ATL® 4300 Litter Vacuum

All Terrain Litter Vacuum (ATL®) picks up litter on asphalt or turf.

Climbs 7" curbs with ease.

Four-wheel stance allows greater stability on hills and ramps.

ATLV® 4300

Vacuum, Litter Model ATL® 4300, has a powerful 28 HP water-cooled diesel engine to pick up all types of litter. 110-gallon litter capacity, 270 degree boom swing has a 4' reach. 46" wide frame, climbs 7" curbs, 8" hose swings, large 18" and 23" tires. Comes with headlights and taillights. Has OSHA 29CFR1928.52 approved rollover protection safety guard (ROPS).

S30 Power Sweeper

Delivers unrivaled sweeping performance and dry dust control with the 3-stage SweepSmart™ system.

Improve operator safety with low 80 dBA noise rating and innovative cab forward design.

Reduce downtime, service time and maintenance costs by quickly accessing the heart of the S30 with EasyOpen™ service access.

		<u>Part Number</u>	<u>1 unit</u>	<u>2-5 units</u>	<u>6-8 units</u>
S30G Sweeper	Sweeper, Model S30 , gasoline powered, with a 55HP EPA Certified engine, manual controls, standard seat, rugged steel T-beam frame construction, triple accessory pumps and oversized industrial hydraulics and oil cooler. Includes a high capacity Duramer™ multi-level dump hopper with 14 cu. ft./1080 lbs. usable capacity, up to 60" variable dump height, Thermo-Sentry™ hopper fire sensor and locking hopper safety arm. Also includes SweepSmart™ 3 stage air filtration and dust control with nanofiber filtration of .5 micron particles @ 99% efficiency. II-Speed™ sweeping system and Touch-N-Go™ operation panel. UL® (Underwriters Laboratory) certification.	S30G	\$29,740.06	\$29,239.47	\$28,735.51
S30LP Sweeper	Sweeper, Model S30LP , LP fuel powered. Same as S30G except engine equipped for LP fuel. Includes one 33 lb LP tank.	S30LP	\$29,740.06	\$29,239.47	\$28,735.51
S30D Sweeper	Sweeper, Model S30D , diesel powered 37.5 HP engine. Same as S30G.	S30D	\$32,395.66	\$31,850.37	\$31,301.41
S30XPG Sweeper	Sweeper, Model S30XPG , gasoline powered, same as the S30G but also includes electronic controls, deluxe suspension seat with retractable seat belt, built-in maintenance diagnostics with service reminder and 1-STEP™ button memory controls.	S30XPG	\$33,015.30	\$32,459.58	\$31,900.12
S30XPLP Sweeper	Sweeper, Model S30XPLP , LP fuel powered. Same as S30XPG except engine equipped for LP fuel. Includes one 33 lb LP tank.	S30XPLP	\$33,015.30	\$32,459.58	\$31,900.12
S30XPD Sweeper	Sweeper, Model S30XPD , diesel powered 37.5 HP engine. Same as S30XPG..	S30XPD	\$35,670.90	\$35,070.48	\$34,466.02
S30X4D Sweeper	Sweeper, Model S30X4D , same as S30XPD but with 4 wheels instead of 3 wheels and rear tires are foam filled.	S30X4D	\$38,149.46	\$37,507.32	\$36,860.86

810 Power Sweeper

Highly productive sweeper cleans a 66" path at realistic sweeping speeds approaching 7-1/2 mph, covering more than 5 acres in one hour.

Offers a choice of direct-throw sweeping or Power-Throw™ cleaning system. Picks up nearly any debris from dust, sand or rocks to broken glass and light, bulky paper litter.

Easy-to-use sweeper has power steering, tilt steering wheel, low-force adjustable drive pedal, luxury suspension seat and roomy operator's compartment.

		<u>Part Number</u>	<u>1 unit</u>	<u>2-5 units</u>	<u>6-8 units</u>
810G Sweeper	Sweeper, Model 810G , with 83 HP GMC engine. 30 cu. ft. hopper holds one ton of debris, dumps from 0-72" height with a 20" reach. Power-Throw™ sweeping for light or bulky debris; direct throw sweeping for rocks, sand, and dust. Quad filter dust control system with wet sweeping capability and 66" sweeping path. Sentinel Power Sweeper

The sweeper that gives you less . . . of the things you do not want.

Less dust in the air.
Less debris and dirt left behind.
Less nonproductive time - up to 25 miles per hour.
Less hassle sweeping.
Less debris in hard-to-reach areas.

Multiple side brush arrangements.

Vario Sweeping Brush can sweep curb tops up to 8" in height.
Vario Sweeping Brush has both front/rear and side-to-side tilt control for optimum performance.
Vario Sweeping Brush™ can sweep on the right- and left-hand side of the sweeper.
Right-hand Side Brush standard.
Left-hand Side Brush optional.
Self-adjusting Brushes.

Operator Comfort

Pressurized Cab.
Premium Two-way Operator's Seat.
Heater/Defroster.
Quad Mirrors.
Tinted Safety Glass.
Power 4-Wheel Steering for tight areas.
One-Button Sweeping.

Dust Control

Meets California Rule 1186 for control of PM 10 dust.
211 square foot Rot-Proof Dust Filter.
Tandem 15 hp Hydraulic Vacuum Fans.
Powerful 10 hp Hydraulic Dust Filter Shaker.
Better addresses the EPA Clean Air Act.
Eliminates Fugitive Dust.

Debris Hopper

Stainless Steel.
Optional 9'-6" Multi-level Dump.
Holds up to 450 gallons of liquids or 3.4 cubic yards of debris.

Company Support

Factory-Direct Service.

Sentinel Street Sweeper

Stainless Steel hopper holds up to 3.4 cubic feet of debris.

Includes four-wheel power steering, headlights, taillights, backup lights and audio-visual backup alarm.

83 HP diesel engine with a 69" sweeping path.

Sentinel	Sweeper, Sentinel Wet or Dry Dust Control , has 83 HP diesel engine with a 69" sweep path. Includes #761126 main brush and #761211 side brush. Stainless steel hopper holds up to 3.4 cubic yards of debris. 211 sq. ft. synthetic dust filter cleaned with a 10 hp shaker motor. Includes four-wheel power steering, headlights, taillights, backup lights, and audio-visual backup alarm. Also includes side brush dust control -- must specify either side brush skirts (dry) or water spray (wet). Dry dust control is not available on unit equipped with the Vario Sweep Assembly, but it is available with wet/dry. 7100 Power Scrubber

Cleans quickly, quietly with fume-free battery power.

More productive and cost-effective than a walk-behind scrubber.

Scrubs aggressively.

Extremely quiet 72 dBA operation.

Small, 28" path allows unit to get into close, congested areas.

On-board electronic self-diagnostics.

		<u>Part Number</u>	<u>1 unit</u>	<u>2-5 units</u>	<u>6-8 units</u>
7100 Scrubber 28" Disk	Scrubber, Battery Power, Model 7100 with Disk Brushes, 28" scrubbing path and frame no wider than 33". Dispenses solution, scrubs with two disk brushes, and vacuum from a 30-gallon is recovered into a 45-gallon (includes a dries in one pass dirty solution demisting chamber) recovery tank. The scrubber has a scrub head that will allow it to clean flush next to walls and pallets. It has on-board electronic self-diagnostics. This is designed to check the actuators, propelling system, brush motors, vacuum fan, and other sensors. Should any problems be detected, the control panel will indicate to the operator and/or the mechanic what needs to be corrected. No-tool squeegee blade replacement. Powered by a 36-volt, 244 amp hour battery pack (#390828). Includes a 25 amp, 12-volt "smart" charger, headlights, power shutdown button, a Nationally Recognized Testing Laboratory Label on the machine, an automatic squeegee lift, and two nonscuff poly brushes (#222320). The vacuum fan shall be protected by an inline synthetic filter.	M7100	\$15,533.61	\$15,253.52	\$15,052.30
7100 Scrubber 28" Cylindrical	Scrubber, Battery Power, Model 7100 with Cylindrical Brushes, same as above, but with cylindrical scrub brushes and debris pickup capability. Includes two cylindrical scrub brushes (#374041).	M7100	\$16,498.61	\$16,201.12	\$15,987.40
7100 Scrubber 32" Disk	Scrubber, Battery Power, Model 7100 with Disk Brushes, 32" scrubbing path, same features as 7100 28" Disk machine above. Includes two nonscuff poly brushes (#30241).	M7100	\$16,498.61	\$16,201.12	\$15,987.40
7100 Scrubber 32" Cylindrical	Scrubber, Battery Power, Model 7100 with Cylindrical Brushes, 32" Scrubbing path, same features as 7100 28" Cylindrical machine above. Includes two nonscuff poly brushes (#374042).	M7100	\$17,463.61	\$17,148.72	\$16,922.50

7300 Power Scrubber

Cleans quickly, quietly with fume-free battery power.

Scrubs aggressively.

Easy to operate, scrubs up to a 48" path.

Leaves any floor - whether smooth or rough - nearly dry and spotless.

FaST® - Foam-action Scrubbing Technology System.

ec-H2O™ Scrubbing Technology.

	Part Number	1 unit	2-5 units	6-8 units	
7300 Scrubber Disk w/MaxPro® 1000	Scrubber, Battery Power, Model 7300 Disk Brushes w/MaxPro® 1000, 40" scrubbing path with a frame no wider than 45". Dispenses solution from a 57-gallon solution tank, scrubs with two disk brushes and vacuum dries in one pass. Dirty solution is recovered into a 74 gallon (including the demisting chamber) recovery tank. The sliding scrub head allows it to clean flush next to walls and pallets. To prevent damage, the scrub head retracts on impact. It has on-board electronic self-diagnostics. This is designed to check the actuators, pumps, brush motors, vacuum fan and other sensors. Should any problems be detected, the control panel will indicate to the operator and/or the mechanic what needs to be corrected. Scrub head automatically lifts in reverse, when machine is in idle, or when batteries reach 80% discharge. Slide on/off squeegee blade replacement. Has recovery tank warning light, automatic vacuum fan shutoff, plugged recovery system indicator (363328), battery discharge indicator with hour meter, a Nationally Recognized Testing Laboratory Label on the machine and two brushes (14953) Does not include battery and charger. T20 Power Scrubber-Sweeper

Cleans quickly. Gasoline, LP or Diesel power available.

ErgoSpace™ Operator Compartment includes tilt steering wheel with horn, deluxe suspension seat and retractable seat belt with ergonomic propel pedal.

Includes FaST® (Foam Action Scrubbing Technology) as well as 1-Step™ Button Memory Controls for scrubbing and sweeping ease.

2-year/2,000 hour warranty on all components except normal wear items, 6 months labor.

	Part Number	1 unit	2-5 units	6-8 units
T20 Gasoline Cylindrical Scrubber Scrubber, EPA Certified Gasoline Engine Power, Model T20 , 40" cleaning path, dispenses solution from a 80-gallon hygenic solution tank, scrubs and sweeps with two hybrid scrub/sweep brushes. Dirty solution is recovered into a 95-gallon (including the 15-gallon demisting chamber) hygenic recovery tank. Comes equipped with a tilt steering wheel with horn, deluxe suspension seat, retractable seat belt and ergonomic propel pedal. The unit has LCD screen display with fuel level indicator, oil pressure and hydraulic temperature indicators and recovery tank full/solution tank empty indicator. The unit has built-in maintenance diagnostics with service reminder. Comes with 1-Step™ Button Memory controls for scrubbing as well as No Tool squeegee and brush change and InstantAccess™ No Tool panel filter change.	T20G Cyl	\$41,003.19	\$40,258.07	\$39,722.78

550 Power Scrubber

Cleans a 50" path. Scrubs and picks up debris in one step.

Holds 140 gal. Solution. Covers 85,000 sq. ft. per hour.

Battery, gas, LP or diesel power.

Helps avoid F.O.D. (Foreign Object Damage) to operating equipment.

		<u>Part Number</u>	<u>1 unit</u>	<u>2-5 units</u>	<u>6-8 units</u>
550G Scrubber	Scrubber, Model 550G, EPA Certified, 50" path. Applies detergent solution, scrubs aggressively with dual opposed-rotation cylindrical brushes, picks up debris and vacuums dry in one operation. Articulated power steering and all hydraulic drive (eliminates maintenance items). 83 HP industrial 4 cyl. liquid-cooled engine. Stainless steel 40 gal. solution/120 gal. recovery tanks. 2.5 cu. ft. debris hopper. Includes two #75718 brushes.	M550G	\$79,995.61	\$78,553.20	\$77,516.98
550LP Scrubber	Scrubber, Model 550LP, EPA Certified, same as 550G but with 83 HP industrial engine equipped for LP gas operation. Includes LP tank.	M550LP	\$82,022.11	\$80,543.16	\$79,480.69
550D Scrubber	Scrubber, Model 550D, EPA Certified, same as above but with a Kubota 63 HP diesel engine. Offers lower maintenance costs, cleaner emissions.	M550D	\$83,759.11	\$82,248.84	\$81,163.87
550E Scrubber	Scrubber, Model 550E, same as above but battery powered. Brushes are driven by two (2 HP, 72 volt) electric motors. Includes two 36 volt, 510 amp hour batteries and one three-phase 220/440 volt charger.	M550E	\$91,865.11	\$90,208.68	\$89,018.71

550 SRS® Power Scrubber

Exclusive SRS® model EXTENDS SCRUB TIME UP TO 6 HOURS, dramatically cuts fill and dump time.

Cleans a 50" path. Scrubs and picks up debris in one step.

Helps avoid F.O.D. (Foreign Object Damage) to operating equipment.

Battery, LP, diesel or gas power.

- 550G SRS® Scrubber Scrubber, Model 550G SRS®, EPA Certified, 50" path.**
Applies scrubbing solution, scrubs aggressively with dual opposed-rotation scrub brushes, picks up debris and vacuums dry in one operation. Recycles solution for reuse to extend productive scrubbing time. The Solution Recycling System provides greater productivity and saves on cleaning solution and water usage. Articulated power steering and all hydraulic drive. 83 HP industrial 4 cylinder liquid-cooled engine. Stainless steel 265 gal. recycling tank. 2.5 cu. ft. hopper. Includes two #75718 brushes.

- 550LP SRS® Scrubber Scrubber, Model 550LP SRS®, EPA Certified, same as 550G SRS® but with an 83 HP industrial 4 cylinder engine equipped for LP gas operation. Includes LP tank.**

- 550D SRS® Scrubber Scrubber, Model 550D SRS®, EPA Certified, same as above but with 3.0 liter liquid-cooled 4 cylinder industrial Kubota diesel engine. Offers lower maintenance costs, cleaner emissions.**

- 550E SRS® Scrubber Scrubber, Model 550E SRS®, same as above but battery powered. Uses two (3.2 HP, 72 volt) electric motors for propelling drive. Brushes are driven by two (2 HP, 72 volt) electric motors. Includes two 36 volt, 510 amp hour batteries and one three-phase 220/440 volt charger.**

1550 SRS® Power Scrubber

Spill Response/Glycol Recovery Vehicle

SRS® Solution Recycling System allows up to 10 hours scrubbing before refilling is required. Huge solution tank holds 510 gallons.

Powerful vacuum system and curved, double-wall squeegee gives unequalled water pickup. Scrubs spillage and picks up small objects, broken bottles, etc.

Articulated power steering gives maximum maneuverability.

M20 Power Scrubber-Sweeper

Cleans quickly. Gasoline, LP or Diesel power available.

FloorSmart™ - Patent-pending, single solution for both scrubbing and sweeping, combined with a high capacity, high dump debris hopper.

Includes FaST® (Foam Action Scrubbing Technology) as well as 1-Step™ Button Memory Controls for scrubbing and sweeping ease.

		<u>Part Number</u>	<u>1 unit</u>	<u>2-5 units</u>	<u>6-8 units</u>
M20 Gasoline Scrubber-Sweeper	Scrubber-Sweeper, EPA Certified Gasoline Engine Power, Model M20 , 40" cleaning path, dispenses solution from a 52-gallon hygenic solution tank, scrubs and sweeps with two hybrid scrub/sweep brushes. Dirty solution is recovered into a 72-gallon (including the 16-gallon demisting chamber) hygenic recovery tank. The scrubber-sweeper is equipped with a multi-level dump debris hopper and a dual-seal panel filter. Comes equipped with a tilt steering wheel with horn, deluxe suspension seat, retractable seat belt and ergonomic propel pedal. The unit has LCD screen display with fuel level indicator, oil pressure and hydraulic temperature indicators, clogged filter indicator and recovery tank full/solution tank empty indicator. The unit has built-in maintenance diagnostics with service reminder. Comes with 1-Step™ Button Memory controls for scrubbing and sweeping as well as No Tool squeegee and brush change and InstantAccess™ No Tool panel filter change. 8300 Power Sweeper/Scrubber

Cleans quickly, quietly with fume-free battery power.

Sweeps and scrubs aggressively.

Easy to operate, scrubs up to a 48" path.

Leaves any floor - whether smooth or rough - nearly dry and spotless.

FaST® - Foam-action Scrubbing Technology System.

ec-H2O™ Scrubbing Technology.

8300 Disk 1000 Sweeper/Scrubber

Sweeper/Scrubber, Battery Power, Model 8300 Disk with MaxPro® 1000, 40" scrub path with a frame no wider than 45". Dispenses solution from a 57 gallon solution tank, scrubs with two disk brushes and vacuum dries in one pass. Dirty solution is recovered into a 74-gallon (including the demisting chamber) recovery tank. The sliding scrub head allows it to clean flush next to walls and pallets and retracts on impact to prevent damage. The sweeper/scrubber is equipped with a 60" multi-level dump debris hopper and a 52.5 sq. ft. dust filter that traps dust to 3 microns. When the hopper is raised the brushes are deactivated. The dust filter is cleaned with a timed filter shaker motor. The unit includes an automatic fire sensing device that is permanently mounted, resettable and maintenance free. The fire sensing device automatically shuts down the vacuum fan and power steering. It has on board electronic self-diagnostics. This is designed to check the actuators, pumps, brush motors, vacuum fan and other sensors. Should any problems be detected, the control panel will indicate to the operator and/or the mechanic exactly what needs to be corrected. Scrub head automatically lifts in reverse, when the machine is in idle or when batteries reach 80% discharge. Slide on/off squeegee blade replacement. Has recovery tank warning light, headlights and taillights, automatic vacuum fan shutoff, plugged recovery system indicator, battery discharge indicator with hour meter, a Nationally Recognized Testing Laboratory Label on the machine, one 363868 sweeping main brush, one 87419 side sweeping brush and two 14953 scrubbing brushes. **Does not include batteries and charger.**

R14 Dual Technology Carpet Maintainer

Carpets are clean, dry and ready for traffic in less than minutes with ReadySpace® technology.

Remove even the most deeply-embedded dirt from with powerful restorative extraction.

ReadySpace® technology uses 80% less water, and leaves behind up to 90% less water versus traditional extraction, helping to reduce mold growth and increasing environmental health and safety.

The R14 has superior ergonomics to prevent operator fatigue.
