REQUIREMENTS CONTRACT: ANIMAL FEED AND OTHER SUPPLEMENTS

CONTRACT No.: SA904910

EFFECTIVE DATES: 06/28/2010 to 05/31/2013

The Department of Administrative Services has accepted bids submitted in response to Invitation to Bid No. SR904910 that opened on 3/15/10. The evaluation of the bid response(s) has been completed. The bidder(s) listed herein have been determined to be the lowest responsive and responsible bidder(s) and have been awarded a contract for the items(s) listed. The respective bid response, including the Terms and Conditions for Bidding, Standard Contract Terms and Conditions, and Supplemental Contract Terms and Conditions, special contract terms & conditions, any bid addenda, specifications, pricing schedules and any attachments incorporated by reference and accepted by DAS become a part of this Requirements Contract.

This Requirements Contract is effective beginning and ending on the dates noted above unless, prior to the expiration date, the Contract is renewed, terminated or cancelled in accordance with the Contract Terms and Conditions.

This Requirements Contract is available to the Department of Rehabilitation and Corrections and Ohio Penal Industries (including Allen, Grafton, Lebanon, London, Mansfield, Marion, Pickaway, Ross, Southeastern and Southern Ohio Correctional Institutions), as applicable.

Agencies are eligible to make purchases of the listed supplies and/or services in any amount and at any time as determined by the agency. The State makes no representation or guarantee that agencies will purchase the volume of supplies and/or services as advertised in the Invitation to Bid.

SPECIAL NOTE: State agencies may make purchases under this Requirements Contract up to \$2500.00 using the state of Ohio payment card. Any purchase that exceeds \$2500.00 will be made using the official state of Ohio purchase order (ADM-0523). Any non-state agency, institution of higher education or Cooperative Purchasing member will use forms applicable to their respective agency.

Questions regarding this and/or the Requirements Contract may be directed to:

Walt Schneider, CPPB

NOTICE: This Invitation to Bid will be conducted by Reverse Auction. Bidders should carefully read Instructions to Bidders for Reverse Auction and Contract Terms and Conditions, through the link on page 1 of this Invitation to Bid prior to proceeding. The responses received will be for submission of documentation only, to pre-qualify bidders to participate in a Reverse Auction. The Reverse Auction will tentatively be held on 3/23/2010. Time frames will be determined and stated in the actual invitation to the reverse auction. The reverse auction platform will be available for placeholder bids as stated in the invitation issued by HedgeHog Inc. to qualified bidders. Products offered in this submission will be the same products bid upon during the Reverse Auction and the same products supplied, upon award of any ensuing contract. This pre-qualification does not require submission of pricing at this time. However, prospective bidders shall indicate in the spaces provided on the Item Identification pages, the items they intend to bid on during the ensuing reverse auction by indicating the Manufacturer Name, Brand and Manufacturer Item number that will be bid in the columns so labeled.

SPECIAL CONTRACT TERMS AND CONDITIONS

AMENDMENTS TO CONTRACT TERMS AND CONDITIONS: The following Amendments to the Contract Terms and Conditions do hereby become a part hereof. In the event that an amendment conflicts with the Contract Terms and Conditions, the Amendment will prevail.

BIDDER QUALIFICATIONS: To participate in the Reverse Auction bidders must pre-qualify. In order to be deemed responsive, responsible and qualified to participate in the reverse auction, bidders must submit the following with their pre-qualification response.

- I. Bidders shall complete and submit with their bid the BID COVER PAGE on page 1 of this Invitation to Bid / Qualification Summary.
- II. Bidders shall complete and submit with their bid the REQUIRED CERTIFICATION FOR BIDDING on page 2 of this Invitation to Bid / Qualification Summary.
- III. Bidders shall complete and submit with their bid the DECLARATION REGARDING MATERIAL ASSISTANCE Form described on page 2 of this Invitation to Bid / Qualification Summary.
- IV. Bidders shall submit a sample of their label for each item bid as described on page 6 of this Invitation to Bid / Qualification Summary.
- V. Bidders shall complete and submit the DISCLOSURE OF SUBCONTRACTORS / JOINT VENTURES per the Contract Terms and Conditions page RA 10 of 14, Q.
- VI. Bidders shall supply letter stating ability to show proof of Workers' Compensation Liability Insurance, and Automobile and General Liability Insurance per the Contract Terms and Conditions (Rev. 10/01/07), Articles S-12 and S-13. Insurance must meet the minimum requirements, of the state of Ohio, as stated in these paragraphs.
- VII. Bidders responding to this Invitation to Bid must be authorized dealers or manufacturers of the products they are bidding. Bidders shall submit, with the pre-qualification response, certification attesting that they are the manufacturer or an authorized dealer of the manufacturer of the products being bid. This certification must be on the manufacturer's letterhead, signed by a duly authorized manufacturer's representative.

HOW, WHEN AND WHERE QUALIFICATION SUMMARY MAY BE DELIVERED: Each summary must be submitted in a sealed envelope with the bid number clearly marked on the exterior. If the bidder uses an express mail or courier service, the bid number must be clearly marked on the exterior of the express mail or courier envelope or must be enclosed in a sealed envelope inside the express mail or courier service envelope, with the bid number clearly marked on the inside envelope. DAS must receive the qualifications summary no later than 1:00 p.m. the day the summaries are scheduled for opening. DAS receives summaries during the hours of 8:00 a.m. through 4:30 p.m., Monday through Friday, except state observed holidays. DAS does not accept summaries with insufficient postage; collect on delivery, or through electronic means. Summaries must be delivered to the following address: Department of Administrative Services, General Services Division, Office Of Procurement Services, ATTN.: Bid Desk, 4200 Surface Road Columbus, OH 43228-1385.

DELIVERY AND ACCEPTANCE: Supplies will be delivered to the participating agency within seven (7) calendar days after receipt of order and, in accordance with paragraphs S-8, S-9, and S-10 of the SUPPLEMENTAL CONTRACT TERMS AND CONDITIONS. The delivery location will be noted on the purchase order issued by the participating agency. Acceptance (transfer of title) will occur upon the inspection and written confirmation by the ordering agency that the supplies delivered conform to the requirements set forth in the Contract. Unless otherwise provided in the Contract, acceptance shall be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

MINIMUM ORDER: The minimum order for animal feed (including soybean meal) placed against this contract to one contractor for delivery, F.O.B. destination transportation charges prepaid, at any one time to one destination for single or combined items, shall not be less than four (4) tons. For mineralized supplements and other supplements, single or combined items, no order, for delivery at any one time to one destination, shall be less than one hundred (\$100.00) dollars.

Ordering facilities may elect to pick up at the contractor's place of business.

SPECIAL CONTRACT TERMS AND CONDITIONS (Cont'd.)

CONTRACT AWARD: Contracts will be awarded to the lowest responsive and responsible bidder by item. Awards will not be split by individual institution farms. Bidders may bid on more than one item. The same bidder may be awarded a contract for more than one item. Any bid not meeting the specifications of a particular item shall be disqualified for that item only. Separate awards will be made for both Beef Supplement Items (A1 and A2), each Dairy Item (B1 through B11), Soybean Meal (C), Milk Replacer (D), Feed Grade Alpha Tocopherol (E), Trace Mineralized Salt (F), Sodium Bicarbonate (G), Feed Grain Potassium (H), each Rumen Fermentation Items (I and J), Dried Distillers Grains (K), Pelleted Soybeans Hulls (L), Dried Molasses Supplement (M), All Purpose Mineral & Vitamin Supplement (N), IGR Supplement (O), Mineral Blocks W/Rumensin (P), Special Mineral/Vitamin Supplement/Medicated (Q), Calcium Carbonate (R), Magnesium Oxide (S), and Potassium Chloride (T). Any item shown with an unknown quantity will be based upon the quantity of one (1).

REQUIRED SUBMISSIONS: As specified, required submissions must be submitted with the bid/qualification summary response. If not submitted with the Bid, the Bidder must provide the said documentation/materials within seven (7) calendar days after notification, to the Office of State Purchasing. Failure to provide required submissions with the bid response or failure to provide the required documentation/materials, as applicable, within the stated time period will result in the Bidder being deemed not responsive and the bid response will be immediately disqualified with no further consideration given for potential awarding of the Contract. For specific submission requirements, Bidders should refer to Specifications, Requirements and the Bid Submission Check-Off List (page 28) for a listing of required submissions due with the bid response and those other submissions that should be submitted with the bid response, but which do not become mandatory until requested during the bid qualification / evaluation period.

SAMPLES: DAS may require bidders, by Invitation to Bid or by request during evaluation, to provide sample supplies or equipment or examples of work, at the bidder's expense. Samples must clearly identify the bidder, the bid number, and the item the sample represents in the bid. DAS will return samples that are not destroyed by testing, at the bidder's expense, upon the bidder's timely request. DAS may keep the samples of the bidder awarded the contract until the completion of the contract. Unsolicited samples submitted in response to this Invitation to Bid will not be evaluated and DAS may dispose of them in any way it chooses.

USAGE REPORTS: At no cost to the state, the Contractor shall be required to provide quarterly, bi-annual or annual usage reports as requested by the Office of Procurement Services. The reports will include information as to purchase activity under the Contract by all participating agencies and Co-operative Purchasing Program members. Report topics will include, but will not be limited to: customer name, date of purchase, item description, quantity, dollar value, aggregate sales to date for each customer and other such information as requested by the Office of Procurement Services. Electronic media is the preferred method for these reports. Failure to provide the requested reports will be deemed as an event of default.

ELECTRONIC COMERCE PROGRAM: The state of Ohio is an active participant in E-Commerce to include Electronic Data Interchange (EDI). This program will benefit both the state and the contractor by reducing time delays in receiving orders and payments that are associated with the existing manual processes. It is the goal of the state of Ohio to eventually conduct all procurement activities through electronic commerce technologies. Contractor is encouraged to move toward compliance with electronic commerce technologies, as this will be the preferred method of doing business with the state of Ohio in the future. The following information is offered to assist all interested businesses in their efforts to move toward becoming a trading partner with the state of Ohio through the electronic commerce technologies. Electronic Data Interchange (EDI) is used for electronic purchase orders, invoicing, and payment of purchases. The program includes sending electronic purchase orders to the Contractor, the receipt of electronic invoices from the Contractor and the transmission of payment and remittance information back to the Contractor. A complete "Implementation Guide", for doing business with the state of Ohio using EDI, can be found on the Internet at: <http://ecedi.ohio.gov/financial/>. This guide contains all of the information necessary for a company to become EDI compliant.

FIXED-PRICE WITH ECONOMIC ADJUSTMENT: The contract prices(s) will remain firm for the first six (6) months duration of the contract. Thereafter, the Contractor may submit a request to increase their price(s) to be effective thirty (30) calendar days after acceptance by DAS. No price adjustment will be permitted prior to the effective date of the increase received by the Contractor from his suppliers, or on purchase orders that are already being processed, or on purchase orders that have been filled and are awaiting shipment. If the Contractor receives orders requiring quarterly delivery, the increase will apply to all deliveries made after the effective date of the price increase.

The price increase must be supported by a general price increase in the cost of the finished supplies, due to increases in the cost of raw materials, labor, freight, Workers' Compensation and/or Unemployment Insurance, etc. Detailed documentation, to include a comparison list of the contract items and proposed price increases, must be submitted to support the requested increase. Supportive documentation should include, but is not limited to: copies of the old and the current price lists or similar documents which indicate the original base cost of the product to the Contractor and the corresponding increase, and/or copies of correspondence sent by the Contractor's supplier on the supplier's letterhead, which contain the above price information and explains the source of the increase in such areas as raw materials, freight, fuel or labor, etc.

SPECIAL CONTRACT TERMS AND CONDITIONS (Cont'd.)

Should there be a decrease in the cost of the finished product due to a general decline in the market or some other factor, the Contractor is responsible to notify DAS immediately. The price decrease adjustment will be incorporated into the contract and will be effective on all purchase orders issued after the effective date of the decrease. If the price decrease is a temporary decrease, such should be noted on the invoice. In the event that the temporary decrease is revoked, the contract pricing will be returned to the pricing in effect prior to the temporary decrease. For quarterly deliveries, any decrease will be applied to deliveries made after the effective date of the decrease. Failure to comply with this provision will be considered as a default and will be subject to Provision I.C. "Termination/Suspension" and Provision II. of the "Contract Remedies:" of the "Standard Contract Terms and Conditions".

E.D.G.E Certification: The Office of State Purchasing has identified those Contractors who were E.D.G.E. certified at the time of award of the Contract. It is possible that a Contractor's certification status may change during the term of the Contract. Agencies should refer to the Equal Opportunity Division website at <http://www.das.ohio.gov/eod/mbesearch/edgeindex.asp> to verify E.D.G.E. Certification status of the Contractor.

OPI CONTACT: In the event that any questions are not resolved at the individual farm level, the contractor may contact the Business Administrator at the institution of the respective farm.

SPECIAL NOTE: The state of Ohio, Departments of Administrative Services and Rehabilitation and Corrections reserves the right to add additional sites for shipment.

SPECIFICATIONS

I. SCOPE AND CLASSIFICATION:

A. SCOPE:

1. The state of Ohio, Department of Rehabilitation and Corrections has requirements for various types of animal feed and feed supplements. These supplements will be used at various Department of Rehabilitation and Corrections farms throughout the state.
2. These specifications state the minimum level of the crude protein and crude fat; maximum level of NPN and crude fiber.
3. Bidders may offer a feed and/or feed supplement with a higher value of crude protein and crude fat and an equal or lower value of NPN and crude fiber. These requirements are delineated into four (4) categories.

B. CLASSIFICATION:

1. Beef (Items A1- 2; page 8)
2. Dairy (Items B1 – 11; pages 9-17)
3. Supplements (Items C – T; pages 18-28)

II. REQUIREMENTS:

- A. Each classification has a requirement for various types of feed supplement. The dairy classification has a requirement for a milk replacer and a 18% complete calf ration.
- B. Bidder is required to submit a bid on all the items within a species classification (Beef or Dairy) for a particular farm, but need not bid on all classifications or on all farms.
- C. All feeds must be fresh and not over thirty (30) days old on delivery.
- D. Feed must not have moisture content more than 12%.
- E. All feeds must conform to the NRC (National Research Council) requirements and meet the laws and regulations as set forth by The Ohio Department of Agriculture.
- F. The Complete Calf Ration must be supplied in pellet form. All other feeds must be supplied in a meal form as per the standards set up by the industry. In addition, all farms must be offered the feed in a pelleted form for use by individual farms.

The state of Ohio reserves the right to place an order for delivery of pelleted feed only as and when needed during the life of the contract. In the event this clause is exercised, the pelleting cost stated in the contract must be used and stated on the Purchase Order along with the Base Price and Mark Up charge to determine the total delivered cost.
- G. The medication charges listed for various feeds/supplements are to be included with the bid price. For all other items in each classification, a list of medications and/or feed additives, if available, and the cost of each may be furnished with the bid. This charge will not be used for evaluation, but may be ordered by the state. Bidder(s) must quote the charge for the feed additive Monensin for both low and high NPN beef supplement.
- H. All bidders must submit a sample of their label for each item bid (do not submit a typed sheet of contents). The percentage of crude protein, NPN equivalent, crude fat and crude fiber must be specifically stated. Bidder must also include with/on the label, specific feeding direction on mixing supplements with grains and/or roughage for various protein levels in rations so that institutions may correctly formulate said rations. All labels submitted must be properly identified as to item bid, with that item number and attached to the back of the last bid page. Failure to submit labels may deem your bid non-responsive.
- I. In any feed or feed supplement where the state's specification allows Non Protein Nitrogen (NPN), the percentage of crude protein derived from NPN must not exceed the percentage requirement listed as "maximum % of crude protein derived from NPN sources". Bidder must list his manufacturer's analysis on the appropriate blanks and show the percentage of NPN as determined by the formula.
- J. Custom blending: Bidders must offer a single commercial feed manufacturer's line of feeds in each requested species classification. Bidders may not accept any special orders or custom blends from state institutions.

SPECIFICATIONS (Cont'd.)

- K. Bidder assistance: At the request of any state institution farm, the bidder shall furnish without charge, competent nutritional consultation. Such service is to include on-site visitations by a graduate nutritionist to evaluate feeding programs and ration formulations. In the event of specific problems, the bidder shall recommend corrective remedies.
 - L. The Milk Replacer and the 18% Crude Protein Complete Calf Feed will be bid on a straight cost per ton basis.
 - M. Each protein supplement: The base price of this quotation is the cash (spot) average price of soy bean meal, 48% published Monday through Friday in the Wall street Journal under the column "Cash Prices, Grains and Feeds.
- III. PACKAGING: Besides supplying bulk, the successful bidders are also required to supply the feed and feed supplements in suitable bags which are to be standard to the industry.
- IV. ORDERING PROCEDURE: After the contract is awarded the following procedure shall be followed to place the purchase order with the contractor.
- A. The price as indicated for Milk Replacer, Complete Calf Ration, Trace Mineralized Salt, Sodium Bicarbonate and other mineral supplements is a net price and the same is to be stated on the purchase order. However, while ordering other items, the Base Price must be obtained from the contractor and added to the "mark-up", in accordance with the following procedure, to formulate a "Net Price".
 - B. The orders must be placed by authorized persons of the using agencies.
 - C. After the orders are placed, the contractor is to contact the ordering agency(s) on the day of or the day following shipment and provide the "Base price" prevailing on the day the order was placed. After receiving the above "base price" the ordering agency will then process the confirming purchase order.
 - D. A copy of the Wall Street Journal page showing the base price of soy bean meal against every shipment must be enclosed and submitted with every invoice to process the payment, etc. Agency must add the contractual "mark-up" to the base price while processing the confirming purchase order.
 - E. Invoice must include Oaks Item ID Number for each feed delivered. Additional charge for bagging, pelleting, medication and feed additives must be itemized separately.
- V. NOTES:
- A. Bidders should familiarize themselves with the Workers' Compensation (S-12), Automobile and General Liability Requirements (S-13) of the Standard Contract Terms and Conditions. Bidders will be required to meet these requirements when requested.
