BACKGROUND

Ohio Penal Industries (OPI) is a training program for offenders in manufacturing, service industries, agriculture, private industry/agriculture and public works under the control of the Ohio Department of Rehabilitation and Correction (DRC) located within or outside DRC's institutions. As of 2011, OPI had 24 operations in 16 different locations, 15 of which are prisons. OPI recorded over \$40 million in total sales for FY13 by providing valuable work opportunities to inmates, in an effort to instill meaningful skills and education that will assist them in re-entry and ultimately reduce recidivism for Ohio tax payers. The Southeastern Correctional Institution specializes in the manufacture of high-quality, institutional janitorial, laundry and personal care products.

SCOPE OF WORK

These specifications cover the chemicals used for the packaging, other items for cleaning products, chemicals used for the manufacturing and repackaging of cleaning supplies at the Ohio Penal Industries (OPI), Janitorial Facility at Southeastern Correctional Institution, 5900 B.I.S. Road, Lancaster, Ohio 43130.
