This withdrawal option will allow any Offeror to remove its Proposal from active consideration should the Offeror feel that the addendum changes the nature of the transaction to the extent that the Offeror's Proposal is no longer in its interests. Alternatively, DAS may allow Offerors that have Proposals under active consideration to modify their Proposals in response to the addendum, as described below.

Whenever DAS issues an addendum after the Proposal due date, DAS will tell all Offerors whose Proposals are under active consideration whether they have the option to modify their Proposals in response to the addendum. Any time DAS amends the RFP after the Proposal due date, an Offeror will have the option to withdraw its Proposal even if DAS permits modifications to the Proposals. If the Offerors are allowed to modify their Proposals, DAS may limit the nature and scope of the modifications. Unless otherwise stated in the notice by DAS, modifications and withdrawals must be made in writing and must be submitted within ten (10) business days after the addendum is issued. If this RFP provides for a negotiation phase, this procedure will not apply to changes negotiated during that phase. Withdrawals and modifications must be made in writing and submitted to DAS at the address and in the same manner required for the submission of the original Proposals. Any modification that is broader in scope than DAS has authorized may be rejected and treated as a withdrawal of the Offeror's Proposal.

***PROPOSAL SUBMITTAL.** Each Offeror must submit a Technical Proposal and a Cost Proposal as part of its Proposal package. Proposals must be submitted as two (2) separate components (Cost Proposal and Technical Proposal) in separate sealed envelopes/packages. Each Technical Proposal package must be clearly marked "CSP905713 RFP – Technical Proposal" on the outside of each Technical Proposal package's envelope. Each Cost Proposal package must be clearly marked "CSP905713 RFP – Cost Proposal" on the outside of each Cost Proposal package's envelope. Each Offeror must submit one (1) original, completed and signed in blue ink, and four (4) copies for a total of five (5) Proposal packages.

The Offeror must also submit, in the sealed package, a complete copy of the Proposals on CD-ROM in Microsoft Office (Word, Excel, or Project) 2003 or higher, format and/or PDF format as appropriate. In the event there is a discrepancy between the hard copy and the electronic copy, the hard copy will be the official Proposal. Proposals are due no later than the proposal due date, at 1:00 p.m. Proposals submitted by e-mail or fax are not acceptable and will not be considered. Proposals must be submitted to:

Department of Administrative Services
Office of Procurement Services - Bid Desk
4200 Surface Road
Columbus, OH 43228-1395

DAS will reject any Proposals or unsolicited Proposal addenda that are received after the deadline. An Offeror that mails its Proposal must allow adequate mailing time to ensure its timely receipt. DAS recommends that Offerors submit proposals as early as possible. Proposals received prior to the deadline are stored, unopened, in a secured area until 1:00 p.m. on the due date. Offerors must also allow for potential delays due to increased security. DAS will reject late proposals regardless of the cause for the delay.

Each Offeror must carefully review the requirements of this RFP and the contents of its Proposal. Once opened, Proposals cannot be altered, except as allowed by this RFP.

By submitting a Proposal, the Offeror acknowledges that it has read this RFP, understands it, and agrees to be bound by its requirements. DAS is not responsible for the accuracy of any information regarding this RFP that was gathered through a source different from the inquiry process described in the RFP.

ORC Section 9.24 prohibits DAS from awarding a Contract to any Offeror(s) against whom the Auditor of State has issued a finding for recovery if the finding for recovery is "unresolved" at the time of award. By submitting a Proposal, the Offeror warrants that it is not now, and will not become subject to an "unresolved" finding for recovery under Section 9.24, prior to the award of a Contract arising out of this RFP, without notifying DAS of such finding. ORC Section 9.231 applies to this contract.

DAS may reject any Proposal if the Offeror takes exception to the terms and conditions of this RFP, fails to comply with the procedure for participating in the RFP process, or the Offeror's Proposal fails to meet any requirement of this RFP. Any question asked during the inquiry period will not be viewed as an exception to the Terms and Conditions.

CONFIDENTIAL, PROPRIETARY OR TRADE SECRET INFORMATION. DAS procures goods and services through a RFP in a transparent manner and in accordance with the laws of the state of Ohio. All proposals provided to DAS in response to this RFP become records of DAS and as such, will be open to inspection by the public after award unless exempt from disclosure under the Ohio Revised Code or another provision of law.

Unless specifically requested by the State, an Offeror should not voluntarily provide to DAS any information that the Offeror claims as confidential, proprietary or trade secret and exempt from disclosure under the Ohio Revised Code or another
