In addition, the state will evaluate the bid based on the total item cost, plus the delivery charge for the evaluation. If there is no delivery charge per mile round trip map mileage rate supplied or the calculated value of the delivery charge is less than the minimum delivery charge; the minimum delivery charge (Not To Exceed \$50.00) will be used for evaluation purposes.

The Contractor must look solely to the political subdivision or institution of higher education for performance, including payment. The Contractor agrees to hold the state of Ohio harmless with regard to political subdivisions and institution of higher education's orders and political subdivision's and institution of higher education's performance.
