The political division's or institution of higher education's order and this Contract are between the Contractor and the political subdivision or institution of higher education. The Contractor must look solely to the political subdivision or institution of higher education for performance, including payment. The Contractor agrees to hold the State of Ohio harmless with regard to political subdivision's and institution of higher education's orders and political subdivision's and institution of higher education's performance. The dollar value of the sale is the price paid by the Contract user for the products and/or services listed on the purchase order or other encumbering document, as recorded by the Contractor.

The Contractor shall be required to report the quarterly dollar value of sales to the Department of Administrative Services (DAS) on a form prescribed by DAS. The Contractor must forward the Quarterly Sales Report to the following address:

Department of Administrative Services  
General Services Division, Term Contract Program

The revenue share equals 0.75% of the total quarterly sales reported. Contractors must include the revenue share in their prices. The revenue share is included in the award price(s) and reflected in the total amount charged to ordering agencies which includes both state agencies and political subdivisions using this Contract.

The contractor must remit any monies due as the result of the close-out report at the time the close-out report is submitted to DAS. The Contractor must pay the revenue share amount due by check. 4200 Surface Road  
Columbus, OH 43228-1395

If the full amount of the revenue share is not paid within thirty (30) calendar days after the end of the applicable reporting period, the non-payment constitutes a contract debt to the State. The State may either initiate withholding or setting off payments or employ the remedies available under Ohio law for the non-payment of the revenue share.

If the Contractor fails to pay the revenue share in a timely manner, DAS may terminate or cancel this Contract.

**AUTHORIZED STOCKING DISTRIBUTOR:** For consideration for any awards, all bidders responding to this bid must be stocking distributors of the manufacturer(s) whose product(s) they are quoting. These conditions include meeting the minimum number of copies required per month and participating in the use of the copier/printer for the required period of time (3 years). Failure to comply with either condition will result in increased cost to the agency including the possibility of additional costs per copy being applied retroactively. A 6 (six) month review of device volume will be conducted to ensure the proper machine is placed.

SPECIAL CONTRACT TERMS AND CONDITIONS (Cont'd)

**ACCESSORIES FOR QUOTED UNITS:** In addition to quoting the base unit for a category, bidders shall also quote on the available accessories for that unit. Accessories shall be priced on a cost-per-copy basis. Accessory pricing will be part of the bid evaluation. Failure to quote accessories for a Category as part of their bid response may deem the bidder not responsive for that Category. Although a required list of accessories is provided, bidders shall quote on additional accessories to be considered for inclusion with their base unit. The sole decision whether to include these additional accessories will be left to the discretion of the DAS Copier Program Manager.
