This is an offer to renew (the "Renewal") that Contract under its renewal provisions. Once this Renewal is signed by both parties, the term of the Contract will be renewed until June 30, 2009.

On Renewal, the Contract will be modified by replacing its ethics and election law section with the following, new section:

The Contractor further acknowledges that it has read the requirements of Revised Code Section 3517.13 regarding limitations on political contributions as a basis for eligibility to participate in government contracts and certifies that it and the listed individuals and business associates are in compliance with Section 3517.13 and will remain in compliance for the duration of the Contract and for one year following the conclusion of the Contract.

All other terms remain the same.

Should the Contractor fail to sign and return two copies of this Renewal to the State by June 30, 2007, or should an authorized representative of the State fail to countersign this Renewal by that date, the Contract will expire at the end of its current term.
