SPECIAL CONTRACT TERMS AND CONDITIONS

AMENDMENTS TO CONTRACT TERMS AND CONDITIONS: The following Amendments to the Contract Terms and Conditions do hereby become a part hereof. In the event that an amendment conflicts with the Contract Terms and Conditions, the Amendment will prevail.

DELIVERY AND ACCEPTANCE: Supplies will be delivered to the participating agency within thirty (30) days after receipt of order and, in accordance with paragraphs S-8, S-9, and S-10 of the SUPPLEMENTAL CONTRACT TERMS AND CONDITIONS. The delivery location will be noted on the purchase order issued by the participating agency. Acceptance (transfer of title) will occur upon the inspection and written confirmation by the ordering agency that the supplies delivered conform to the requirements set forth in the Contract. Unless otherwise provided in the Contract, acceptance shall be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

MULTIPLE AWARD CONTRACT: This bid is issued to establish a Multiple Award Contract (MAC). A MAC is a contract made with more than one supplier of the same or similar types of supplies or services at varying prices for delivery within the same geographic area. The state's obligations under a MAC are subject to the Ohio Controlling Board's continuing authorization to use the MAC program authorizing the use of Multiple Award Contracts. By the signature affixed to Page 1, of this Bid, the Bidder certifies that it is currently in compliance and will continue to adhere to the requirements of the Ohio Ethics Law, Ohio Revised Code Section 102.04. The Bidder affirms that, as applicable to the Bidder, no party listed in Ohio Revised Code Section 3517.13 (I) or (J) or spouse of such party has made, as an individual, within the two previous calendar years, one or more contributions totaling in excess of \$1,000.00 to the Governor or to his campaign committees.

DESCRIPTIVE LITERATURE: The bidder shall submit, as part of their bid response, descriptive literature of the supplies or services being offered. The descriptive literature is to include the price list(s) in effect at the time of bid submission and upon which the bid response is based. The descriptive literature will be used in the evaluation process to determine the lowest responsive and responsible bidder. Any references, that may appear in the descriptive literature, that may alter the terms and conditions and specifications of the bid (e.g. F.O.B. Shipping Point or Prices Subject to Change), will not be part of any contract and will be disregarded by the state of Ohio. Failure of the bidder to furnish descriptive literature as part of their bid response will deem the bidder not responsive.

It is the successful contractor(s) responsibility to supply their latest catalogues and price lists (identical to the one submitted with the bid to State Purchasing) as follows:

*Forty (40) copies to:
ODRC Bus. Office, 4th Floor
Attn: Ollie Chandler
777 W. Broad St.
Columbus, Ohio 43222

*Fifteen (15) copies to:
DYS Central Office
Attn: Steve Hrinko
30 W. Spring St.
Columbus, Ohio 43215

*One (1) copy to:
DPS – Purchasing
Attn: Jeff Shadburn
1970 West Broad Street
P.O.Box 182081
Columbus, Ohio 43218-2081

*One (1) copy to:
DMH Fiscal Office
Attn: Merrillie Munsey
30 East Broad Street, 11th Floor
Columbus, OH 43266

These copies must be sent within fifteen (15) days after receipt of a contract. Failure to submit said catalogues and price lists to ODRC, DPS, DMH and/or DYS will result in catalogues and price lists not being available for ordering purposes by the institutions. The contractor(s) must provide other state agencies, copies of catalogues and price list as requested. Institutions must obtain their catalogues and price lists by contacting the above office, not the contractor(s). Orders only, may be placed with the contractor(s).

PRODUCT SAMPLES: The bidder(s) may be required to submit samples of the supplies being offered. The samples will be used in the evaluation process to determine the lowest responsive and responsible bidder. If not included as part of their bid response, the bidder will be required to provide the samples within ten (10) calendar days after notification. Failure to provide the samples within the stated time period will result in the bidder being deemed not responsive. After award of the contract, the samples will be used as a basis of comparison with actual product delivered under contract. Any variation between the samples and product being delivered will be considered as an event of default. Any variations between the samples and actual product being delivered that are due to manufacturer changes may be acceptable and shall require prior written approval from DAS.

AUTHORIZED DEALER: Bidders responding to this bid must be authorized dealers for/or the manufacturers of the products they are offering. Bidders are requested to submit, within five (5) days of request by State Purchasing, certification attesting to the fact that they are authorized dealers for/or the manufacturers. This certification is to be on manufacturer's letterhead, signed by a duly authorized representative of the manufacturer. Failure to submit this certification may result in the bidder being deemed as not-responsive.

*Indicates change.

SPECIAL CONTRACT TERMS AND CONDITIONS (cont.)

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders".

CONTRACT AWARD: A contract will be awarded to one responsive and responsible bidder per manufacturer. Where two or more bidders offer the same manufacturer the contract will be awarded to the bidder offering the lowest prices or greatest discounts.

MINIMUM ORDER: No order shall be placed against a contract awarded pursuant to this bid for less than twenty-five (\$25.00) dollars.

FIXED-PRICE WITH COST ADJUSTMENT: During the life of the contract, there may be a new catalog published and/or price list thereto. In this event, it will be necessary for the Contractor to supply the Office of State Purchasing with one (1) copy of each as applicable. Pricing contained in the new catalog and/or price list will become effective thirty (30) days after receipt of notice by the Office of State Purchasing. Thereafter, state agencies may obtain the new catalog and/or price list from the Contractor.

COOPERATIVE PURCHASING CONTRACT. This Contract may be relied upon by Ohio institutions of higher education and Ohio political subdivisions. Ohio political subdivisions include any county, township, municipal corporation, school district, conservancy district, township park district, park district created under Chapter 1545 of the Revised Code, regional transit authority, regional airport authority, regional water and sewer district, port authority or any other political subdivision as described in the Ohio Revised Code. To qualify to use this Contract the political subdivision must be currently enrolled in the State's Cooperative Purchasing Program. Purchases made from this Contract by a political subdivision that is not properly registered with the State's Cooperative Purchasing Program will be a violation of law and may be contrary to the political subdivision's competitive bidding requirements. If a political subdivision or institution of higher education relies upon this Contract to issue a purchase order or other ordering document, the political subdivision or institution of higher education "steps into the shoes" of the State under this Contract. The political division's or institution of higher education's order and this Contract are between the Contractor and the political subdivision or institution of higher education. The Contractor must look solely to the political subdivision or institution of higher education for performance, including payment. The Contractor agrees to hold the state of Ohio harmless with regard to political subdivisions and institution of higher education's orders and political subdivision's and institution of higher education's performance. DAS may cancel this Contract and may seek remedies if the Contractor fails to honor its obligations under an order from a political subdivision or institution of higher education.

CONTRACTOR QUARTERLY SALES REPORT. The Contractor must report the quarterly dollar value (in U.S. dollars and rounded to the nearest whole dollar) of the sales, to include both state agencies and political subdivisions, under this Contract by calendar quarter (e.g. January-March, April-June, July-September and October-December). The dollar value of the sale is the price paid by the Contract user for the products and/or services listed on the purchase order or other encumbering document, as recorded by the Contractor.

The Contractor shall be required to report the quarterly dollar value of sales to the Department of Administrative Services (DAS) on a form prescribed by DAS. If no sales occur, the Contractor must show zero. The report must be submitted thirty (30) days following the completion of the reporting period.

The Contractor shall also submit a close-out report within one hundred and twenty (120) days after the expiration of this Contract. The Contract expires upon the physical completion of the last outstanding task or delivery order of the Contract. The close-out report must cover all sales not shown in the final quarterly report and reconcile all errors and credits. If the Contractor reported all contract sales and reconciled all errors and credits on the final quarterly report, then the Contractor should show zero "0" sales in the close-out report.

The Contractor must forward the Quarterly Sales Report to the following address:

Department of Administrative Services
Office of Finance
30 E. Broad Street, 40th Floor
Columbus, OH 43215

If the Contractor fails to submit sales reports, falsifies reports or fails to submit sales reports in a timely manner, DAS may terminate or cancel this Contract.

SPECIAL CONTRACT TERMS AND CONDITIONS (cont.)

CONTRACTOR REVENUE SHARE. The Contractor must pay the Department of Administrative Services (DAS) a revenue share of the sales transacted under this contract. The Contractor must remit the revenue share in U.S. dollars within thirty (30) days after the end of the quarterly sales reporting period. The revenue share equals 0.75% of the total quarterly sales reported. Contractors must include the revenue share in their prices. The revenue share is included in the award price(s) and reflected in the total amount charged to ordering agencies which includes both state agencies and political subdivisions using this Contract.

The contractor must remit any monies due as the result of the close-out report at the time the close-out report is submitted to DAS. The Contractor must pay the revenue share amount due by check. To ensure the payment is credited properly, the Contractor must identify the check as a "Revenue Share" and include the following information with the payment:

Applicable State Term Contract Number, report amount(s) and the reporting period covered.

The Contractor should make the check payable to: Ohio Treasurer Kevin L. Boyce and forward the check to the following address:

Department of Administrative Services
Office of Finance
30 E. Broad Street, 40th Floor
Columbus, OH 43215

If the full amount of the revenue share is not paid within thirty (30) calendar days after the end of the applicable reporting period, the non-payment constitutes a contract debt to the State. The State may either initiate withholding or setting off payments or employ the remedies available under Ohio law for the non-payment of the revenue share.

If the Contractor fails to pay the revenue share in a timely manner, DAS may terminate or cancel this Contract.

USAGE REPORTS: Every six (6) months the contractor must submit a report (written or on disk) indicating sales generated by this contract. The report shall list usage by customer, by line item, showing the quantities/dollars generated by this contract. The report shall be forwarded to the Office of Procurement Services, 4200 Surface Road, Columbus, OH 43228-1395, Attn: Alice Ewing.

CONTRACT RENEWAL: See Article S-6. Contract Renewal: This Contract may be renewed solely at the discretion of DAS for a period of one month. Any further renewals will be for an appropriate period of time. The cumulative time of all renewals may not exceed twenty-four (24) months unless DAS determines that additional renewal is necessary.
