A MAC is a contract with more than one supplier of the same or similar types of supplies or services at varying prices for delivery within the same geographic area. The State's obligations under a MAC are subject to the Ohio Controlling Board's continuing authorization to use the MAC program authorizing the use of Multiple Award Contracts. By the signature affixed to Page 1, of this Bid, the Bidder certifies that it is currently in compliance and will continue to adhere to the requirements of the Ohio Ethics Law, Ohio Revised Code Section 102.04. The Bidder affirms that, as applicable to the Bidder, no party listed in Ohio Revised Code Section 3517.13 (I) or (J) or spouse of such party has made, as an individual, within the two previous calendar years, one or more contributions totaling in excess of \$1,000.00 to the Governor or to his campaign committees.

ESTABLISHED BUSINESS: To be considered responsive, the Bidder must, at the time of Bid submission be an established business firm with all required licenses, bonds, facilities, equipment and trained personnel necessary to perform the work in this Bid. Documented Proof may be required upon request by the Office of Procurement Services.

In addition, the State will review every Bid response to insure that the Bidder has properly responded to all of the requirements of the Bid. The State will award to all responsive and responsible bidders.

CONTRACT AWARD: A Contract will be awarded to all responsive and responsible Bidders.

SPECIFICATION QUESTIONS: Information regarding submission of questions and clarifications for this Bid is provided on page one (1) of the Bid. Through the indicated inquiry closure date, Bidders may visit the Procurement Services website to post Bid related questions at <www.ohio.gov/procure>. Answers to all Bidder questions will be posted on the Procurement Services website and linked to the Bid number. Bidders can make their own inquiry and/or review all inquiry questions/responses from the same website page from which the Bid document is downloaded. The State will make every effort to respond to website inquiries within forty-eight (48) hours of receipt. The State will not respond to any verbal or written questions received through any other medium. No prospective Bidder shall respond to any verbal instructions or changes to this Bid. Failure to provide mandatory submissions with the Bid response or failure to provide the required documentation/materials, as applicable, within the stated time period will result in the Bidder being deemed as not responsive and the Bid response will be immediately disqualified with no further consideration given for potential awarding of the Contract.

For specific submission requirements, Bidders should refer to Specifications and Requirements and the Bid Submission Check List for a listing of those mandatory submissions due with the Bid response and those other submissions that should be submitted with the Bid response, but which do not become mandatory until requested during the Bid evaluation period.

SPECIAL CONDITIONS: The Director, Department of Administrative Services reserves the right to Bid large or unusual requirements, for items that may be a part of the awarded Contract, under a separate Bid.

EXCEPTIONS: Any exceptions to these specifications must be explicitly detailed in the Bidder's response. Exceptions will not disqualify a Bidder's response, except in cases where specifically noted. It is the intention of the State to fully evaluate all acceptable alternate equal Bid responses that meet the overall requirements of these specifications. State personnel will evaluate exceptions to determine whether variances are material enough to represent a violation of the specification intent or would give the Bidder a competitive advantage. However, exceptions to the stated levels of performance, reliability, and timeliness would represent such a violation of the intent of these specifications that would necessitate rejection of the Bid response.

SPECIAL CONTRACT TERMS AND CONDITIONS

INCURRED COSTS: The State is not liable for any costs incurred by the Bidder prior to issuance of a Contract.

SPECIAL CHARGES: There shall be no assessment, surcharge, small order charge, broken case charge, minimum order charge, single item charge nor any other unspecified additional charge allowed by the State that is not specifically mentioned in this Bid or in any Contract awarded pursuant to this Bid. The Contractor must provide merchandise/service in unit quantity(s) as indicated in the Bid/Bid response/Contract.

DELIVERY AND ACCEPTANCE: Services will be performed as set forth in the Contract and in accordance with paragraphs S-8, S-9, and S-10 of the SUPPLEMENTAL CONTRACT TERMS AND CONDITIONS. The location of performance will be noted on the purchase order issued by the participating agency. Payment for services rendered will occur upon the inspection and written confirmation by the ordering agency that the services provided conform to the requirements set forth in the Contract. Unless otherwise provided in the Contract, payment shall be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

DESCRIPTIVE LITERATURE: The Bidder may be required to submit descriptive literature of the supplies or services being offered. If requested, the literature will be used in the evaluation process to determine the lowest responsive and responsible Bidder. If not provided as part of the Bid response, the Bidder must provide said literature within ten (10) calendar days after request/notification by the Office of Procurement Services to do so. Any references, that may appear in the descriptive literature, that may alter the terms and conditions and specifications of the Bid (i.e. F.O.B. Shipping Point or Prices Subject to Change), will not be part of any Contract and will be disregarded by the state of Ohio. Failure of the Bidder to furnish descriptive literature either as part of their Bid response or within the time specified herein will deem the Bidder not responsive.

SUBCONTRACTING: The awarded Contractor shall be solely responsible for the Contract. Subcontracting by the Contractor shall not be permitted unless approved by the State. On a per project basis, the Contractor shall clearly identify which requirements are subcontracted and identify the subcontracting company, corporation, etc. and responsible business contacts therein. No Contractor shall engage a subcontractor for work on State property without the prior written approval of the agency or entity that issued the original purchase order.

FIXED-PRICE WITH ECONOMIC ADJUSTMENT: The Contract prices(s) will remain firm for the first six (6) months duration of the Contract. Thereafter, the Contractor may submit a request to increase their price(s) to be effective thirty (30) calendar days after acceptance by DAS. No price adjustment will be permitted prior to the effective date of the increase received by the Contractor from his suppliers, or on purchase orders that are already being processed, or on purchase orders that have been filled and are awaiting shipment. If the Contractor receives orders requiring quarterly delivery, the increase will apply to all deliveries made after the effective date of the price increase.

The price increase must be supported by a general price increase in the cost of the finished supplies, due to increases in the cost of raw materials, labor, freight, Workers' Compensation and/or Unemployment Insurance, etc. Detailed documentation, to include a comparison list of the Contract items and proposed price increases, must be submitted to support the requested increase. Supportive documentation should include, but is not limited to: copies of the old and the current price lists or similar documents which indicate the original base cost of the product to the Contractor and the corresponding increase, and/or copies of correspondence sent by the Contractor's supplier on the supplier's letterhead, which contain the above price information and explains the source of the increase in such areas as raw materials, freight, fuel or labor, etc.

Should there be a decrease in the cost of the finished product due to a general decline in the market or some other factor, the Contractor is responsible to notify DAS immediately. The price decrease adjustment will be incorporated into the Contract and will be effective on all purchase orders issued after the effective date of the decrease. If the price decrease is a temporary decrease, such should be noted on the invoice. In the event that the temporary decrease is revoked, the Contract pricing will be returned to the pricing in effect prior to the temporary decrease. For quarterly deliveries, any decrease will be applied to deliveries made after the effective date of the decrease. Failure to comply with this provision will be considered as a default and will be subject to Provision I.C. "Termination/Suspension" and Provision II. of the "Contract Remedies:" of the "Standard Contract Terms and Conditions".

The political division's or institution of higher education's order and this Contract are between the Contractor and the political subdivision or institution of higher education. The Contractor must look solely to the political subdivision or institution of higher education for performance, including payment. The Contractor agrees to hold the state of Ohio harmless with regard to political subdivisions and institution of higher education's orders and political subdivision's and institution of higher education's performance. DAS may cancel this Contract and may seek remedies if the Contractor fails to honor its obligations under an order from a political subdivision or institution of higher education.

The dollar value of the sale is the price paid by the Contract user for the products and/or services listed on the purchase order or other encumbering document, as recorded by the Contractor.

The Contractor shall be required to report the quarterly dollar value of sales to the Department of Administrative Services (DAS) on a form prescribed by DAS. If no sales occur, the Contractor must show zero. The report must be submitted thirty (30) days following the completion of the reporting period.

The Contractor shall also submit a close-out report within one hundred and twenty (120) days after the expiration of this Contract. The Contract expires upon the physical completion of the last outstanding task or delivery order of the Contract. The close-out report must cover all sales not shown in the final quarterly report and reconcile all errors and credits. If the Contractor reported all Contract sales and reconciled all errors and credits on the final quarterly report, then the Contractor should show zero "0" sales in the close-out report.

The Contractor must forward the Quarterly Sales Report to the following address:

Department of Administrative Services
General Services Division, Term Contract Program
4200 Surface Road
Columbus, OH 43228-1395

The Contractor must remit the revenue share in U.S. dollars within thirty (30) days after the end of the quarterly sales reporting period. The revenue share equals 0.75% of the total quarterly sales reported. Contractors must include the revenue share in their prices. The revenue share is included in the award price(s) and reflected in the total amount charged to ordering agencies which includes both State agencies and political subdivisions using this Contract.

The Contractor must remit any monies due as the result of the close-out report at the time the close-out report is submitted to DAS. The Contractor must pay the revenue share amount due by check. To ensure the payment is credited properly, the Contractor must identify the check as a "Revenue Share" and include the following information with the payment:

The State may either initiate withholding or setting off payments or employ the remedies available under Ohio law for the non-payment of the revenue share.

If the Contractor fails to pay the revenue share in a timely manner, DAS may terminate or cancel this Contract.

INSURANCE DOCUMENTS: Upon the policy renewal date, the Contractor must submit, within thirty (30) days, updated insurance documents showing compliance with all applicable coverages required by this Contract. As required, the documents must include a current Workers' Compensation Certificate and an Acord Certificate of all applicable insurance coverages and must include all required Commercial General Liability endorsements as described in Articles S-12 and S-13 of the Supplemental Terms and Conditions of this Contract.
