The location of performance will be noted on the purchase order issued by the participating agency. Payment for services rendered will occur upon the inspection and written confirmation by the ordering agency that the services provided conform to the requirements set forth in the Contract. Unless otherwise provided in the Contract, payment shall be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

**AMENDMENTS TO CONTRACT TERMS AND CONDITIONS:** The following Amendments to the Contract Terms and Conditions do hereby become a part hereof. In the event that an amendment conflicts with the Contract Terms and Conditions, the Amendment will prevail.

**SITE VISIT:** Prior to submitting their bid response, the bidder should visit the institution(s) for which they are bidding in order to survey the facility(s) and to become familiar with the requirements of the bid. The bidder must contact each facility they are bidding to schedule an appointment. (See Appendix A for the facility's contact person.) The bidder must call the contact person at each applicable institution listed below at least two (2) business days prior to the scheduled site visit to obtain entry authorization into the institution. Bidders must have with them a picture I. D. (such as a valid Ohio driver's license) in order to be admitted to institutions for site visits. In accordance with agency policy, no knives, firearms, cameras/photo equipment, recording devices, cell phones, computers and/or pagers will be allowed in the complex.

No additional compensation will be awarded due to unfamiliarity with the scope of service required. It will be assumed that the bidder has full knowledge of existing conditions/service areas and accepts them as is, unless otherwise specified within this bid. Once a contract is awarded, failure of the bidder to have requested a site visit, to become familiar with the facility and requirements of the bid, will be insufficient reason to support any request to be released from the contract.

**LICENSE:** The bidder shall submit as part of their bid a copy of state of Ohio Pharmacy License and Medical Directors (Name and License Number). A copy of the bidder's Ohio Medical Transportation Board (OMTB) License must be supplied, if applicable. If not provided with the bid response, the bidder will be required to provide the documents within seven (7) day from notification by the Office of procurement Services. \$2,000,000 General Aggregate  
\$1,000,000 per Occurrence Limit

The policy shall also be endorsed to provide the State with 30-day prior written notice of cancellation or material change to the policy. It is agreed upon that the Contractor's Commercial General Liability shall be primary over any other insurance coverage.

1. **Ambulance Services Professional Liability Insurance:** Professional Liability Insurance covering all staff with a minimum limit of \$1,000,000 per occurrence and \$3,000,000 aggregate. If the Contractor's policy is written on a "claims made" basis, the Contractor shall provide the State with proof of continuous coverage at the time the policy is renewed. If for any reason the policy expires, or coverage is terminated, the Contractor must purchase and maintain "tail" coverage through the applicable statute of limitations.
2. **Vehicle Liability Insurance:** Vehicle liability insurance with a combined single limit of \$1,000,000.

Certificates for Worker's Compensation and proof of insurance must be provided. The certificate(s) must be in a form that is reasonably satisfactory to the State as to the contents of the policies and the quality of the insurance carriers. All carriers must have at least an "A"-rating by A.M. Best.

**REFERENCES REQUIRED:** Each bidder is to submit with the bid a listing of three (3) references with whom you have in the previous three (3) years or are currently providing ambulance services. Name, address and telephone number of each reference must be included.

**EVALUATION:** Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the State will multiply all of the institution's estimated annual usages of a one-way trip by its corresponding unit price. For the Ambulette service, for evaluation purposes only, the State will multiply the price per mile times the amount of 100 miles. These figures will be added together for a total institution price. The Contract will be awarded to the lowest responsive and responsible bidder meeting all bid specifications and requirements as listed herein. Failure to bid all items for an institution may deem your bid not-responsive.

**CONTRACT AWARD:** The contract will be awarded to the lowest responsive and responsible bidder by institution.

\* **CONTRACT RENEWAL:** The Contract may be renewed for one (1) month at the State's option. Additionally, this Contract may be renewed, by agreement, for any number of times for any period of time under the same prices, terms and conditions stated herein. The cumulative total of all renewals by agreement may not exceed four (4) years. The cumulative total of all renewals by agreement may not exceed three (3) years for the following locations: Franklin Medical Center Zone A and B, Dayton Correctional Institution, Hocking Correctional Institution, Marion Correctional Institution and Pickaway Correctional Institution awarded under ITB No. OT900214 dated 04/01/13; Allen/Oakwood Correctional Institution awarded under ITB No. OT901714 dated 06/05/13, and London Correctional Institution, Madison Correctional Institution and Ohio Reformatory for Women awarded under ITB No. OT905314 dated 11/06/13. **FIXED-PRICE WITH ECONOMIC ADJUSTMENT:** The contract prices(s) will remain firm for the first twelve (12) months duration of the contract. Thereafter, the Contractor may submit a request to increase their price(s) to be effective thirty (30) calendar days after acceptance by DAS. No price adjustment will be permitted prior to the effective date of the increase received by the Contractor from his suppliers, or on purchase orders that are already being processed, or on purchase orders that have been filled and are awaiting shipment. If the Contractor receives orders requiring quarterly delivery, the increase will apply to all deliveries made after the effective date of the price increase.

The price increase must be supported by a general price increase in the cost of the finished supplies, due to increases in the cost of raw materials, labor, freight, Workers' Compensation and/or Unemployment Insurance, etc. Detailed documentation, to include a comparison list of the contract items and proposed price increases, must be submitted to support the requested increase. Supportive documentation should include, but is not limited to: copies of the old and the current price lists or similar documents which indicate the original base cost of the product to the Contractor and the corresponding increase, and/or copies of correspondence sent by the Contractor's supplier on the supplier's letterhead, which contain the above price information and explains the source of the increase in such areas as raw materials, freight, fuel or labor, etc.

Should there be a decrease in the cost of the finished product due to a general decline in the market or some other factor, the Contractor is responsible to notify DAS immediately. The price decrease adjustment will be incorporated into the contract and will be effective on all purchase orders issued after the effective date of the decrease. If the price decrease is a temporary decrease, such should be noted on the invoice. In the event that the temporary decrease is revoked, the contract pricing will be returned to the pricing in effect prior to the temporary decrease. For quarterly deliveries, any decrease will be applied to deliveries made after the effective date of the decrease. Failure to comply with this provision will be considered as a default and will be subject to Provision I.C. "Termination/Suspension" and Provision II. of the "Contract Remedies:" of the "Standard Contract Terms and Conditions".

**USAGE REPORTS:** Every six (6) months the Contractor must submit a report (written or on disk) indicating sales generated by this contract. The report shall list usage by customer, by line item, showing the quantities/dollars generated by this contract. The report shall be forwarded to the Office of Procurement Services, 4200 Surface Rd., Columbus, OH 43228-1395, Attn: Kellie Johnson.

**USE OF SOCIAL SECURITY NUMBERS AS FEDERAL TAX IDENTIFICATION NUMBERS:** The Department of Administrative Services (Department) requires vendors and contractors wishing to do business with the State to provide their Federal Taxpayer Identification Number to the Department. The Department does this so that it can perform statutorily required "responsibility" analyses on those vendors and contractors doing business with the State and, under limited circumstances, for tax reporting purposes. If you are a vendor or contractor using your Social Security Number as your Federal Taxpayer Identification Number, please be aware that the information you submit is a public record, and the Department may be compelled by Ohio law to release Federal Taxpayer Identification Numbers as a public record. If you do not want to have your Social Security Number potentially disclosed as a Federal Taxpayer Identification Number, the Department encourages you to use a separate Employer Identification Number (EIN) obtained from the United States Internal Revenue Service's to serve as your Federal Taxpayer Identification Number.
