SPECIAL TERMS AND CONDITIONS

Reference Section IV. and Section V. on page 21 of the RFP.

IV. SPECIAL CONTRACT COMPLIANCE AND TERMINATION.

During the term of this contract, the DSH Training Center Advisor responsible for your course shall be responsible for monitoring the Vendor's performance and compliance with the terms and conditions of the Contract. It is specifically understood that the nature of the services to be rendered pursuant to any contract resulting from this RFP are of such a nature that BWC is the sole judge of the adequacy of such services and will report them to DAS. DAS reserves the right to cancel the contract at any time without cause upon 14 days notice. Upon cancellation, other than for the default of the Vendor, BWC shall pay the Vendor for services rendered prior to the effective date of the cancellation. If BWC's representative observes any infraction(s), such shall be documented and notice conveyed to DAS and then to the Vendor for immediate correction. Continued failures on the Vendor's part to comply with the terms and conditions of the ensuing contract may constitute an event of default.

V. SPECIAL DEFAULT BY THE VENDOR.

DAS declares and the Vendor acknowledges that BWC may suffer damages due to the failure of the Vendor to act in accordance with the requirements, terms and conditions of the contract. DAS declares and the Vendor agrees that such failure shall constitute an event of default on the part of the Vendor. The Vendor agrees that if DAS or BWC does not give prompt notice of such failure, that DAS and BWC has not waived any of its rights or remedies. In the event that a vendor does not show up to teach a class, the Training Center Advisor responsible for the class will contact the vendor to ascertain the reason for the missed class and then determine whether to reschedule the class. The contract with that vendor might be terminated. Repeated late starts to a class might also be reason to terminate the Contract.

Section: a, page 16

- a. Only the Instructor(s) who participate in the Module presentation will be permitted to instruct for the Training Center, if awarded the Contract, without prior approval from the Training Center.
- b. Prior approval for an instructor to teach a DSH class that was not present during the module presentation:
 - 1) Will only be granted in an emergency or special circumstance;
 - 2) Will only occur when an Instructor meets the minimum qualifications to bid on the course;
 - 3) Will need to be approved by the Training Center Advisor assigned to the course (before the class);
 - 4) And can be revoked at anytime, for any reason.

Section: j, page 24

- a. A statement that the Contractor shall not substitute, at Project start-up, different Instructor(s) from those evaluated by the State except when a Instructor's unavailability is no fault of the Contractor (e.g., Candidate is no longer employed by the Contractor, is deceased, etc.).
