STATE TERM CONTRACT

THIS CONTRACT (the "Contract") is between the State of Ohio ("State"), through its Department of Administrative Services, General Services Division, at 4200 Surface Road, Columbus, Ohio, 43228 and Identix Incorporated ("Contractor"), with offices at 5705 W. Old Shakopee Rd., Suite 100 , Bloomington, MN, 55437.

BACKGROUND

The State recognizes that it is sometimes advantageous to do business with some manufacturers under a State term contract rather than through a competitive bidding or proposal process. In such cases, the State may enter into a contract with the manufacturer provided that the manufacturer offers its products and ancillary services at the same prices that the manufacturer offers those products and services to the US Government under the GSA's Multiple Award Schedule program or SmartBuy program. Or if the manufacturer has no contract under the GSA's Multiple Award Schedule program or SmartBuy program, the State will accept the pricing the manufacturer offers to its distributors. Further, if the manufacturer has no GSA Multiple Award Schedule or SmartBuy contract and no distributors, the State may accept the prices that the manufacturer offers to its most favored customers for each product or service.

The State also recognizes that some manufacturers work primarily through dealers for various reasons, including offering customers better support through dealers that have a local presence in a service area. Because of this, the State may sometimes agree to work directly with a manufacturer's dealers.

However, if the Contractor is not the manufacturer of the products or services under this Contract, the Contractor must submit a letter from the manufacturer that assures the State that the Contractor is an authorized dealer in the manufacturer's products or services. The letter also must assure the State that the Contractor will have sufficient quantities of the offered products for the duration of the Contract to meet the State's needs under the Contract during the initial term and any extensions. Further, the letter must identify each of the manufacturer's product and service that the Contractor will supply under this Contract. The letter also must contain an assurance of the availability through the dealer of repair services and spare parts for products covered by this Contract for five years from the date of purchase. It also must contain an assurance that software maintenance will be available under the terms of this Contract either from the dealer or the manufacturer for six years from the date of acceptance. (This assurance is not necessary for PC and PC-based server software with a perpetual license fee of less than $10,000.00 per copy.) The dealer must submit the letter, signed by an authorized representative of the manufacturer, with the executed copies of this Contract.

This Contract establishes terms and conditions under which State agencies (including any board, instrumentality, commission, or other political body) and Ohio political subdivisions, such as counties, municipalities, and townships, may acquire the Contractor's products or services at the pricing identified below. This Contract, however, only permits such; it is not a requirements contract and does not obligate any State agency or political subdivision to acquire the Contractor's products or services.

TERMS AND CONDITIONS

1 - TERM

1.1 **TERM.** This Contract is effective on the date the State's duly authorized representative executes it, as evidenced by the date appearing with the representative's signature, below. Unless this Contract is terminated or expires without renewal, it will remain in effect until June 30, 2013. Termination or expiration of this Contract will not limit the Contractor's continuing obligations with respect to Deliverables that the State paid for before termination or limit the State's rights in such.

2 - PRICING AND PAYMENT

2.1 **CERTIFICATION OF ACCURACY.** By checking one of the following three items, the Contractor certifies that the Contractor's prices under this Contract are:

X The prices at which the Contractor currently offers each product and service to the US Government under the GSA's Multiple Award Schedule program;
The prices at which the Contractor currently offers each product and service to the US Government under the GSA's SmartBuy program; or
The best prices at which the Contractor has offered each product and service to its most favored customers within one year before the date the Contractor executed this Contract or adds the product or service to this Contract, whichever is later.

If the Contractor is offering prices based on its most favored customer prices, the Contractor represents that it does not have a GSA Multiple Award Schedule or SmartBuy contract.

If the Contractor has submitted a manufacturer's letter to certify that the Contractor is an authorized dealer for the manufacturer, the Contractor represents that the information in the letter is accurate and that a duly authorized representative of the manufacturer signed the letter.

The Contractor further certifies that the above representations will apply and be true with respect to all future pricing information submitted to revise this Contract.

2.2 **PRICE ADJUSTMENTS.** If the Contractor has relied on its GSA Multiple Award Schedule pricing or its GSA SmartBuy pricing, the State will be entitled to any price decreases that the Contractor offers to the GSA for any of its products and services during the term of this Contract. The Contractor must notify the State of any reduction in its GSA Multiple Award Schedule or SmartBuy pricing within 30 days of its occurrence and immediately reduce the price of the affected products or services to the State under this Contract.

If the Contractor has relied on its best customer pricing, the State will be entitled to a price decrease any time the Contractor or any of its dealers or distributors under this Contract sells a product or a service to any of its customers for less than the price agreed to between the State and the Contractor under this Contract. Any time the Contractor or any of its dealers or distributors under Section 3.1 of this Contract sells a product or provides a service to any customer for less than it is then available to the State under this Contract, the Contractor must notify the State of that event within 30 days of its occurrence and immediately reduce the price of the affected products or services to the State under this Contract.

The Contractor also must notify the State within 30 days of any general reduction in the price of any product or service covered by this Contract, even if the general reduction does not place the price of the product or service below the price available to the State under this Contract. The purpose of this notice of a general reduction in price is to allow the State to assess the value the State believes it is receiving under this Contract in light of the general reduction. If the State believes it is appropriate, the State may ask to renegotiate the Contract price for the products and services affected by the general reduction in price. If the Contractor and the State cannot agree on a renegotiated price, then on written notice to the Contractor, the State may immediately remove the affected products and services from this Contract.

2.3 **PRICELIST.** The Contractor's pricelist for the products and services that the Contractor may provide to the State under this Contract is attached as Exhibit I. For convenience, those products and services are called "Deliverables" in this Contract. Any custom materials resulting from the Contractor's services also are called "Deliverables" in this Contract. The Contractor may not provide any other Deliverables under this Contract without a prior written amendment to this Contract that both the State and the Contractor have signed. Furthermore, the Contractor may not charge the State greater prices for these Deliverables than the prices on the Exhibit I. If Exhibit I contains or incorporates by reference any terms or conditions other than a description of the scope of license for software, a description of the Contractor's products and services, and the prices for those products and services, those terms or conditions are excluded from this Contract and are of no effect. Exhibit I is identified as the following pricelist:

Completed Price List - OH Contract 060111

The Contractor will not sell to the State any notebook computers with less than a 1.60 GHz internal clock speed. Additionally, the Contractor will not sell to the State any PCs or servers using CPUs with less than a 3.0 GHz internal clock speed. Additionally, the Contractor will not sell to the State any term software licenses. And except in the case of operating systems licensed in conjunction with desktop PCs, notebook computers, PDAs, and similar personal computing devices that the OEM does not distribute without an operating system, the Contractor will not sell or license any Microsoft software to the State. If any of the foregoing items are listed in the Contractor's pricelist, they are deleted for purposes of this Contract.

2.4 **Payment Due Date.** Payments will be due on the 30th day after the later of:

(a) The date the State actually receives a proper invoice at the office designated in the applicable purchase order to receive it; or

(b) The date the State accepts the Deliverable.

The date the State issues a warrant (the State's equivalent to a check) in payment of an invoice will be considered the date payment is made. Without diminishing the Contractor's right to timely payment, the payment will be overdue only if it is not received by the 30th day after the payment's due date. If the State has not issued payment by then, interest will begin to accrue under Ohio Revised Code (the "Code") § 126.30.

2.5 **Invoice Requirements.** The Contractor must submit an original invoice with three copies to the office designated in the purchase order as the "bill to" address. To be a proper invoice, the invoice must include the following information:

(a) Name and address of the Contractor as designated in this Contract;
(b) The Contractor's federal tax identification number as designated in this Contract;
(c) The Contractor's invoice remittance address as designated in this Contract;
(d) The purchase order number authorizing the delivery of the Deliverables;
(e) A description of the Deliverables, including, as applicable, the time period, serial number, unit price, quantity, and total price of the Deliverables; and

If an authorized dealer has fulfilled the purchase order, then the dealer's information should be supplied in lieu of the Contractor's information. If an invoice does not meet this section's requirements, or if the Contractor fails to give proper notice of a price increase (see the next section), the State will send the Contractor written notice. The State will send the notice, along with the improper invoice, to the Contractor's address designated for receipt of purchase orders within 15 days. The notice will contain a description of the defect or impropriety and any additional information the Contractor needs to correct the invoice. If such notification has been sent, the payment due date will be 30 days after the State receives a proper invoice and has accepted the Contractor's Deliverable.

2.6 **OHIO PAYMENT CARD.** Participating State agencies issuing orders under this Contract may use the Ohio Payment Card. Such purchases may not exceed $2,500 unless the Office of Budget and Management ("OBM") has authorized the agency to exceed this limit. If OBM increases the dollar limit for payment cards for all State agencies, the State will post notice of that on its Procurement Website. Participating State agencies are required to use the Ohio Payment Card in accordance with OBM's current guidelines for the Ohio Payment Card and the agency's approved plan filed with the OBM. The Contractor may process a payment in the payment card network only upon delivery and acceptance of the applicable Deliverables. For partial deliveries or performance, the Contractor may process a payment for the amount delivered or completed only and not for the entire amount ordered by the ordering agency. Upon completion of the delivery of remaining Deliverables, the Contractor may process a payment request in the payment card network for the remainder of the order. The Contractor should receive payment through its merchant bank within the time agreed upon between the Contractor and its merchant bank. The Contractor should expect normal processing fees from its merchant bank for payment card transactions, which the Contractor may not pass on to the State.

2.7 **NON-APPROPRIATION OF FUNDS.** The State's funds are contingent on the availability of lawful appropriations by the Ohio General Assembly. If the Ohio General Assembly fails to continue funding for any payments due hereunder, the order or orders under this Contract that are affected by the lack of funding will terminate as of the date that the funding expires, and the State will have no further obligation to make any payments with respect to the affected order or orders.

2.8 **OBM CERTIFICATION.** This Contract is subject to Code § 126.07. Any orders under this Contract are void until the Director of the OBM certifies that there is a balance in the appropriation available to pay for the order.

2.9 **CONTROLLING BOARD AUTHORIZATION.** The State's obligations under this Contract are subject to the Ohio Controlling Board continuing to authorize the State's use of its term contracts program. If the Ohio Controlling Board fails to authorize or withdraws its authorization for this program, this Contract will terminate immediately, and the Contractor may not take any more orders under it.

2.10 **TRAVEL EXPENSES.** Any travel that the Contractor requires to perform its obligations under this Contract will be at the Contractor's expense. The State will pay for any additional travel that it requests only with prior written approval. The State will pay for all additional travel expenses that it requests in accordance with OBM's travel policy in Rule126-1-02 of the Ohio Administrative Code (the "Administrative Code").

2.11 **TAXES.** The State is exempt from all sales, use, excise, and property taxes and will not pay any such taxes. To the extent sales, use, excise, or any similar taxes are imposed on the Contractor in connection with any Deliverable, the Contractor must pay those taxes together with any interest and penalties not successfully disputed with the taxing authority.

2.12 **OFFSET.** The State may set off any amounts the Contractor owes to the State under this or other contracts against any undisputed payments due from the State to the Contractor under this or any other contracts with the State.

3 - CONTRACT ADMINISTRATION

3.1 **DEALERS AND DISTRIBUTORS.** The State authorizes the Contractor to name one or more dealers to work with the State on behalf of the Contractor. But if the Contractor decides to use any dealers, the Contractor must submit the name, principal business address, addresses for purchase orders and for payments, telephone number, and its federal tax identification number. The Contractor also must submit a completed W9 form for each dealer it wishes to name under this section. The Contractor's submission must be on its official letterhead, signed by an authorized representative, and addressed to the Deputy State Chief Information Officer, Office of Information Technology.

In doing so, the Contractor warrants that:

(a) The Contractor has provided the dealer with a copy of this Contract, and a duly authorized representative of the dealer has agreed, in writing, to be bound by the terms and conditions in this Contract.
(b) Such agreement specifically provides that it is for the benefit of the State as well as the Contractor.
(c) The Contractor will remain liable under this Contract for the services of any dealer and will remedy any breach of the dealer under this Contract.
(d) Payments under this Contract for the services of any dealer may be made directly to that dealer, and the Contractor will look solely to the dealer for any payments due to the Contractor once the State has paid the dealer.
(e) To the extent that there is any liability to the State arising from doing business with a dealer that has not signed the agreement required under this section with the Contractor, the Contractor will indemnify the State for such liability.

If the Contractor wants to designate a dealer that will not receive payments (a "distributor"), the Contractor may do so by identifying the person or organization as a distributor in the authorizing letter. In such cases, information regarding taxpayer identification and payment addressing may be omitted, as may the distributor's W9 form. All other requirements and obligations for designating a dealer apply to designating a distributor.

The State strongly encourages the participation of small and disadvantaged businesses in its contracting programs and has created a certification program to Encourage Diversity Growth and Equity (EDGE) in State contracting. State agencies are instructed to include in their procurements such participation, including through the use of State Term Schedule contracts that are either held by EDGE businesses or that offer the opportunity to work with EDGE dealers or distributors.

3.2 **AUDITS.** During the term of this Contract and for three years after termination, on reasonable notice and during customary business hours, the State may audit the Contractor's records and other materials that relate to the Deliverables and to the pricing representations that the Contractor has made to acquire this Contract. This audit right also will apply to the State's duly authorized representatives and any organization providing funding for any Deliverable.

Unless it is impracticable to do so, all records related to this Contract must be kept in a single location, either at the Contractor's principle place of business or the facilities where the Contractor substantially performed under this Contract. If this is not practical, the Contractor must assume the cost of collecting, organizing, and relocating the records, along with any technology needed for accessing the records, to its office nearest Columbus, Ohio whenever the State or any entity with audit rights requests access to the records. The Contractor must do so within 15 days of receiving the State's written notice of its intent to audit the Contractor's records and must notify the State as soon as the records are ready for audit.

If any audit reveals any material misrepresentation or overcharge to the State, the State will be entitled to recover its damages, including the cost of the audit.

3.3 **INSURANCE.** The Contractor must provide the following insurance coverage at its own expense throughout the term of this Contract:

a. Workers' compensation insurance, as required by Ohio law, and if some work will be done outside Ohio, the laws of the appropriate states where work will be done. The Contractor also must maintain employer's liability insurance with at least a $1,000,000.00 limit.

b. Commercial General Liability insurance coverage for bodily injury, personal injury, wrongful death, and property damage. The defense cost must be outside of the policy limits. Such policy must designate the State of Ohio as an additional insured, as its interest may appear. The policy also must be endorsed to include a blanket waiver of subrogation. At a minimum, the limits of the insurance must be:

$ 2,000,000 General Aggregate
$ 2,000,000 Products/Completed Operations Aggregate
$ 1,000,000 Per Occurrence Limit
$ 1,000,000 Personal and Advertising Injury Limit
$ 100,000 Fire Legal Liability
$ 10,000 Medical Payments

The policy must be endorsed to provide the State with 30-days prior written notice of cancellation or material change to the policy. And the Contractor's Commercial General Liability must be primary over any other insurance coverage.

a. Commercial Automobile Liability insurance with a combined single limit of $500,000.

b. Professional Liability insurance covering all staff with a minimum limit of $1,000,000 per incident and $3,000,000 aggregate. If the Contractor's policy is written on a "claims made" basis, the Contractor must provide the State with proof of continuous coverage at the time the policy is renewed. If for any reason the policy expires, or coverage is terminated, the Contractor must purchase and maintain "tail" coverage through the applicable statute of limitations.

All certificates must be in a form that is reasonably satisfactory to the State as to the contents of the policies and the quality of the insurance carriers. All carriers must have at least an "A-" rating by A.M. Best.

3.4 **CONTRACT COMPLIANCE.** Any State agency that uses this Contract will be responsible for the administration of this Contract with respect to the orders that it places and may monitor the Contractor's performance and compliance with this Contract. If an agency becomes aware of any noncompliance with the terms of this Contract or the specifications of an order, the agency may document the noncompliance and give the Contractor written notice of the noncompliance for immediate correction. If the Contractor fails to cure the noncompliance, the agency may notify the State through the Department of Administrative Services, Office of State Purchasing, by executing a Complaint to Vendor form to help resolve the issue. Should the State determine that the form identifies an uncured breach of this Contract, the State may terminate this Contract and seek such other remedies as may be available to it.

3.5 **POLITICAL SUBDIVISIONS.** Ohio political subdivisions, such as Ohio cities, counties, and townships ("Political Subdivisions"), may rely on this Contract. Whenever a Political Subdivision relies on this Contract to issue a purchase order, the Political Subdivision will step into the shoes of the State under this Contract for purposes of its order, and, as to the Political Subdivision's order, this Contract will be between the Contractor and the Political Subdivision. The Contractor must look solely to the Political Subdivision for performance, including but not limited to payment, and must hold the State harmless with regard to such orders and the Political Subdivision's performance. But the State will have the right to terminate this Contract and seek such remedies on termination as this Contract provides should the Contractor fail to honor its obligations under an order from a Political Subdivision. Nothing in this Contract requires the Contractor to accept an order from a Political Subdivision, if the Contractor reasonably believes that the Political Subdivision is or will be unable to perform its obligations in relation to that order.

3.6 **RECALLS.** If a Deliverable is recalled, seized, or embargoed, or if the Contractor, a manufacturer, packer, processor, or regulatory body finds that a Deliverable has been misbranded, adulterated, or is unsafe, the Contractor must notify the State, through the Department of Administrative Services, Office of State Purchasing, as well as all agencies that have ordered the Deliverable, within ten business days after the Contractor learns of any of the above events. At the option of the State, the Contractor must either reimburse the State for the purchase price of each affected Deliverable or provide an equal or better replacement for each Deliverable at no additional cost to the State. The Contractor also must remove and replace all affected Deliverables within a reasonable time, as determined by the State. Further, at the option of the State, the Contractor may be required to reimburse the State for storage costs and handling fees, which the State may calculate from the time of delivery of each affected Deliverable to the Deliverable's actual removal. Furthermore, the Contractor must bear all costs associated with the removal and proper disposal of the affected Deliverables. The State will treat any failure to refund the purchase price or provide a suitable replacement within a reasonable time, not to exceed 30 days, as a default.

3.7 **TERMINATION.** The State may terminate this Contract or any order under this Contract if the Contractor defaults in meeting its obligations and fails to timely cure its default. The State also may terminate this Contract or any order under it if a petition in bankruptcy is filed by or against the Contractor and not dismissed within 60 days. And the State may terminate this Contract or any order under it if the Contractor violates any law or regulation while performing under this Contract or if it appears to the State that the Contractor's performance is substantially endangered through no fault of the State. In all of the foregoing cases, the termination will be for cause.

On written notice, the Contractor will have 30 days to cure any breach of its obligations under this Contract, provided the breach is curable. If the Contractor fails to cure the breach within 30 days after written notice or if the breach is not one that is curable, the State will have the right to terminate this Contract, the applicable orders, or both immediately upon written notice to the Contractor. Some provisions of this Contract may provide for a shorter cure period than 30 days or for no cure period at all. Those provisions will prevail over this one. If a particular section does not state what the cure period will be, this provision will govern.

The State also may terminate this Contract in the case of breaches that are cured within 30 days but are persistent. "Persistent" in this context means that the State has notified the Contractor in writing of the Contractor's failure to meet any of its obligations two times. After the second such notice, the State may terminate this Contract without a cure period if the Contractor again fails to meet any obligation. The three defaults do not have to relate to the same obligation or type of failure.

The State also may terminate this Contract or any order under this Contract for its convenience and without cause. And the State may terminate this Contract or any order under it if the Ohio General Assembly fails to appropriate funds for any order under this Contract. Further, if a third party is providing funding for an order, the State also may terminate this Contract or any order under it should that third party fail to release any funds related to this Contract or an order under it.

Any notice of termination will be effective as soon as the Contractor receives it. On receipt of the notice of termination, the Contractor will immediately cease all work on any Deliverables affected by the termination and take all steps necessary to minimize any costs the Contractor will incur related to the affected orders. The Contractor also must immediately prepare a report and deliver it to the State. The report must detail all open orders at the time of termination.

If the State terminates this Contract or any order for cause, it will be entitled to cover for the affected orders by using another vendor or vendors on such commercially reasonable terms and conditions as it and the covering vendors may agree. The Contractor will be liable to the State for all costs related to covering for the affected orders to the extent that such costs exceed the costs that the State would have incurred under this Contract for those orders. The Contractor also will be liable for any other direct damages resulting from its breach of this Contract or other event leading to termination for cause.

If the termination is for the convenience of the State, the Contractor will be entitled to compensation for any Deliverable that the Contractor has delivered before the termination. Such compensation will be the Contractor's exclusive remedy in the case of termination for convenience and will be available to the Contractor only once the Contractor has submitted a proper invoice for such, with the invoice reflecting the amount the State determines that it owes the Contractor.

3.8 **Excusable Delay.** Neither party will be liable for any delay in its performance under this Contract that arises from causes beyond its reasonable control and without its negligence or fault. The delayed party must notify the other promptly of any material delay in performance and must specify in writing the proposed revised performance date as soon as practicable after notice of delay. For any such excusable delay, the date of performance or delivery will be extended for a period equal to the time lost by reason of the excusable delay. The delayed party also must describe the cause of the delay and what steps it then is taking or will take to remove the cause. The delayed party may not rely on a claim of excusable delay to avoid liability for a delay if the party has not taken commercially reasonable steps to mitigate or avoid the delay.

3.9 **Independent Status.** The parties will be acting as independent entities. The partners, employees, officers, directors, and agents of one party may only act in the capacity of representatives of that party and not as employees, officers, directors, or agents of the other party and will not be deemed as such for any purpose. Each party assumes full responsibility for the actions of its partners, employees, officers, directors, and agents while performing under this Contract and will be solely responsible for paying those people. Additionally, each party will be solely responsible for withholding and paying social security and income taxes, making workers' compensation contributions, paying disability benefits, and providing fringe benefits, if any, for its partners, employees, officers, directors, and agents, and neither party may legally bind the other party in any manner.

3.10 **Location of Services and Data.** As part of this Contract, the Contractor must disclose the following:

(a) All locations where any services will be performed;
(b) All locations where any State data applicable to the Contract will be maintained or made available; and
(c) The principal place of business for the Contractor and all its subcontractors.

The Contractor may not change any location where any services are performed to a location outside the country of the original location or change any location where the data is maintained or made available to any other location outside the country of the original location without prior written approval of the State, which the State will not be obligated to provide.

4 - Delivery and Acceptance

4.1 **Acceptance.** The acceptance procedure for Deliverables will be an informal review by the agency acquiring the Deliverables to ensure that each Deliverable meets the warranties in this Contract. The State will have up to 30 days after installation to do this. The State will not issue a formal letter of acceptance, and passage of 30 days will imply acceptance, though the State will issue a notice of noncompliance if a Deliverables does not meet the warranties in this Contract.

If the State issues a noncompliance letter, the Contractor will have 30 days to correct the problems listed in the letter. If the Contractor fails to do so, the Contractor will be in default without a cure period. If the State has issued a noncompliance letter, the Deliverable will not be accepted until the State issues a letter of acceptance indicating that each problem noted in the noncompliance letter has been cured. If the problems have been fixed during the 30-day period, the State will issue the acceptance letter within 15 days after all defects have been fixed.

4.2 **Title.** Title to any hardware Deliverable will pass to the State only on acceptance of the Deliverable, and all risk of loss will remain with the Contractor until title to the Deliverable passes to the State.

4.3 **Deliveries.** The Contractor must make all deliveries F.O.B. destination.

5 - Intellectual Property

5.1 **Commercial Material.** As used in this section, "Commercial Material" means anything that the Contractor or a third party has developed at private expense and that is commercially available in the marketplace, subject to intellectual property rights, and readily susceptible to copying through duplication on magnetic media, paper, or other media. Examples include the written reports, books, pictures, videos, movies, computer programs, source code, and documentation.

Any Commercial Material that the Contractor intends to deliver as a Deliverable must have the scope of the license granted in such material disclosed in an Exhibit to this Contract, if that scope of license is different than the scope of license contained in this section for Commercial Materials.

Except for Commercial Material that is software ("Commercial Software"), if the Commercial Material is copyrighted and published material, then the State will have the rights permitted under the federal copyright laws for each copy of the Commercial Material delivered to it by the Contractor.

Except for Commercial Software, if the Commercial Material is patented, then the State will have the rights permitted under the federal patent laws for each copy of the Commercial Material delivered to it by the Contractor.

For Commercial Software, the State will have the following, perpetual rights, subject to the next paragraph. The State may:

(1) Use and copy the Commercial Software for use in or with the computer or computers for which it was acquired, including use at any State installation to which such computer or computers may be transferred;
(2) Use or copy the Commercial Software for use with a backup computer for disaster recovery and disaster recovery testing purposes or if any computer for which it was acquired is inoperative;
(3) Reproduce the Commercial Software for archival, image management, and backup purposes;
(4) Combine the Commercial Software with other computer software, provided that the, combined, portions of the derivative software incorporating any of the Commercial Software will be subject to same restrictions on use;
(5) Disclose to and reproduce the Commercial Software for use on behalf of the State by support service contractors or their subcontractors, subject to the same restrictions on use; and
(6) Use or copy the Commercial Software for use with a replacement computer.

In the case of any other scope of license (e.g., MIPs, tier, concurrent users, enterprise, site, or otherwise), the foregoing will apply except as expressly modified by the applicable license description, which must be incorporated as part of Exhibit I. If the Contractor provides greater license rights in an item included in Exhibit I to its general customer base for the Software's list price, those additional license rights also will be provided to the State without additional cost or obligation. No license description may reduce the rights in items 1 through 6 above; it may only define the extent of use, if the use is other than a CPU license.

The State will treat any Commercial Software as Confidential Information, in accordance with the requirements of the Confidential Information section of this Contract, if the Commercial Software is clearly and conspicuously labeled as confidential or secret.

5.2 **CUSTOM DELIVERABLES.** All custom work done by the Contractor that is unique to the State and is not a derivative of any pre-existing material belonging to Contractor and covered by this Contract will belong to the State, with all rights, title, and interest in all intellectual property that comes into existence through the Contractor's work under this Contract being assigned to the State. Additionally, the Contractor waives any shop rights, author rights, and similar retained interests in any such custom developed materials. The Contractor must provide the State with all assistance reasonably needed to vest such rights of ownership in the State. However, the Contractor will retain ownership of all tools, methods, techniques, standards, and other development procedures, as well as generic and preexisting shells, subroutines, and similar material incorporated in any custom Deliverable ("Pre-existing Materials").

The Contractor grants the State a worldwide, non-exclusive, royalty-free, perpetual license to use, modify, sell, and otherwise distribute all Pre-existing Materials that are incorporated in any custom-developed Deliverable. The Contractor may not include in any custom Deliverable any intellectual property unless such has been created under this Contract or qualifies as Pre-existing Material. If the Contractor wants to incorporate any Pre-existing materials in a custom Deliverable, the Contractor must disclose that desire to the State and obtain written approval from the State for doing so in advance. On the request of the Contractor, the State will incorporate any proprietary notice that Contractor may reasonably want for any Pre-existing Materials included in a custom Deliverable in all copies the State makes of that Deliverable.

Subject to the limitations and obligations of the State with respect to Pre-existing Materials, the State may make all custom Deliverables available to the general public without any proprietary notices of any kind.

5.3 **CONFIDENTIALITY.** The State may disclose to the Contractor written material or oral or other information that the State treats as confidential ("Confidential Information"). Title to the Confidential Information and all related materials and documentation the State delivers to the Contractor will remain with the State. The Contractor must treat such Confidential Information as secret if it is so marked, otherwise identified as such, or when, by its very nature, it deals with matters that, if generally known, would be damaging to the best interests of the public, other contractors or potential contractors with the State, or individuals or organizations about whom the State keeps information. The Contractor may not disclose any Confidential Information to third parties and must use it solely to perform under this Contract.

If any Deliverables contain data, documentation, or other written information that is confidential in nature and properly labeled as such, then it also will be Confidential Information for purposes of this section. The State will keep all such Confidential Information in confidence and will not use it other than as authorized under this Contract. Nor will the State disclose any such Confidential Information to any third party without first obligating the third party to maintain the secrecy of the Confidential Information.

If one party discloses Confidential Information ("Disclosing Party") to the other party to this Contract ("Receiving Party"), the Receiving Party's obligation to maintain the confidentiality of the Confidential Information will not apply where such:

(1) Was already in the possession of the Receiving Party without an obligation of confidence;
(2) Is independently developed by the Receiving Party, provided documentary evidence exists to support the independent development;
(3) Except as provided in the next paragraph, is or becomes publicly available without a breach of this Contract;
(4) Is rightfully received by the Receiving Party from a third party without an obligation of confidence;
(5) Is disclosed by the Receiving Party with the written consent of the Disclosing Party; or
(6) Is released under a valid order of a court or governmental agency, provided that the Receiving Party:

    (a) Notifies the Disclosing Party of the order immediately upon receipt of it; and
    (b) Makes a reasonable effort to obtain a protective order from the issuing court or agency limiting the disclosure and use of the Confidential Information solely for the purposes intended to be served by the original order of production.

Information that may be available publicly through other sources about people that is personal in nature, such as medical records, addresses, phone numbers, social security numbers, and similar things are nevertheless sensitive in nature and may not be disclosed or used in any manner except as expressly authorized in this Contract. Therefore, item (3) in the preceding paragraph does not apply, and the Contractor must treat such information as Confidential Information whether it is available elsewhere or not.

Except for Confidential Information that the Contractor delivers to the State and that is part of a Deliverable or necessary for the proper use or maintenance of a Deliverable, the Receiving Party must

return all originals of any Confidential Information and destroy any copies it has made on termination or expiration of this Contract.

The disclosure of the Confidential Information of the Disclosing Party in a manner inconsistent with the terms of this provision may cause the Disclosing Party irreparable damage for which remedies other than injunctive relief may be inadequate, and each Receiving Party agrees that in the event of a breach of the Receiving Party's obligations hereunder, the Disclosing Party will be entitled to temporary and permanent injunctive relief to enforce the provisions of this Contract without the necessity of proving actual damages. However, provision does not diminish or alter any right to claim and recover damages.

5.4 **USE OF NAME.** The Contractor may not publicize that it is doing business with the State or use this Contract or the Contractor's relationship with the State as a marketing or sales tool, unless the State agrees otherwise in writing. The State has no obligation to agree to any such advertising, publicity, sales, or marketing activities.

6 – TRANSACTION REPORTING

6.1 **Contractor's SALES REPORT.** The Contractor must report the quarterly dollar value (in US currency rounded to the nearest whole dollar) of the sales under this Contract each calendar quarter (i.e., January-March, April-June, July-September and October-December). The dollar value of the sales reported must equal the price paid by all State agencies and Political Subdivisions for Deliverables under this Contract during the reporting period.

The Contractor must report the quarterly dollar value of sales to the State via the Internet using the Web form at the Department of Administrative Services, OIT vendor portal, https://cm.ohio.gov. If no sales occur, the Contractor must show zero sales on the report. The report must be submitted 30 days after the completion of the reporting period.

The Contractor also must submit a closeout report within 120 days after the expiration of this Contract. The Contract expires on the physical completion of the last, outstanding task or delivery order of the Contract. The closeout report must cover all sales not shown in the final quarterly report and reconcile all errors and credits. If the Contractor reported all Contract sales and reconciled all errors and credits on the final quarterly report, then the Contractor should show zero sales in the closeout report.

If the Contractor fails to submit any sales report in a timely manner or falsifies any sales report, the State may terminate this Contract for cause.

6.2 **Contractor's REVENUE SHARE.** The Contractor must pay the State a share of the sales transacted under this Contract. The Contractor must remit the revenue share in US dollars within 30 days after the end of the quarterly reporting period. The revenue share that the Contractor must pay equals .0075 of the total quarterly sales reported. The revenue share is included in the prices reflected on Exhibit I and reflected in the total amount charged to ordering activities, and the Contractor may not add a surcharge to orders under this Contract to cover the cost of the revenue share.

The Contractor must remit any amount due as the result of a quarterly or closeout report at the time the quarterly or closeout report is submitted to the Department of Administrative Services, Office of State Purchasing. The Contractor also must pay the revenue share by check. To ensure the payment is credited properly, the Contractor must identify the check as a "Revenue Share" and include the applicable State Term Contract Number, total report amount, and reporting period covered.

The Contractor must make each check payable to "Treasurer, State of Ohio", and forward it to the following address:

Department of Administrative Services
GSD Business Office
4200 Surface Road
Columbus, OH 43228

If the full amount of the revenue share is not paid within 30 days after the end of the applicable reporting period, the non-payment will constitute a contract debt to the State. The State may setoff any unpaid revenue share from any amount owed to the Contractor under this Contract and employ all other remedies available to it under Ohio law for the non-payment of the revenue share. Additionally, if the Contractor fails to pay the revenue share in a timely manner, the failure will be a breach of this Contract, and the State may terminate this Contract for cause and seek damages for the breach.

7 - WARRANTIES AND LIABILITIES

7.1 **WARRANTIES.**

With respect to the Contractor's activities under this Contract, the Contractor warrants that:

(a) The Contractor has the right to enter into this Contract;
(b) The Contractor has not entered into any other contracts or employment relationships that restrict the Contractor's ability to perform under this Contract;
(c) The Contractor will observe and abide by all applicable laws and regulations, including those of the State regarding conduct on any premises under the State's control;
(d) The Contractor has good and marketable title to any products delivered under this Contract and in which title passes to the State; and
(e) The Contractor has the right and ability to grant the license provided in any Deliverable in which title does not pass to the State.

If any work of the Contractor or any Deliverable fails to comply with these warranties, and the Contractor is so notified in writing, the Contractor must correct such failure with all due speed, not to exceed 30 days, or refund the amount of the compensation paid for the Deliverable.

7.2 SOFTWARE WARRANTY.

For Commercial Software designed for mainframe platforms and for Commercial Software designed for PC or PC-based servers and costing more than $10,000.00 per license or per copy, the warranty period will be the longer of one year after acceptance or the licensor's standard warranty period. For Commercial Software designed for PC or PC-based servers and costing less than $10,000.00 per license or per copy, the warranty period will be the longer of three months after acceptance or the licensor's standard warranty period. For PC and PC-based servers, the warranty will not include updates, improvements, enhancements, or modifications to the Commercial Software and documentation, if such are not provided as part of the licensor's standard warranty or license fee.

Software documentation means well written, readily understood, clear, and concise instructions for the software's users as well as a system administrator. The software documentation must provide the users of the software with meaningful instructions on how to take full advantage of all of the capabilities designed for end users. It also means installation and system administration documentation for a system administrator to allow proper control, configuration, and management of the software. Source code means the uncompiled operating instructions. The Contractor must provide the source code in the language in which it was written and must include such commentary or annotations as would allow a competent programmer proficient in the source language to readily interpret the source code and understand the purpose of all routines and subroutines contained within the source code.

7.3 EQUIPMENT WARRANTY. [INTENTIONALLY DELETED]

7.4 INDEMNITY. The Contractor must indemnify the State against all liability or expense resulting from third party claims for bodily injury to any person (including injury resulting in death) or damage to property arising out of its performance under this Contract, provided such bodily injury or property damage is due to the negligence or other tortious conduct of the Contractor, its employees, agents, or subcontractors in the course of the rendering of the services.. The Contractor also must indemnify the State against any claim of infringement of a copyright, patent, trade secret, or other intellectual property rights based on the State's proper use of any Deliverable under this Contract. This obligation of indemnification will not apply where the State has modified the Deliverable and the claim of infringement is based on the modification. The State will give the Contractor notice of any such claim as soon as reasonably practicable. If a successful claim of infringement is made, or if the Contractor reasonably believes that an infringement claim that is pending may actually succeed, the Contractor will do one of the following four things:

(a) Modify the Deliverable so that it is no longer infringing;
(b) Replace the Deliverable with an equivalent or better item;
(c) Acquire the right for the State to use the Deliverable as it was intended for the State to use under this Contract; or
(d) Remove the Deliverable and refund the fee the State paid for the Deliverable and the fee for any other Deliverable that required the availability of the infringing Deliverable for it to be useful to the State.

7.5 LIMITATION OF LIABILITY. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS CONTRACT OR ANYTHING INCORPORATED BY REFERENCE INTO THIS CONTRACT, THE PARTIES AGREE AS FOLLOWS:

(a) NEITHER PARTY WILL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, OR CONSEQUENTIAL LOSS OR DAMAGE OF ANY KIND, INCLUDING BUT NOT LIMITED TO LOST PROFITS, EVEN IF THE

PARTIES HAVE BEEN ADVISED, KNEW, OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES.

THE CONTRACTOR WILL BE LIABLE FOR ALL DIRECT DAMAGES DUE TO THE NEGLIGENCE OF THE CONTRACTOR OR ITS BREACH OF ANY PROVISION OF THIS CONTRACT TO THE EXTENT SUCH DAMAGES ARE RECOGNIZED AND RECOVERABLE UNDER APPLICABLE STATE LAW

8 - MAINTENANCE

8.1 MAINTENANCE. Contractor may offer maintenance and support services for the Deliverables (s) during or after expiration of the State's warranty for the Deliverable(s). The terms of any Contractor maintenance and support services for the Deliverable(s)are contained in Contractor's separate form of maintenance and support agreement..

For Commercial Software other than PC or PC-based server software costing less than $10,000.00 per copy or license, the Contractor must provide maintenance during the warranty period at no cost to the State. At a minimum, that maintenance must be the standard maintenance program that the licensor, whether the Contractor or a third party, normally provides to its client base. That maintenance program must include all new releases, updates, patches, and fixes to the Commercial Software. .

For Commercial Software designed for PC or PC-based server platforms and costing less than $10,000.00 per copy or license, the Contractor must provide the same maintenance and user assistance during the warranty period at no additional cost to the State as the Contractor or the third-party licensor makes generally available at no additional charge to its other customers.

8.2 SOFTWARE UPGRADES. [INTENTIONALLY DELETED]

8.3 EQUIPMENT MAINTENANCE. [INTENTIONALLY DELETED]

9 - ASSIGNMENT AND SUBCONTRACTING

9.1 ASSIGNMENT. The Contractor may not assign this Contract without the written consent of the State, which the State will not be obligated to provide. The State shall not unreasonably withhold consent to a Contractor request to assign this Contract to an entity affiliated with Identix Incorporated. OK

9.2 SUBCONTRACTING. The State recognizes that it may be necessary for the Contractor to use subcontractors to perform portions of the work under this Contract. In those circumstances, before the Contractor engages any such subcontractor, the Contractor must submit a list identifying its subcontractors or joint venture partners performing portions of the work under the Contract. If any changes to that list occur during the term of the Contract, the Contractor must immediately provide the State an updated list of subcontractors or joint venture business partners. In addition, all subcontractors and joint venture business partners must agree in writing to be bound by all of the terms and conditions of this Contract and any specifications of any order under this Contract for which they perform work. The State may reject any subcontractor submitted by the Contractor.

10 – CONSTRUCTION

10.1 HEADINGS. The headings used in this Contract are for convenience only and may not be used in interpreting this Contract.

10.2 ENTIRE DOCUMENT. This Contract, which includes the Contractor's pricelist attached as Exhibit I, Contractor's terms attached as Exhibit II and all documents referred to in this Contract, constitutes the entire agreement between the parties with respect to the subject matter and supersedes any previous agreements, whether oral or written.

10.3 BINDING EFFECT. This Contract will be binding on and benefit the respective successors and assigns of the State and the Contractor.

10.4 AMENDMENTS – WAIVER. No amendment or modification of this Contract will be effective unless it is in writing and signed by both parties. The failure of either party at any time to demand strict performance by the other party of any of the terms or conditions of this Contract may not be construed as a waiver of any those terms or conditions, and either party may at any time demand strict and complete performance by the other party.

10.5 SEVERABILITY. If a court of competent jurisdiction finds any provision of this Contract to be unenforceable, the remaining provisions of this Contract will remain in full force and affect.

10.6 **CONSTRUCTION.** This Contract must be construed in accordance with the plain meaning of its language and neither for nor against the drafting party.

10.7 **NOTICES.** For any notice under this Contract to be effective, the noticing party must make it in writing and sent it to the address of the other party first appearing above, unless that party has notified the other party, in writing and in accordance with the provisions of this section, of a new mailing address for the receipt of notices. This notice requirement will not apply to any notices that this Contract expressly authorizes to be made orally.

10.8 **CONTINUING OBLIGATIONS.** Any terms, conditions, representations, or warranties contained in this Contract that must survive termination or expiration of this Contract to be fully effective will survive the termination or expiration of the Contract. Additionally, termination or expiration of this Contract will not affect the State's right to continue to use any Deliverable for which it has paid, including licensed material. And no termination or expiration of the Contract will affect the State's right to receive maintenance, warranty work, or other services for which the State has paid.

10.9 **PRIORITY.** If there is any inconsistency or conflict between this document and any provision of anything incorporated by reference, this document will prevail.

10.10 **DAYS.** When this Contract refers to days, it means calendar days, unless it expressly provides otherwise.

11 - LAW AND COURTS

11.1 **EQUAL EMPLOYMENT OPPORTUNITY**

The Contractor will comply with all state and federal laws regarding equal employment opportunity and fair labor and employment practices, including Ohio Revised Code Section 125.111 and all related Executive Orders.

Before a contract can be awarded or renewed, an Affirmative Action Program Verification Form must be submitted to the Department of Administrative Services Equal Opportunity Division to comply with the affirmative action requirements. Affirmative Action Verification Forms and approved Affirmative Action Plans can be found by going to the Ohio Business Gateway at: http://business.ohio.gov/efiling/

11.2 **DRUG FREE WORKPLACE.** The Contractor must comply with all Ohio laws regarding maintaining a drug-free workplace and make a good faith effort to ensure that all its employees do not possess and are not under influence of illegal drugs or alcohol or abuse prescription drugs while working on State property.

11.3 **OHIO ETHICS LAW AND LIMITS ON POLITICAL CONTRIBUTIONS.** The Contractor certifies that it is currently in compliance and will continue to adhere to the requirements of the Ohio ethics laws. The Contractor hereby certifies that all applicable parties listed in Ohio Revised Code Section 3517.13 are in full compliance Ohio Revised Code Section 3517.13.

11.4 **SECURITY & SAFETY RULES.** When using or possessing State data or accessing State networks and systems, the Contractor must comply with all applicable State rules, policies, and regulations regarding data security and integrity. And when on any property owned or controlled by the State, the Contractor must comply with all security and safety rules, regulations, and policies applicable to people on those premises.

11.5 **LAW AND VENUE.** This Contract is governed by and will be construed under Ohio law, and venue for all disputes will lie exclusively with the appropriate court in Franklin County, Ohio.

11.6 **UNRESOLVED FINDINGS.** The Contractor represents that it is not subject to an unresolved finding for recovery under Code § 9.24. If this warranty proves false when the parties sign this Contract, the Contract will be void. Additionally, if this representation proves false on the date of any renewal or extension of the Contract, the renewal or extension will be void.

11.7 **ANTITRUST.** The State and the Contractor recognize that, in actual economic practice, overcharges resulting from antitrust violations are usually borne by the State. The Contractor therefore assigns to the State all state and federal antitrust claims and causes of action that the Contractor has or acquires relating to the goods and services acquired under this Contract.

11.8 **Executive Order 2011-12K Affirmation and Disclosure Instructions.**

Governing the Expenditure of Public Funds on Offshore Services (EO 2011-12K). The Contractor affirms to have read and understands Executive Order 2011-12K and shall abide by those requirements in the performance of this Contract. Notwithstanding any other terms of this Contract, the State reserves the right to recover any funds paid for services the Contractor performs outside of the United States for which it did not receive a waiver. The State does not waive any other rights and remedies provided the State in this Contract.

The Contractor agrees to complete the attached Executive Order 2011-12K Affirmation and Disclosure Form which is incorporated and becomes a part of this Agreement.

TO SHOW THEIR AGREEMENT, the parties have executed this Contract on the date(s) identified below, and this Contract will be effective as of the date it is signed on behalf of the State.

11.9 **REGISTRATION WITH THE SECRETARY OF STATE.** By providing a Charter Number and signature within the Certification Offer Letter, the Contractor attests that the Contractor is:

An Ohio corporation that is properly registered with the Ohio Secretary of State; or

A foreign corporation, not incorporated under the laws of the state of Ohio, but is registered with the Ohio Secretary of State pursuant to Ohio Revised Code Sections 1703.01 to 1703.31, as applicable.

Any foreign corporation required to be licensed under O.R.C. § 1703.01-1703.31, which transacts business in the state of Ohio, without being so licensed, or when its license has expired or been canceled, shall forfeit not less than $250.00 nor more than ten thousand dollars. No officer of a foreign corporation (http://codes.ohio.gov/orc/1703.01) shall transact business in the state of Ohio, if such corporation is required by O.R.C. § 1703.01-1803.31 to procure and maintain a license, but has not done so. Whoever violates this is guilty of a misdemeanor of the forth degree. Questions regarding registration should be directed to (614) 466-3910, or visit http://www.sos.state.oh.us

Shipping Charges

The policy for shipping Non-Contract Repair Parts to the Customer from the Bloomington, MN Factory or the Ontario, CA Parts Depot is as follows:

1. Pricing for Repairable Replacement Parts is established with the understanding that the "Failed" Repairable Part will be returned to the Factory as "Trade In". Notify Customer of this prior to shipment.
2. Customer will be billed for all Repairable Parts Returns that are not returned to the factory within 14 working days.
3. Customers may choose to send Repairable Parts to Factory on a "Repair and Return" basis and will be billed at the established Repair Services Rate, plus any necessary repair parts.

All Customer orders beyond the original systems purchase order should take into consideration these rates when pricing. "Non-Contract Labor" refers to all labor provided to Customers/Companies without a Warranty or Maintenance Agreement in place. It also refers to any services not covered by a specific Maintenance Agreement.

Exhibit II
Contractor Terms

1. LIMITED PRODUCT WARRANTY / DISCLAIMER / LIMITATION OF LIABILITY. Contractor warrants that the product will be free from defect in materials and workmanship for a period of one (1) year from the date of Contractor's installation of the product or one (1) year from the date of Contractor's delivery of the product if a party other than Contractor installs the product. Contractor's sole obligations under this warranty are limited to, at CONTRACTOR's option, repairing (at CONTRACTOR's factory), replacing, providing credit for or refunding the net purchase price of any products which shall be returned to the factory of origin prior to expiration of the warranty period and which are determined by CONTRACTOR in its reasonable judgment to be non-compliant with the foregoing warranty. CONTRACTOR DOES NOT WARRANT THAT THE SOFTWARE EMBEDDED, INSTALLED IN OR USED IN CONNECTION WITH THE PRODUCT IS ERROR FREE OR THAT USE OF SUCH SOFTWARE WILL BE UNINTERRUPTED. FURTHERMORE, CONTRACTOR SPECIFICALLY DISCLAIMS ANY AND ALL OTHER EXPRESS AND IMPLIED WARRANTIES CONCERNING THE PRODUCTS AND THE SOFTWARE EMBEDDED OR INSTALLED THEREIN OR USED IN CONNECTION THEREWITH, INCLUDING WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS AND THEIR EQUIVALENTS UNDER THE LAWS OF ANY JURISDICTION. IN NO EVENT SHALL CONTRACTOR BE LIABLE TO CUSTOMER OR ANY THIRD PARTY FOR ANY INDIRECT, SPECIAL, INCIDENTIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES OF ANY KIND (INCLUDING, BUT NOT LIMITED TO, LOST PROFITS OR REVENUE; LOSS, INACCURACY, OR CORRUPTION OF DATA OR LOSS OR INTERRUPTION OF USE) ARISING OUT OF, OR RELATED TO, THIS AGREEMENT, THE PRODUCTS, OR PRODUCT SOFTWARE EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. This limited warranty is in lieu of all other CONTRACTOR obligations and liabilities. This warranty shall not apply to any product which has been installed, repaired, modified or altered in any way, except by CONTRACTOR, or which shall have been subjected to misuse, negligence, or accident. The aforementioned provisions do not extend the original warranty period of any product that has either been repaired or replaced by CONTRACTOR.

2. END-USER LICENSE AGREEMENT FOR IDENTIX® LIVE SCAN SYSTEM SOFTWARE

IMPORTANT - READ CAREFULLY: This End-User License Agreement ("EULA") is a legal agreement between you (either an individual or a single entity) and Contractor for the Identix® software identified above which includes any associated media (collectively the "SOFTWARE") and the printed, online or electronic documentation created by Contractor ("DOCUMENTATION"). By commencing use of the Identix® Live Scan system (the "SYSTEM"), you agree to be bound by the terms of this EULA.

The SOFTWARE and DOCUMENTATION are protected by United States Copyright Laws and international Copyright treaties, as well as other intellectual property laws. The SOFTWARE is licensed, not sold.

1. GRANT OF LICENSE. In consideration of payment in full of the applicable purchase price for the SYSTEM or other fees due CONTRACTOR or a party in CONTRACTOR's channel of distribution, as well as other consideration recited herein, CONTRACTOR hereby grants to you a perpetual nonexclusive license to use the SOFTWARE on the SYSTEM within which the SOFTWARE is installed and to use the DOCUMENTATION solely in connection with such use of the SYSTEM. CONTRACTOR reserves all rights to the SOFTWARE and DOCUMENTATION that have not been expressly granted to you in this EULA.

2. LICENSE LIMITATIONS. Except for making one (1) archival copy of the DOCUMENTATION for disaster recovery purposes only, you may not copy, distribute copies, modify or prepare derivative works based on the SOFTWARE or DOCUMENTATION. You may not reverse engineer, decompile, or disassemble the SOFTWARE except and only to the extent that such activity is expressly permitted by applicable law. You may not sublicense, rent or lease the SOFTWARE. You may permanently transfer all of your rights under this EULA by transferring the SYSTEM to a third party; provided that you retain no copies of the SOFTWARE and DOCUMENTATION (including all component parts, the media and printed materials, any upgrades and this EULA), and the recipient agrees to the terms of this EULA. If the SOFTWARE is an upgrade, any transfer must include all prior versions of the SOFTWARE. Without prejudice to any other rights of CONTRACTOR, this EULA and the license granted herein shall automatically terminate if you fail to comply with the terms and

conditions of this EULA. In such event, in addition to CONTRACTOR's other remedies, you shall destroy any and all copies of the SOFTWARE and DOCUMENTATION in your possession or control.

3. OWNERSHIP RIGHTS. All right, title and interest in and to the SOFTWARE and DOCUMENTATION, including all rights in Copyright, and any copies of the SOFTWARE and DOCUMENTATION, are owned exclusively by CONTRACTOR or its suppliers. Any third party software provided by CONTRACTOR in connection with the SYSTEM is licensed to you under the terms of the third party's software license agreement and other documentation that accompanies the SYSTEM.

4. LIMITED WARRANTY / DISCLAIMER OF WARRANTIES / LIMITATION OF LIABILITY. CONTRACTOR hereby warrants that the SOFTWARE will perform substantially in accordance with CONTRACTOR's written specifications for a period of one (1) year from the date of CONTRACTOR's installation of the SYSTEM or one (1) year from the date of CONTRACTOR's delivery of the SYSTEM if a party other than CONTRACTOR installs the SYSTEM. CONTRACTOR's sole obligations and your exclusive remedy under this warranty are limited to, at CONTRACTOR's option, repairing (at CONTRACTOR's factory), replacing, providing credit for or refunding the net purchase price of any SYSTEM which shall be returned to the factory of origin prior to expiration of the warranty period and which are determined by CONTRACTOR in its reasonable judgment to be non-compliant with the foregoing warranty. CONTRACTOR DOES NOT WARRANT THAT THE SOFTWARE EMBEDDED, INSTALLED IN OR USED IN CONNECTION WITH THE SYSTEM IS ERROR FREE OR THAT USE OF SUCH SOFTWARE WILL BE UNINTERRUPTED. FURTHERMORE, CONTRACTOR SPECIFICALLY DISCLAIMS ANY AND ALL OTHER EXPRESS AND IMPLIED WARRANTIES CONCERNING THE SOFTWARE EMBEDDED OR INSTALLED THEREIN OR USED IN CONNECTION THEREWITH, INCLUDING WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS AND THEIR EQUIVALENTS UNDER THE LAWS OF ANY JURISDICTION. IN NO EVENT SHALL CONTRACTOR BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY INDIRECT, SPECIAL, INCIDENTIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES OF ANY KIND (INCLUDING, BUT NOT LIMITED TO, LOST PROFITS OR REVENUE; LOSS, INACCURACY, OR CORRUPTION OF DATA OR LOSS OR INTERRUPTION OF USE) ARISING OUT OF, OR RELATED TO, THIS EULA, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. This limited warranty is in lieu of all other CONTRACTOR obligations and liabilities. This warranty shall not apply to any SOFTWARE which has been installed, repaired, modified or altered in any way, except by CONTRACTOR, or which shall have been subjected to misuse, negligence, or accident. The aforementioned provisions do not extend the original warranty period of any SYSTEM that has either been repaired or replaced by CONTRACTOR.

5. WARRANTY SERVICE CALLS. You may contact CONTRACTOR's TouchCare Support Center by calling 1-888-HELP-IDX (888-435-7439).

6. U.S. GOVERNMENT RESTRICTED RIGHTS. The SOFTWARE PRODUCT and DOCUMENTATION provided therewith are provided with RESTRICTED RIGHTS. Use, duplication or disclosure by the United States Government is subject to the restrictions as set forth in Federal Acquisition Regulation 12.212 for civilian agencies and Defense Federal Acquisition Regulation 227.7202 for military agencies.

IDENTIX INCORPORTED
SYSTEM MAINTENANCE TERMS AND CONDITIONS
for use with
U.S. End User Customers
covering
Identix® Live Scan Product Line

I. GENERAL SCOPE OF COVERAGE

Subject to payment in full of the applicable maintenance fees for the system ("System") described in Identix Incorporated's ("Identix") current Maintenance Agreement Addendum ("Addendum") with customer ("Customer"), Identix, or its authorized agents or subcontractors, shall provide the System maintenance services ("Services") set forth and in accordance with the terms herein (this "Agreement") and the Addendum. The terms of the Addendum are hereby incorporated into this Agreement by this reference.

II. MAINTENANCE SERVICES

The Services provided by Identix are those services selected by Customer from one or more of the following maintenance services programs:

A. Included With All Remedial Maintenance Services. *Included With All Remedial Maintenance Services* are as follows:

- Unlimited 24/7 telephone technical support for System hardware and software from the Identix TouchCare Support Center via Identix toll free telephone number.
- TouchCare Support Center managed problem escalation, as required, to Identix' technical support staff to resolve unique problems.
- Identix shall furnish all parts and components necessary for the service and maintenance of the System. Replacement parts shall be sent to the Customer. All replaced defective parts shall become Identix' property. Identix shall determine if a replacement part is necessary. Replacement parts and components may be new or refurbished. Identix shall make available to Customer one copy (in electronic or other standard form) of each Update (defined herein) for those System components that are developed by Identix and for which Identix, in its sole discretion, elects to develop and generally make available to customers whose Systems are under warranty or under a current Identix Maintenance Agreement Addendum. Customer shall provide Identix with continuous network or dial-up access to the System (whether stand alone or connected to a central site), and Identix shall deliver the Update via this remote means of delivery. In the event continuous network or dial-up access is not available for *24/7 Maintenance Services* and *9/5 Maintenance Services* Customers, then Identix shall install the Update during any subsequently scheduled on-site visit by Identix for service of the System. An "Update" means a new release of such System software components that are developed by Identix which contain (i) bug fixes, corrections, or a work-around of previously identified errors with such software, or (ii) minor enhancements, improvements, or revisions with substantially similar (but not new) functionality to the original licensed System software.

B. 24/7 Maintenance Services. Identix' *24/7 Maintenance Services* are as follows:

- Customer will receive a telephone response to service calls within one (1) hour from the time the Customer places a service call with Identix' Help Desk.
- Identix' Help Desk will attempt problem resolution via telephonic verbal and dial-in troubleshooting prior to dispatching an Identix field service engineer to Customer's facility for on-site service.
- If on-site service is necessary, such service shall be provided 24/7, including holidays. Identix shall use its best efforts to have an Identix' field service engineer at the Customer's facility within four (4) hours from the time the engineer is dispatched by Identix' Help Desk for customers located within a 100 mile radius of an authorized Identix' service location and within 24 hours for customers located outside such 100 mile radius.
- At no additional charge, Identix will provide Customer with up to four (4) Customer-requested type of transaction changes to existing type of transaction applications;

provided, however, that any such type of transaction change does not, in the sole opinion of Identix' Development Management Team, require a significant development effort. In such event, Identix will provide Customer with a quote for developing and providing Customer with any such applications and changes.. Table updates are treated as Updates and will be made available to Customer in accordance with Section II.A. of this Agreement.

C. 9/5 Maintenance Services. Identix' *9/5 Maintenance Services* are as follows:

- Customer will receive a telephone response to service calls within one (1) hour from the time Customer places a service call with Identix' Help Desk.
- Identix' Help Desk will attempt problem resolution via telephonic verbal and dial-in troubleshooting prior to dispatching an Identix field service engineer to Customer's facility for on-site service.
- If on-site service is necessary, such service shall be provided nine (9) business hours (that is, 8:00 a.m. to 5:00 p.m.) per day, five business days per week. Identix shall use its best efforts to have an Identix' field service engineer at Customer's facility within eight (8) working hours from the time the engineer is dispatched by Identix' Help Desk if Customer's facility is located within a 100 mile radius of an authorized Identix' service location and within 24 hours if Customer's facility is located outside such 100 mile radius.
- Upon Identix' acceptance of Customer's request for after hours service, Customer shall pay for such after hours service on a time and materials basis at Identix' then current rates.
- At no additional charge, Identix will provide Customer with up to four (4) Customer-requested type of transaction changes to existing type of transaction applications; **provided, however, that any such type of transaction change does not, in the sole opinion of Identix' Development Management Team, require a significant development effort.** In such event, Identix will provide Customer with a quote for developing and providing Customer with any such applications and changes. Table updates are treated as Updates and will be made available to Customer in accordance with Section II.A. of this Agreement.

D. Help Desk Maintenance Services. Identix' *Help Desk Maintenance Services* are as follows:

- The Services do not include any Identix on-site maintenance services. The Customer agrees to provide the on-site personnel to assist the Identix Help Desk with troubleshooting, module replacement, and installation of Updates, as required.
- Customer shall maintain at least one (1) Identix trained System manager on the Customer's System support staff during the term of such Services period contained in the applicable Addendum, and such Customer System manager shall be responsible for periodically backing-up System software in accordance with Identix' periodic requirements. Unless otherwise agreed in writing by Identix, the Customer shall be responsible for the installation of each Update.
- Customer will receive a telephone response to service calls within one (1) hour from the time the Customer places a service call with Identix' Help Desk.
- Identix shall furnish all parts and components necessary for the maintenance of the System. Identix' shipment of a replacement part to Customer will be initiated promptly after the Identix' Help Desk determines the need for such item. Replacement part orders initiated prior to 3:00 p.m. Central shall be shipped the same business day, where orders initiated after 3:00 p.m. Central shall be shipped the next business day. All shipments are made via next day priority air.
- If a defective part is required by Identix to be returned to Identix, the packaging material used in shipment of the replacement part must be reused to return the defective part. [Note: defective parts are not repaired and returned to Customer. Customer will be invoiced for any defective parts that are not returned to Identix within two (2) weeks after receipt of the replacement part. Identix is not responsible for any markings (i.e., asset tags) that Customer may place on System components. It is Customer's responsibility to remove such markings.]
- Upon Customer's request for Identix on-site service, Identix shall use its best efforts to have an Identix field service engineer at the

Customer's facility within 48 hours from the time the engineer is dispatched by Identix' Help Desk. Customer shall pay for such on-site service on a time and travel basis at Identix' then current rates and travel policies, respectively. Prior to dispatch of an Identix engineer, Customer shall either provide Identix with a purchase order ("P.O."), complete Identix' P.O. Waiver form, or provide Identix with a valid credit card number.

E. Preventive Maintenance Services. Identix' *Preventive Maintenance Services* are as follows:

- Preventive maintenance service calls consist of System cleaning, verification of calibration, and verification of proper System configuration and operation in accordance with Identix' specifications for such System. Identix and Customer will seek to agree upon the scheduling of the preventive maintenance service call promptly after commencement of the term of this Agreement and the commencement of any renewal term.
- Preventive maintenance service calls are only available in connection with Identix' 24/7 Maintenance Services and Identix' 9/5 Maintenance Services offerings. Preventive maintenance service calls are priced on a per call basis in accordance with Identix' then STS prices for such Services. Preventive Maintenance Services may not be available for certain System components.

III. EXCLUSIONS FROM SERVICES

A. Exclusions. The Services do not include any of the following:

- System relocation.
- Additional training beyond that amount or level of training originally ordered by Customer.
- Maintenance support or troubleshooting for Customer provided communication networks.
- Maintenance required to the System or its parts arising out of misuse, abuse, negligence, attachment of unauthorized components (including software), or accessories or parts, use of sub-standard supplies, or other causes beyond Identix' control.
- Maintenance required due to the System being modified, damaged, altered, moved or serviced by personnel other than Identix' authorized service representatives, or if parts, accessories, or components not authorized by Identix are fitted to the System.
- Maintenance required due to failures caused by Customer or Customer's software or other software, hardware or products not licensed by Identix to Customer.
- Providing or installing updates or upgrades to any third party (i.e., Microsoft, Oracle, etc.) software.
- Providing consumable parts and components (i.e., platens, toner cartridges, etc.); such items are replaced at the Customer's expense.
- Maintenance required due to failures resulting from software viruses, worms, Trojans, and any other forms of destructive or interruptive means introduced into the System.
- Maintenance required due to failures caused by Customer facility issues such as inadequate power sources and protection or use of the System in environmental conditions outside of those conditions specified in Identix' System documentation.

B. Availability of Additional Services. At Customer's request, Identix may agree to perform the excluded services described immediately above in accordance with Identix' STS rates. Other excluded services that may be agreed to be performed by Identix shall require Identix' receipt of a Customer P.O., Customer's completion of Identix' P.O. Waiver form, or Customer providing Identix with a valid credit card number before work by Identix is commenced.

C. Non-Registered System Components. Any System components not registered in the Addendum for which Services are requested by Customer may be required to have a pre-maintenance inspection by Identix before being added to the Addendum and this Agreement. This inspection will also be required if this Agreement has expired by more than thirty (30) days. Identix' inspection will be billed at Identix' current inspection rate plus travel expenses and parts (if any required)..

D. Third Party Hardware and Software. Customer shall be solely responsible for obtaining from Identix or an Identix authorized or identified vendor, at Customer's sole expense: (i) all Identix and third party software that may be required for use in connection with any Updates, major enhancements or new versions; and (ii) all hardware that may be required for the use of any Updates, major

enhancements or new versions. Identix will specify the hardware and third party software requirements for any Updates.

IV. SERVICE CALLS

Customer may contact Identix' TouchCare Support Center by calling 1-888-HELP-IDX (888-435-7439). Service calls under this Agreement will be made at the installation address identified in the Addendum or as otherwise agreed to in writing.

V. TERM AND TERMINATION

This term of this Agreement shall commence upon Identix' receipt of the annual maintenance fee reflected in the Addendum and shall continue for a period of one (1) year. This Agreement may be renewed for additional one (1) year terms upon the parties' mutual agreement and Customer's execution of an updated Addendum and Identix' receipt of the applicable annual maintenance fee reflected in the updated Addendum. Either party may terminate this Agreement in the event of a material breach by the other party that remains uncured for a period of thirty (30) days from the date the non-breaching party provided the other with written notice of such breach.

VI. FEES FOR SERVICES

A. Fees. The initial fee for Services under this Agreement shall be the amount set forth in the Addendum. The annual maintenance fee during any renewal term will be Identix' STS rates in effect at the time of renewal. Customer agrees to pay the total of all charges for Services annually in advance within thirty (30) days of the date of Identix' invoice for such charges. Customer understands that alterations, attachments, specification changes, or use of sub-standard supplies that cause excessive service calls, may require an increase in Service fees during the term of this Agreement at the election of Identix, and Customer agrees to promptly pay such charges when due.

B. Failure to Pay Fees. If Customer does not pay Identix' fees for Services or parts as provided hereunder when due: (i) Identix may suspend performance of its obligation to provide Services until the account is brought current; and (ii) Identix may, at its discretion, provide the Services at current "non contract/per call" rates on a COD basis.

VII. LIMITED WARRANTY / DISCLAIMER / LIMITATION OF LIABILITY

Identix shall provide the Services hereunder in a professional and workmanlike manner by duly qualified personnel

VIII. LIMITED LICENSE TO UPDATES

Identix may deliver Identix-developed Updates to Customer. The terms of Identix' end user license for the Identix' software delivered as part of the System shall govern Customer's use of the Updates.

IX. MISCELLANEOUS

This Agreement shall be governed by and construed according to the laws of the State of Ohio, excluding its conflict of laws provisions. This Agreement constitutes the entire agreement between the parties regarding the subject matter described herein and may not be modified except in writing signed by duly authorized representatives of Identix and the Customer. This Agreement may not be assigned by Customer without the prior express written consent of Identix which will not be unreasonably withheld.

IDENTIX INCORPORATED
HELP-DESK MAINTENANCE TERMS AND CONDITIONS
for use with
End User Customers and Resellers
covering
Identix® Software Products

I. GENERAL SCOPE OF COVERAGE

Subject to payment in full of the applicable support fees for the software ("**Software**") described in Identix Incorporated's ("**Identix**") current Help-Desk Maintenance Terms and Conditions Addendum ("**Addendum**") with customer ("**Customer**"), Identix, or its authorized agents or subcontractors, shall provide the Software support services ("**Services**") set forth and in accordance with the terms herein (this "**Agreement**") and the Addendum. The terms of the Addendum are hereby incorporated into this Agreement by this reference.

II. HELP DESK SUPPORT SERVICES

The Services provided by Identix are as follows:

A. Unlimited telephone and email support for reporting Software issues to the Identix TouchCare Support Center (the "**Help Desk**") via telephone or email (see Section IV herein). Identix' Help Desk is available on a 24/7 basis for the reporting of Software issues. Identix' Help Desk is staffed with trained Software support specialists during Identix' standard business hours of 6:00 AM to 6:00 PM CST, five days per week (Monday through Friday), excluding Identix' recognized holidays. Customer will receive a telephone or e-mail response, as appropriate, within four (4) business hours from the time the Customer's request for support was logged by the Identix Help Desk during Identix' standard business hours. [By way of illustration only, a Customer call placed at 7:00 a.m. CST on an Identix work day would be returned by no later than 11:00 a.m. CST that same day. By way of further illustration, a Customer call placed at 5:30 p.m. Central on a weekday would be returned no later than 9:30 a.m. Central the next Identix work day.]

B. Identix shall provide Customer with reasonable technical assistance concerning the following via telephone, e-mail or facsimile:

(i) Identix will determine if the problems the Customer is encountering are attributable to errors in the Software;

(ii) Identix will answer questions concerning installation of the Software in the form originally delivered and installed, if applicable, by Identix; and

(iii) Identix will seek to resolve Customer's problems that occur during normal usage of the Software.

Notwithstanding the foregoing, if Identix determines that Customer requires ongoing help with a particular problem which is not caused by errors in the Software, or is outside the scope of the original Statement of Work, Identix may, in its sole discretion, refer Customer to Identix' professional services support group for which Identix requires an additional fee..

C. Identix will use reasonable commercial efforts to remedy any programming error in the Software covered hereunder which is solely attributable to Identix and prevents the Software from substantially conforming to Identix' specifications for the Software. Such remedy may consist of correcting portions of the Software, or communication to Customer of a workaround which gives Customer the ability to achieve substantially the same functionality as would be obtained without the programming error, as determined by Identix.

D. Identix shall make available to Customer one (1) copy of any Software Updates in object code and one (1) set of user manual Updates (if applicable) for each copy of the Software licensed by Customer, as the Updates become available for general release and to the extent such Updates apply to Software covered by this Agreement.

The term "**Updates**" means modifications, corrections, bug fixes, or additions to the Software or documentation (which is generally denoted by Identix as a change to one or more numbers to the right of the decimal point) for which Identix does not charge an additional fee to licensees who are similarly situated to Customer. The term "Updates" does not include any upgrades to the Software (which is generally denoted by Identix as a change to one or more numbers to the left of the decimal point).

E. The Customer shall have the following responsibilities under this Agreement:

(1) Customer's request for support shall describe the problem with the Software in sufficient detail to enable Identix to understand and duplicate or recreate the problem. Customer shall provide the following information to Identix when submitting its request for support:

(a) Customer installed address, account number, product and serial number (as may be shown on the front page of the Addendum), product registration number, license number or incident number, if applicable;

(b) name and version number of Software;

(c) exact wording of error messages;

(d) recital of steps taken by Customer before the problem occurred;

(e) a list of steps taken by Customer in attempting to resolve the problem; and

(f) appropriate log files as may be requested by Identix.

Identix reserves the right to request such further information as Identix reasonably deems necessary.

(2) Customer agrees to incorporate the Updates as soon as practicable and acknowledges that failure to incorporate such Updates may make subsequent Updates unusable.

(3) Customer shall designate a named contact person per installation who will receive all corrections, Updates, correspondence, and other communications concerning the Software, and will notify Identix in writing of any change in the contact person.

III. EXCLUSIONS FROM SERVICES

The Services consist of those services that are expressly described herein. In no event shall the Services include any of the following:

- Identix' obligations of support are limited to the current and two (2) previous updated versions of the Software.
- Identix' obligations of support shall only apply for one (1) year after Identix' notification of its intent to obsolete or end-of-life the Software.
- Identix' obligations are dependent upon Customer providing Identix with sufficient information to enable Identix to reproduce the reported errors with the Software.
- Identix shall have no obligation for the correction of errors that are due to a breach by Customer of the terms of Customer's Software license, or which cannot be remedied due to either the operational characteristics of the computer equipment on which the Software is used or to any modifications to the Software made by Customer.
- In the event Identix agrees to correct any errors not covered by this Agreement, Customer shall pay Identix for all such work at Identix' STS rates, terms and conditions.
- Identix shall have no obligation of supporting Customer with errors that are reported with items other than the Software itself.
- Additional services beyond the level of Service originally ordered by Customer.
- Support or troubleshooting for Customer provided communication networks.

- Support required due to failures caused by Customer or Customer's software or other software, hardware or products not licensed by Identix to Customer.
- Providing or installing updates or upgrades to any third party (i.e., Microsoft, Oracle, etc.) software.
- Support required due to failures resulting from software viruses, worms, Trojans, and any other forms of destructive or interruptive means.

IV. SERVICE CALLS

Customer may contact Identix' TouchCare Support Center by calling **1-888-HELP-IDX (888-435-7439)** in the U.S. and Canada, or outside the U.S. and Canada at **952-945-5512**, e-mailing idxsupport@L1id.com or faxing Identix' Help Desk at 952-945-5500. Identix' Help Desk will place the Customer's call in the escalated support queue for response by the appropriate Identix support personnel during Identix' normal business hours.

VI. TERM AND TERMINATION

This term of this Agreement shall commence upon Identix' receipt of the annual support fee reflected in the Addendum and shall continue for a period of one (1) year. This Agreement may be renewed for additional one (1) year terms upon the parties' mutual agreement and Customer's execution of an updated Addendum and Identix' receipt of the applicable annual support fee reflected in the updated Addendum. Either party may terminate this Agreement in the event of a material breach by the other party that remains uncured for a period of thirty (30) days from the date the non-breaching party provided the other with written notice of such breach.

VI. FEES FOR SERVICES

A. The initial fee for Services under this Agreement shall be the amount set forth in the Addendum at STS rates. The annual support fee during any renewal term will be Identix' STS rates in effect at the time of renewal. Customer agrees to pay the total of all charges for Services annually in advance within thirty (30) days of the date of Identix' invoice for such charges.

B. If Customer does not pay Identix' fees for Services provided hereunder when due: (i) Identix may suspend performance of its obligation to provide Services until the account is brought current; and (ii) Identix may, at its discretion, provide the Services at current "non contract/per call" rates on a COD basis. Our late payment penalty language should be used.

VII. LIMITED WARRANTY / DISCLAIMER / LIMITATION OF LIABILITY We need to use STS language

Identix shall provide the Services hereunder in a professional and workmanlike manner by duly qualified personnel.

VIII. LIMITED LICENSE TO UPDATES

The terms of the license agreement between Identix and Customer for the Software shall govern Customer's use of any Updates.

IX. MISCELLANEOUS

This Agreement shall be governed by and construed according to the laws of the State of Ohio, excluding its conflict of laws provisions. This Agreement constitutes the entire agreement between the parties regarding the subject matter described herein and may not be modified except in writing signed by duly authorized representatives of Identix and the Customer. Customer's purchase orders and other documents issued by Customer subsequent to the execution of this Agreement shall not supplement or amend the terms of this Agreement. This Agreement may not be assigned by Customer without the prior express written consent of Identix which will not be withheld unreasonably.

Exhibit III

STANDARD AFFIRMATION AND DISCLOSURE FORM

EXECUTIVE ORDER 2011-12K

Governing the Expenditure of Public Funds on Offshore Services

All of the following provisions must be included in all invitations to bid, requests for proposals, state term schedules, multiple award contracts, requests for quotations, informal quotations, and statements of work. This information is to be submitted as part of the response to any of the procurement methods listed.

By the signature affixed hereto, the Contractor affirms, understands and will abide by the requirements of Executive Order 2011-12K. If awarded a contract, both the Contractor and any of its subcontractors shall perform no services requested under this Contract outside of the United States.

The Contractor shall provide all the name(s) and location(s) where services under this Contract will be performed in the spaces provided below or by attachment. Failure to provide this information may subject the Contractor to sanctions. If the Contractor will not be using subcontractors, indicate "Not Applicable" in the appropriate spaces.

1. Principal location of business of Contractor:

   5705 W. Old Shakopee Rd. (Address) — Bloomington, Mn 55437 (City, State, Zip)

   Name/Principal location of business of subcontractor(s):

   N/A (Name) — (Address, City, State, Zip)

   N/A (Name) — (Address, City, State, Zip)

2. Location where services will be performed by Contractor:

   332 South Street (Address) — Zanesville, OH 43701 (City, State, Zip)

   Name/Location where services will be performed by subcontractor(s):

   N/A (Name) — (Address, City, State, Zip)

   (Name) — (Address, City, State, Zip)

3. Location where state data will be stored, accessed, tested, maintained or backed-up, by Contractor:

   N/A (Address) — (Address, City, State, Zip)

   Name/Location(s) where state data will be stored, accessed, tested, maintained or backed-up by subcontractor(s):

   N/A (Name) — (Address, City, State, Zip)

(Name)	(Address, City, State, Zip)
(Name)	(Address, City, State, Zip)
(Name)	(Address, City, State, Zip)
(Name)	(Address, City, State, Zip)

Contractor also affirms, understands and agrees that Contractor and its subcontractors are under a duty to disclose to the State any change or shift in location of services performed by Contractor or its subcontractors before, during and after execution of any Contract with the State. Contractor agrees it shall so notify the State immediately of any such change or shift in location of its services. The State has the right to immediately terminate the contract, unless a duly signed waiver from the State has been attained by the Contractor to perform the services outside the United States.

On behalf of the Contractor, I acknowledge that I am duly authorized to execute this Affirmation and Disclosure form and have read and understand that this form is a part of any Contract that Contractor may enter into with the State and is incorporated therein.
