## PRO-FIT, POLYMER COATED POWDER FREE LATEX EXAMINATION GLOVE

### Features and Benefits

- .. Polymer Coated inside and outside for added protection
- .. Anatomically designed for comfortable fit
- .. Excellent barrier protection with low AQL
- .. Beaded cuff for added strength and ease of donning
- .. Smooth finish provides tactile sensitivity even in wet environment
- .. Easy donning, extremely durable and tear resistant.
- .. Low Modulus Latex Formulation makes the gloves soft and reduces hand fatigue
- .. Powder free to reduce risk of powder contamination or interference with hospital, dental and laboratory tests
- .. Manufactured to rigorous quality standards (ISO 9001)
- .. Non-sterile, for single use only

**Packaging:** 100 gloves per box.  
10 boxes per case.

**AQL (Pinhole Test):** 1.50%

**Glove Length:** 240 mm

<b>Palm Width:</b>	XS	76 mm + 8 mm
	S	84 mm + 8 mm
