#### **VI. CONSTRUCTION PROJECTS**

For those construction projects for which the state uses ARRA funds for the construction, alteration, maintenance, or repair of a public building, the following conditions apply:

**A. Buy American**

1. Products: Pursuant to Section 1605 of ARRA, all steel, iron, and manufactured goods used in the construction project must be produced in the United States;
2. Exception: The requirement set forth in part 1 of this section shall not apply only if the appropriate federal agency determines one of the following:
  - (a) The application of the requirement in part 1 of this section would be inconsistent with the public interest;
  - (b) That (1) an insufficient amount of steel, iron, or relevant manufactured goods were produced in the United States or (2) that a reasonable amount of steel, iron, or relevant manufactured goods were available or (3) that a reasonable amount of the available steel iron, or relevant manufactured goods of satisfactory quality were not available;
  - (c) That by applying the requirement set forth in part 1 of this section would increase the overall cost of the project by more than twenty-five percent (25%);
3. A contractor and subcontractors must comply with the above requirement unless the contractor or subcontractor provides a waiver from the appropriate federal agency stating that at least one of the above-referenced exceptions applies. A contractor may seek an exception to the Buy American requirements by appealing to the appropriate federal agency pursuant to rules and regulations in 2CFR Part 176 Volume 74, No 77;
4. The State and the contractor shall apply the Buy American requirements set forth in this section in a manner consistent with United States obligations under international agreements.

**B. Prevailing Wage Rates and Labor Standards**

1. The contractor and subcontractors shall pay all laborers and mechanics employed by contractor or subcontractors on the Project not less than the prevailing wage determined under the "Davis-Bacon Act" (USC 276a-a5) for similar work in the civil subdivision for which the laborers and mechanics perform the work. In addition, the Contractor and subcontractors shall pay all laborers and mechanics overtime compensation in accordance with the provisions of the "Contract Work Hours and Safety Standards Act" (40 U.S.C. 327-333).
2. The contractor and subcontractors shall comply with all regulations issued pursuant to the above-referenced Acts and with all applicable federal and state laws and regulations.
