## ATTACHMENT ONE: STANDARD TERMS AND CONDITIONS

1. DEPARTMENT OF ADMINISTRATIVE SERVICES (DAS) OR CONTROLLING BOARD APPROVAL: If DAS or Controlling Board approval is required, this Contract shall not be valid and enforceable until appropriate approvals are received.
2. CERTIFICATE OF AVAILABLE FUNDS: Notwithstanding any other provision of this Contract, and in accordance with Section 126.07 of the Revised Code of Ohio, this Contract shall not be valid or enforceable, unless and until the Director, Office of Budget and Management first certifies that there is a balance in the appropriation, not already obligated to pay existing obligations.
3. NATURE OF CONTRACT: It is fully understood and agreed that the Contractor is an independent contractor and is not an agent, servant or employee of ODYS or the State of Ohio. The Contractor must receive ODYS written approval prior to entering into any subcontract or joint venture for the delivery of services required by this Contract. If the Contractor enters into any agreement with a subcontractor, the Contractor is ultimately responsible for any and all actions or omissions by the subcontractor in the delivery of services under this contract.

Throughout the term of this contract, the Contractor shall provide ODYS with copies of all current licensure, certification, and/or accreditation, including any renew or re-issuance thereof, for any employee or subcontractor, providing services under this contract.

The Contractor agrees that while operating in an ODYS facility the contractor and/or any employee or subcontractor of the contractor, shall follow all applicable rules and regulations for that facility.

Except as expressly provided herein, neither party shall have the right to bind or obligate the other party in any manner without the prior written consent of the other party.

4. NONDISCRIMINATION: Pursuant to O.R.C., Section 125.111, the Contractor agrees that Contractor, any subcontractor, and any person acting on behalf of the Contractor or subcontractor, will not discriminate, by reason of race, color, religion, sex, age, disability, as defined in ORC 4112.01, national origin, or ancestry against any citizen of this state in the hiring of any person qualified and available to perform the work under this contract. Contractor further agrees that Contractor, any subcontractor, and any person acting on behalf of Contractor or subcontractor shall not, in a manner, discriminate against, intimidate, or retaliate against any employee hired for the performance of work under this contract on account of race, color, religion, sex, age, disability as defined in ORC 4112.01, national origin, or ancestry.

The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices, setting forth the provisions of this nondiscrimination clause. The Contractor and any Subcontractor shall state in all solicitations or advertisements for employees placed by, or on behalf of, the Contractor that it is an equal opportunity employer and shall incorporate the requirements of this Section in all of its contracts for any of the performance of work under this contract.

The Contractor agrees that it has a written affirmative action program for the employment and effective utilization of economically disadvantaged persons, as defined in Ohio Revised Code, Section 122.71. Annually, the contractor agrees to file a description of the affirmative action program and a progress report on its implementation with the Equal Employment Opportunity Office of the Department of Administrative Services.

5. TAXES: The Contractor affirms that it is not delinquent in the payment of any applicable federal, state, and local taxes and agrees to comply with all applicable Federal, State and Local laws in the performance of the work hereunder.

The Contractor accepts full responsibility for payment of all taxes, including and without limitation, unemployment compensation, insurance premiums, all income tax deductions, social security deductions, and any and all other taxes or payroll deductions required for all employees engaged by the Contractor in the

performance of the work authorized by this Contract. The contractor must provide workers compensation for their employees and submit proof upon request. ODYS and the State of Ohio shall not be liable for any taxes under this Contract.

Additionally, the State of Ohio, ODYS is exempt from state, county, and transit sales taxes for services and goods supplied to and billed directly to ODYS.

6. GOVERNING LAW: This Contract and any claims arising in any way out of this Contract shall be governed by the laws of the State of Ohio and the United States. Any provision of this Contract prohibited by the law of Ohio shall be deemed void and of no effect. Any litigation arising out of or relating in any way to this Contract or the performance hereunder shall be brought only in the courts of Ohio, and the Contractor hereby irrevocably consents to such jurisdiction.
7. TERMINATION OR DEFAULT: Prior to the expiration of the term of this Contract, either party may terminate the Contract, with or without cause, by providing written notice to the other party not less than thirty (30) days prior to the termination date.  
Termination pursuant to this paragraph will relieve either party of further obligation under this Contract. In no event will ODYS be obligated to pay for any services not actually performed by the Contractor.
8. CONTRACT AMOUNT CHANGES: ODYS and the Contractor agree that ODYS may make adjustments in the total amount of this contract as may be necessary to provide essential services. Adjustments shall not cause ODYS to exceed annual or biennial allocations. An increase in the total amount of the contract may be subject to approval by DAS or Controlling Board before any such change is valid and enforceable. ODYS shall notify the contractor, in writing, the effective dates of any such change.
9. MODIFICATION TO SERVICES: ODYS and the Contractor agree that any change in the rate(s) or type(s) of service shall require written agreement by both parties.
10. RECORDS RETENTION: The Contractor shall maintain independent books, records, documents, and papers involving all transactions relative to the performance of this Contract which reflect any and all direct and indirect costs expended in the performance of this contract in a manner consistent with generally accepted accounting principals in the performance of services required by this contract.  
Youth case files and material filed or referenced under a youth's name shall be maintained according to the retention schedule established by ODYS.  
The Contractor shall, for each subcontract authorized by ODYS, in excess of twenty-five hundred dollars (\$2,500.00), require its subcontractor(s) to agree to the same provisions of this article.  
  
All of the above records, books, documents, papers, case files, etc. shall be retained for seven (7) years unless ODYS approves a shorter retention period, in writing. The Contractor may apply for such authorization after the fiscal year in which the final entry was made. In addition, all of the above documents shall be made available at all reasonable times during the period of their required retention by authorized Federal, State and ODYS personnel.  
The Contractor agrees to be responsible for the costs of any audit in which it is determined that the Contractor violated, in any material respect, any provision of Federal, and State or local law.
11. DISCLOSURE OF INFORMATION: Contractor agrees that neither it, nor its designees or sub-contractors, will use or disclose any information concerning ODYS youth for any purpose unless necessary to the administration of ODYS or Contractor's responsibilities under this Contract. The Contractor agrees to obtain the written consent of ODYS prior to disclosure of youth records unless otherwise ordered by a court of competent jurisdiction.
12. LIMITATION OF LIABILITY: The State's liability for damages, whether in contract or in tort, shall not exceed the total amount of compensation payable to the Contractor under the ODYS "Contract and Agreement", "Compensation of Services" article, above, or the amount of direct damages incurred by the Contractor, whichever is less. In addition, the Contractor agrees that ODYS and the State of Ohio and any funding source for this contract are held harmless and immune from any and all claims for injury or damages arising from this contract which are attributable to the Contractor's own actions or omissions or those of its trustee, officers, employees, subcontractors, suppliers, and other third parties while acting under this contract. Such claims shall include any claims made under the Fair Labor Standards Act or under any other federal or state law involving

wages, overtime, or employment matters and any claims involving patents, copyrights and trademarks. Contractor agrees to bear all costs associated with defending against any such claims or legal actions when requested by ODYS or State to do so.

13. CONFLICTS OF INTEREST: No personnel of the Contractor or member of the governing body of any locality or other public official or employee of any such locality in which, or relating to which, the work under this Contract is being carried out, and who exercises any functions or responsibilities in connection with the review or approval of the understanding or carrying out of any such work, shall prior to the completion of said work, voluntarily acquire any personal interest, direct or indirect, which is incompatible or in conflict with the discharge and fulfillment of his or her functions and responsibilities with respect to the carrying out of said work.

If any person acquires an incompatible or conflicting personal interest, on or after the effective date of this contract, or any such person involuntarily acquires any such incompatible or conflicting personal interest, then the contractor shall immediately disclose such interest to ODYS in writing. Thereafter, such person shall not participate in any action affecting the work under this contract, unless ODYS shall determine that, in the light of the personal interest disclosed, such participation in any such action would not be contrary to the public interest.

14. ENTIRE AGREEMENT: The Contract, when signed by both parties, along with any attachments and the Request for Proposal and Response (if an RFP process was used), constitutes the entire agreement between the parties herein. No rights herein will be waived, unless specifically agreed upon in writing by the parties hereto. This Contract supersedes any and all previous agreements, whether written, or oral, between the parties. A waiver by any party of any breach or default by the other party under this Contract shall not constitute a continuing waiver by such party of any subsequent act in breach of or in default hereunder.
15. NOTICES: Except as specifically provided otherwise, all notices, consents and communications hereunder shall be given in writing, and be either hand carried or sent by certified mail, return receipt requested, to the respective addresses on the signature page of this document
16. SEVERABILITY: The provisions of this Contract are severable and independent. If any provision of this contract be deemed unenforceable by a court of competent jurisdiction in whole or in part, the remaining provisions of this contract and any partially enforceable provisions, to the extent enforceable, shall, nevertheless, be binding and enforceable.
17. SUCCESSORS AND ASSIGNS: Except as provided in this paragraph, neither this Contract nor any rights hereunder may be assigned or transferred in whole or in part by either party, without the prior written consent of the other party. The work contemplated in this contract is to be performed by the Contractor, who may subcontract without ODYS approval for the purchase of articles, supplies, components or special mechanical services that do not involve the type of work or services described in Exhibit A but which are required for its satisfactory completion. The Contractor should notify ODYS, in advance, of any of these subcontracts or joint ventures. All work subcontracted shall be at the expense of the Contractor.
18. DRUG FREE WORKPLACE: The Contractor agrees to require that all its employees, while working on state property, will not purchase, transfer, use or possess illegal drugs or alcohol or abuse prescription drugs in any way.
19. CHILD SUPPORT: The Contractor agrees to cooperate with the Ohio Department of Job and Family Services and any Ohio Child Support Enforcement Agency (CSEA) in ensuring that any person performing services hereunder meets child support obligations established under state law. Further, by executing this agreement the Contractor certifies present and future compliance with any court order for the withholding of support, which is issued pursuant to Chapters 3119, 3121, 3123 and 3125 of the Ohio Revised Code.
20. OWNERSHIP: ODYS shall have unrestricted authority to reproduce, distribute and use (in whole or in part) any reports, data or materials prepared by the Contractor, subcontractor or any person acting on behalf of the contractor pursuant to this agreement. No such documents or other materials produced (in whole or in part) with funds provided to the Contractor by ODYS shall be subject to copyright by the Contractor in the

United States or any other country. The Contractor agrees that all deliverables hereunder shall be made freely available to the general public to the extent required by law.

21. **FIREARMS RESTRICTION:** The Contractor agrees that the Contractor, any Subcontractor, and /or any person acting on behalf of the Contractor or Subcontractor, will not possess or maintain the presence of any firearm in or on any premise used in the delivery of residential services of youth. The Contractor agrees to apply, in writing, within ten (10) days of the Contractor's execution of this contract for a written waiver of this provision from ODYS Director in the event that this provision would create an economic hardship (e.g. an employer, such as a police department, requires a foster parent who is also a police officer to carry a firearm as a requirement of his/her employment) or would otherwise be unreasonable.
22. **OTHER APPLICABLE LAW:**

The Contractor is required to comply with O.R.C., Chapter 4115 "Wages and Hours on Public Works" as required by law. The Contractor shall meet State of Ohio requirements for certification, licensure and registration where applicable. Contractor shall be required to provide proof of such certification, licensure and registration and to provide any renewal certification, licensure and registration.

The Contractor shall comply with the provisions as specified in the O.R.C., Section 109.572 regarding criminal records check and fingerprinting and maintain adequate records thereof.

In the performance of this contract, the Contractor agrees to comply with all Federal, State, and Local laws and the Ohio Administrative Code.

ODYS is subject to O.R.C. 149.43 "Availability of Public Records", and therefore any documents, which are a part herein, shall be disclosed as required by law.
23. **NOTICE TO RETIREES:** A retiree cannot continue to receive benefits and work as an independent contractor under a contract for any period of time for the employer from which they retired. This prohibition is applicable regardless of the number of hours or days actually worked.
24. **UNRESOLVED FINDINGS FOR RECOVERY:** Contractor affirmatively represents and warrants to ODYS that it is not subject to a finding or recovery under ORC 9.24, or that it has taken the appropriate remedial steps required under ORC 9.24 or otherwise qualifies under that section. Contractor agrees that if this representation and warrant is deemed to be false, the Contract shall be void ab initio as between the parties to this Contract, and any funds paid by ODYS hereunder shall be immediately repaid to ODYS, or an action for recovery may be immediately commenced by ODYS for recovery of said funds.
25. **SWEATSHOP FREE:** By the signature affixed to this ITB/RFP, Bidder/Offerer certifies that all facilities used for the production of the supplies or performance of services offered in the bid/RFP are in compliance with applicable domestic labor, employment, health and safety, environmental and building laws. This certification applies to any and all suppliers and/or subcontractors used by the Bidder/Offerer in furnishing the supplies or services described in the bid/RFP and awarded to the Bidder/Offerer. If DAS receives a complaint alleging non-compliance with sweatshop free requirements, DAS may enlist the services of an independent monitor to investigate allegations of such non-compliance on the part of the Contractor, any sub-contractors or suppliers used by the Contractor in performance of the Contract. If allegations are proven to be accurate, the Contractor will be advised by DAS of the next course of action to resolve the complaint and the Contractor will be responsible for any costs associated with the investigation. Items that will be considered in an investigation include, but are not limited to standards for wages, occupational safety and work hours.
26. **PROHIBITION OF THE PURCHASE OF OFF-SHORE SERVICES:** The Contractor affirms to have read and understands Executive Order 2011-12K issued by Ohio Governor John R. Kasich and shall abide by those requirements in the performance of this Contract, and shall perform no services required under this Contract outside of the United States. The Executive Order is available at the following website: (<http://www.governor.ohio.gov/Default.aspx?tabid=1495>).

The Contractor also affirms, understands, and agrees to immediately notify the State of any change or shift in the location(s) of services performed by the Contractor or its subcontractors under this Contract, and no services shall be changed or shifted to a location(s) that are outside of the United States.

**TERMINATION, SANCTION, DAMAGES:**

The State is not obligated and shall not pay for any services provided under this Contract that the Contractor or any of its subcontractors performed outside of the United States. If services are performed outside of the United States, this will be treated as a material breach of the Contract, and Contractor shall immediately return to the State all funds paid for those services.

In addition, if the Contractor or any of its subcontractors perform any such services outside of the United States, the State may, at any time after the breach, terminate this Contract for such breach, upon written notice to the Contractor. If the State terminates the Contract, the State may buy substitute services from a third party, and the State may recover the additional costs associated with acquiring the substitute services.

If the Contractor or any of its subcontractors prepares to perform services, changes or shifts the location(s) of services performed by the Contractor or its subcontractors under this Contract to a location(s) outside of the United States, but no services are actually performed, the Contractor has 10 business days to change or shift the location(s) of services performed to location(s) within the United States. The State may recover liquidated damages in the amount of 50 % of the value of the contract for every day past the time permitted to change or shift the location(s).

**ASSIGNMENT / DELEGATION:**

The Contractor will not assign any of its rights nor delegate any of its duties and responsibilities under this Contract without prior written consent of the State. Any assignment or delegation not consented to may be deemed void by the State.
