refunded.
4. In the event this Contract is terminated prior to its completion, Contractor, upon payment as specified, shall deliver to Agency all work products and documents which have been prepared by Contractor in the course of providing services under this Contract. TED STRICKLAND
GOVERNOR
STATE OF OHIO

Executive Order 2010-09S

Banning the Expenditure of Public Funds for Offshore Services

1. **Ohio's Economic Vitality Necessitates Constant Vigilance in State Job Creation Efforts.** State officials and employees must at all times remain passionately focused on initiatives that will create and retain jobs in the United States in general and in Ohio, in particular, and must do so especially during Ohio's continuing efforts to recover from the recent global recession.
2. **No Public Funds Should be Spent on Services Provided Offshore.** Allowing public funds to pay for offshore services undermines economic development objectives and any such offshore services carry unacceptable quality and security risks.
 - a. **The Purchase of Offshore Services with Public Funds Undermines Economic Development and Other Job Creation and Retention Objectives.** The expenditure of public funds for services provided offshore deprives Ohioans and other Americans critical employment opportunities. It also undermines efforts to attract businesses to Ohio and retain them in Ohio, initiatives in which the State has invested heavily.
 - b. **The Purchase of Offshore Services Has Unacceptable Business Consequences.** The use of offshore service providers could pose unacceptable data security, and thus privacy and identity theft risks. There are pervasive service delivery problems with offshore providers, including dissatisfaction with the quality of their services and with the fact that services are being provided offshore. It is difficult and expensive to detect illegal activity and contract violations and to pursue legal recourse for poor performance or data security

violations. The State's use of offshore service providers ill-serves the people of Ohio who are the primary consumers of the services provided by the State.

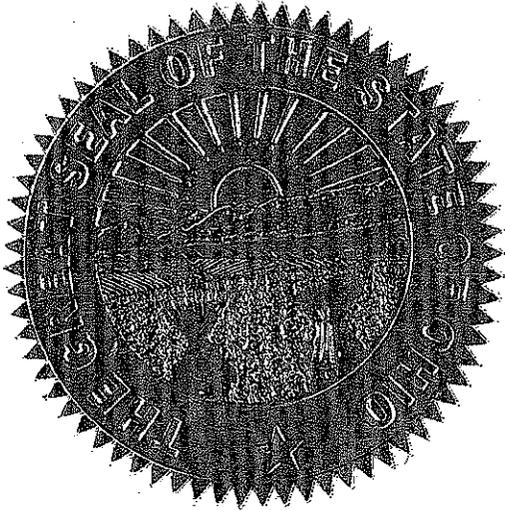

3. **Ohio's Policy Has Been – and Must Continue To Be – That Public Funds Should Not Be Spent on Services Provided Offshore.** Throughout my Administration, procurement procedures have been in place that restrict the purchase of offshore services. Despite these requirements, federal stimulus funds were recently used to purchase services from a domestic company which ultimately provided some of those services offshore. This incident was unacceptable and has caused me, through this Order, to redouble my commitment to ensure that public funds are not expended for offshore services.
4. **Additional Steps Will Ensure that Public Funds Are Not Spent on Services Provided Offshore.** In order to ensure that the State of Ohio makes no expenditures for services provided offshore, I hereby order the following:
 - a. No Cabinet Agency, Board or Commission (Executive Agency) shall enter into any contract which uses any funds within its control to purchase services which will be provided outside the United States. This Order applies to all funds in the custody of an Executive Agency, be they from state, federal, philanthropic or private sources. It applies to all purchases of service made directly by an Executive Agency and services provided by sub-contractors of those providing services purchased by an Executive Agency.
 - b. This Executive Order will be personally provided, by the Director, Chair or other chief executive official of each Executive Agency, to the Chief Procurement Officer or other individual at that entity responsible for contracts for services.
 - c. The Department of Administrative Services, through Ohio's Chief Procurement Officer (OCPO), shall have in place, by August 31, 2010, procedures to ensure all of the following:
 - i. All agency procurement officers, or the person with equivalent duties at each Executive Agency (APOs), have standard language in all Executive Agency contracts which:
 - (a) Reflect this Order's prohibition on the purchase of offshore services.
 - (b) Require service providers or prospective service providers to:

- (i) Affirm that they understand and will abide by the requirements of this Order.
 - (ii) Disclose the location(s) where all services will be performed by any contractor or subcontractor.
 - (iii) Disclose the locations(s) where any state data associated with any of the services they are providing, or seek to provide, will be accessed, tested, maintained, backed-up or stored.
 - (iv) Disclose any shift in the location of any services being provided by the contractor or any subcontractor.
 - (v) Disclose the principal location of business for the contractor and all subcontractors who are supplying services to the state under the proposed contract.
 - ii. All APOs are ensuring that all quotations, statements of work, and other such proposals for services affirm this Order's prohibition on the purchase of offshore services and include all of this Order's disclosure requirements.
 - (a) Any such proposal for services lacking the affirmation and disclosure requirements of this Order will not be considered.
 - (b) Any such proposal where the performance of services is proposed to be provided at a location outside the United States by the contractor or any sub-contractor, will not be considered.
 - iii. All procurement manuals, directives, policies, and procedures reflect the requirements of this Order.
 - iv. All APOs have adequate training which addresses the terms of this Order.
5. **Exceptions.** Nothing in this Order is intended to contradict any state or federal law. In addition, this Order does not apply to:
- a. Services necessary to support the efforts of the Department of Development Global Markets Division to attract jobs and business to the State of Ohio, including incidental services for the support of trade missions, payment of international staff, and services necessary for the operation of international offices.
 - b. Academic, instructional, educational, research or other services necessary to support the international missions of Ohio's public colleges and universities.

6. I signed this Executive Order on August 6, 2010 in Columbus, Ohio and it will not expire unless rescinded.

- (5.) promptly and in no case later than 10 days after discovery, report in writing to Agency any use or disclosure of the PHI not provided for by the Underlying Agreement or this Addendum, of which Contractor becomes aware. Contractor shall provide such other available information to Agency to enable it to notify individuals as required by Hitech; and
- (6.) require any contractors or agents, including subcontractors, to whom Contractor provides PHI received from, or created or received by Contractor on behalf of Agency, to agree to the same restrictions and conditions that apply to Contractor pursuant to this Addendum; and
- (7.) make its internal practices (including policies and procedures), books, and records relating to the use and disclosure of PHI received from, or created or received by Contractor on behalf of Agency, available to the Secretary of the Department of Health and Human Services (the "Secretary") for purposes of determining Covered Entities compliance with the Rules. Contractor shall provide Agency with a copy of any PHI that Contractor provides to the Secretary concurrently with providing such PHI to the Secretary; and
- (8.) within fifteen (15) days of receiving a written request from Agency, provide to Agency the information necessary for the Agency to make an accounting of disclosures of PHI about an Individual as necessary for Agency to comply with 45 C.F.R. 164.528; and
- (9.) make available information necessary for Agency to respond to an Individual's request for access to PHI about them as is necessary for Agency to comply with 45 C.F.R. 164.524. Such information shall be made available within ten (10) ten days of receiving a written request from Agency for such information. In the event an Individual contacts Contractor, or its agents or subcontractors, directly requesting access to PHI, Contractor will not grant access to PHI but will notify Agency in writing within five (5) business days of such contact; and
- (10.) within fifteen (15) days of receiving a written request from Agency, incorporate any amendments or corrections to PHI as necessary for Agency to comply with 45 C.F.R. 164.526. In the event an Individual contacts Contractor, or its agents or subcontractors, directly about making amendment to PHI, Contractor will not make any amendments to PHI but will notify Agency in writing within five (5) business days of such contact.

3. Security Rule Provisions. Contractor agrees to the following additional obligations in order that Agency may meet its obligations under HIPAA Security Rule, 45 C.F.R. Part 164, Subpart C, with respect to electronic PHI:

- A. Contractor will employ appropriate administrative, technical, and physical safe guards to protect the confidentiality, integrity, and availability of the electronic PHI that it creates, receives, maintains, or transmits on behalf of Agency.
- B. Contractor will Report to Agency any Security Incident of which it becomes aware.
- C. Contractor will ensure that any agent, including a subcontractor, to whom it provides such electronic PHI agrees to implement reasonable and appropriate safeguards to protect it.

4. Breach of Unsecured PHI. If Contractor discovers any Breach of Unsecured PHI (as the terms "Breach" and Unsecured" PHI" or "Unsecured Protected Health Information" are defined in 45 C.F. R. 164.402) that it accesses, maintains, retains, modifies, records, stores, destroys, or otherwise holds, uses, or discloses on behalf of Agency, then in accordance with 45 C.F.R. §164.410, Contractor shall notify Agency of such Breach in writing without unreasonable delay and in no event later than ten (10) days after discovery of such Breach, which written notice shall include, to the extent possible, the

identification of each Individual whose Unsecured PHI has been, or is reasonably believed to have been, accessed, acquired, or disclosed during such Breach. In addition, Contractor shall provide Agency with the following information, to the extent available at the time initial notice to Agency is provided, or promptly thereafter as such information becomes available:

- A. A brief description of what happened, including the date of the Breach and the date of the discovery of the Breach.
- B. A description of the type of PHI that was involved (e.g., name, Social Security Number, procedure, diagnosis, treatment, etc.).
- C. A brief description of the steps that Contractor is taking to investigate, mitigate harm, and protect against further Breaches.

5. Termination. Agency may immediately terminate the Underlying Agreement, including this Addendum, by giving Contractor written notice of termination, if Agency determines that Contractor has violated a material term of this Addendum. Alternatively, Agency may in its sole discretion provide an opportunity for Contractor to cure the breach and end the violation. If Contractor fails to cure the breach to the satisfaction of Agency, the Agency may immediately thereafter terminate the Underlying Agreement. Termination of the Underlying Agreement shall result in the termination of this Addendum.

Contractor agrees that upon termination of the Underlying Agreement, it will return or destroy all PHI received from, or created or received on behalf of Agency, that Contractor still maintains in any form and retain no copies of such information. This provision shall apply to PHI that is in the possession of Contractor and any subcontractors or agents of Contractor. In the event that returning or destroying the PHI is infeasible, as determined by Agency, Contractor agrees to extend the protections of the Underlying Agreement and this Addendum to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Contractor maintains such PHI.

6. Amendment. It is the intent of the parties that the Underlying Agreement and this Addendum comply with the requirements of HIPAA, Hitech, and the Rules. Any ambiguity in the Underlying Agreement or this Addendum shall be resolved to permit Agency to comply with HIPAA and the Rules. If necessary, the parties agree to use good faith efforts to amend the Underlying Agreement and this Addendum from time to time as is necessary for Agency to be in compliance with HIPAA and regulations promulgated thereunder.
7. Survival. The obligations of the Contractor under this Addendum shall survive the expiration or termination of the Underlying Agreement and this Addendum.
8. No Third Party Beneficiaries. Nothing express or implied in this Addendum is intended to confer, nor shall confer, upon any person other than the parties, and their permitted successors and assigns if any, rights, remedies, obligations or liabilities whatsoever.
9. Miscellaneous: As amended by this Addendum, the Underlying Agreement and all its terms and conditions shall remain in full force and effect.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the "Exempt payee" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 7 ²

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt payees, see *Exempt Payee* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

Call the IRS at 1-800-829-1040 if you think your identity has been used inappropriately for tax purposes.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS personal property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.
