

enMotion® High Capacity EPA Compliant Touchless Roll Towel

High capacity, high quality, EPA compliant for recycled fiber content refill roll towels for enMotion Recessed or Impulse 8 Automated Towel Dispenser.

Description:

These cost-effective, high-quality roll towels are specifically engineered to be used with our enMotion® Recessed Automated Towel Dispenser or enMotion® Impulse® 8 Towel Dispenser to provide reliable towel dispensing at the wave of a hand. Choose these towels for dependable performance and customer satisfaction.

Features & Benefits:

- » Long lasting 700' roll reduces maintenance costs & the risk of run-out
- » EPA compliant for recycled fiber content, which can help facilities earn LEED points (Leadership in Energy & Environmental Design) Certification Process with the US Green Building Council
- » Automated touch free dispensing helps reduce cross-contamination for a more hygienic washroom
- » High quality towel makes a positive statement about a facility & enhances user satisfaction
