consideration to modify their Proposals in response to the addendum, as described below.

Whenever the State issues an addendum after the Proposal due date, the State will tell all Offerors whose Proposals are under active consideration whether they have the option to modify their Proposals in response to the addendum. Any time the State amends the RFP after the Proposal due date, an Offeror will have the option to withdraw its Proposal even if the State permits modifications to the Proposals. If the Offerors are allowed to modify their Proposals, the State may limit the nature and scope of the modifications. Unless otherwise stated in the State's notice, modifications and withdrawals must be made in writing and must be submitted within ten (10) business days after the addendum is issued. If this RFP provides for a negotiation phase, this procedure will not apply to changes negotiated during that phase. Withdrawals and modifications must be made in writing and submitted to the State at the address and in the same manner required for the submission of the original Proposals. Any modification that is broader in scope than the State has authorized may be rejected and treated as a withdrawal of the Offeror's Proposal.

**PROPOSAL SUBMITTAL.** Each Offeror must submit a Technical Proposal and a Cost Proposal as part of its Proposal package. Proposals must be submitted as two (2) separate components (Cost Proposal and Technical Proposal) in separate \*sealed envelopes/packages. Each Technical Proposal package must be clearly marked "CSP902810 RFP – Technical Proposal" on the outside of each Technical Proposal package's envelope. Each Cost Proposal package must be clearly \*marked "CSP902810 RFP – Cost Proposal" on the outside of each Cost Proposal package's envelope. Each Offeror must submit one (1) original, completed and signed in blue ink, and five (5) copies for a total of six (6) Proposal packages.

The Offeror must also submit, in the sealed package, a complete copy of the Proposals on CD-ROM in Microsoft Office (Word, Excel, or Project) 2003, or higher, format and/or PDF format as appropriate. In the event there is a discrepancy between the hard copy and the electronic copy, the hard copy will be the official Proposal. Proposals are due no later than the proposal due date, at 1:00 p.m. Proposals submitted by e-mail or fax are not acceptable and will not be considered. Proposals must be submitted to:

Department of Administrative Services  
Office of Procurement Services - Bid Desk

Columbus, Ohio 43228-1395

The State will reject any Proposals or unsolicited Proposal addenda that are received after the deadline. An Offeror that mails its Proposal must allow adequate mailing time to ensure its timely receipt. The State recommends that Offerors submit proposals as early as possible. Proposals received prior to the deadline are stored, unopened, in a secured area until 1:00 P.M. on the due date. Offerors must also allow for potential delays due to increased security. The State will reject late proposals regardless of the cause for the delay.

Each Offeror must carefully review the requirements of this RFP and the contents of its Proposal. Once opened, Proposals cannot be altered, except as allowed by this RFP.

By submitting a Proposal, the Offeror acknowledges that it has read this RFP, understands it, and agrees to be bound by its requirements. The State is not responsible for the accuracy of any information regarding this RFP that was gathered through a source different from the inquiry process described in the RFP.

ORC Section 9.24 prohibits the State from awarding a Contract to any Offeror(s) against whom the Auditor of State has issued a finding for recovery if the finding for recovery is "unresolved" at the time of award. By submitting a Proposal, the Offeror warrants that it is not now, and will not become subject to an "unresolved" finding for recovery under Section 9.24, prior to the award of a Contract arising out of this RFP, without notifying DAS of such finding. ORC Section 9.231 applies to this contract.

The State may reject any Proposal if the Offeror takes exception to the terms and conditions of this RFP, fails to comply with the procedure for participating in the RFP process, or the Offeror's Proposal fails to meet any requirement of this RFP. Any question asked during the inquiry period will not be viewed as an exception to the Terms and Conditions.

All Proposals and other material submitted will become the property of the State and may be returned only at the State's option. Proprietary information should not be included in a Proposal or supporting materials because the State will have the right to use any materials or ideas submitted in any Proposal without compensation to the Offeror. Additionally, all Proposals will be open to the public after the award of the Contract has been posted on the Office of Procurement Service's Web site.

The State will retain all Proposals, or a copy of them, as part of the Contract file for at least ten (10) years. After the retention period, the State may return, destroy, or otherwise dispose of the Proposals or the copies.
