

GPC Contract RS900510 – W.W. Grainger

Effective July 20, 2009, DAS incepted a new non-mandatory Contract, RS900510, Index # GPC001, for Industrial Supplies and Equipment, Light Products, Janitorial Supplies and Equipment (Maintenance, Repair and Operation Products) with W.W. Grainger.

DAS joined a national Contract that was competitively bid under the authority of the Western States Contracting Alliance “WSCA”, which pools the purchasing power of multiple public entities to gain greater purchasing power and leverage for its members. The new Contract is available to all state agencies, state institutions of higher education and all properly registered members of the DAS Cooperative Purchasing Program.

Participation in the multi-state Contract allows entities to take advantage of greater savings than are possible on the current W.W. Grainger STS contract for 750 Market Basket items. This Contract includes W.W. Grainger’s entire catalog, as well as value-added solutions such as consulting services, inventory solutions, business continuity planning, e-commerce solutions, and sustainability planning.
