Preventive Maintenance (PM)

Preventative Maintenance is offered for HVAC equipment, Refrigeration equipment, and Building Automation Controls as follows:

1. Written quote for service – Sauer will provide a written quote for the PM after a site visit has been completed. The covered equipment along with the labor and parts needed to complete the PM work will be provided. No additional travel charges apply to PM agreements.

2. Service Calls – Sauer will invoice at the rates listed on the Service Rate Schedule above. A written quote for parts and materials needed to complete the repair will be provided. Trip charges apply to service calls.

3. Full Service Agreements – Sauer, Inc. offers full service agreements on most HVAC and Building Automation Systems. These agreements cover the cost of parts, labor, and materials for preventive maintenance and most repairs to the covered equipment. Sauer will provide a written quote including a listing of all covered equipment. All equipment must be inspected for proper operation and any repairs must be completed before any equipment may be placed under a Full Service Agreement. No additional travel charges apply to Full Service Agreements.
