## General Information

Prices shown herein are suggested prices only and in no way are they to be construed as limiting or restricting the dealer in his determination of the ultimate retail selling price. It is understood that the dealers are free to determine their selling price. Subject to any Federal, State, Provincial or local laws.

Where shown herein liquid capacities are U.S. measure unless otherwise noted.

### ADVANCE FREIGHT

Advance freight will be added to the machinery invoice as a separate net charge for machinery shipped from field locations or from other than specified Ex Works locations.

### PRICES

Prices are Ex Works factory, where the goods are manufactured, except where noted. For detailed information concerning prices, please refer to your DEALER POLICY MANUAL.

Prices and specifications are subject to change without notice.

### CONTENTS OF ORGANIZATION

New Holland Construction issues price and data pages and revisions covering each New Holland product line. U.S. Price and data pages are published in U.S. funds. Canadian Price and data pages are published in Canadian funds. Assure that you are using the correct price and data page. The Canadian price and data pages are denoted by a Maple Leaf on the price and data page cover page and the symbol "(CDN)" is printed at the head of the Factory Supplied Attachments List columns.

Freight, duty and sales taxes are NOT included in any wholegoods or attachment prices shown in the price list. Any appropriate freight, duty, Federal, State, Provincial and local taxes will be added to the machinery invoice as separate net charges.

### PROCEDURE

The price and data pages for each machine (or group of machines) lists both "Factory" and "Factory Supplied Attachments" (If available).

Each price and data pages are comprised of the various machines sold under that contract. Each price and data page section has "Factory", "Factory Supplied Attachments", or "Third Party Supplied Attachments" pages. When ordering and pricing a machine follow the ordering instructions listed for that machine. Attachments listed following the "Factory Supplied Attachments" or "Third Party Supplied Attachments" heading are available for installation in the field.

### ATTACHMENTS

Expect Attachments to be shipped within 2 -3 weeks from order entry.

## General Information

### DISTRIBUTION OF PRICE AND DATA PAGES / REQUESTS FOR ADDITIONAL COPIES

Price and data pages will be provided electronically via the Dealer Portal.

#### **Contact information for additional paper copies of New Holland Construction Equipment Price and Data Pages**

Additional price and data pages, divider tabs and binders may be ordered at the Document Management Center. From Dealer Portal click on Tools then Document Management Center link. Any questions you can call the Document Management Center at 262-636-7540

You will only receive price and data pages for contracts covered by your current Dealer Agreement with the Company.

The revisions are dated and are effective as of that date. However, PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.

## General Information

Prices shown herein are suggested prices only and in no way are they to be construed as limiting or restricting the dealer in his determination of the ultimate retail selling price. It is understood that the dealers are free to determine their selling price. Subject to any Federal, State, Provincial or local laws.

Where shown herein liquid capacities are U.S. measure unless otherwise noted.

### ADVANCE FREIGHT

Advance freight will be added to the machinery invoice as a separate net charge for machinery shipped from field locations or from other than specified Ex Works locations.

### PRICES

Prices are Ex Works factory, where the goods are manufactured, except where noted. For detailed information concerning prices, please refer to your DEALER POLICY MANUAL.

Prices and specifications are subject to change without notice.

### CONTENTS OF ORGANIZATION

New Holland Construction issues price and data pages and revisions covering each New Holland product line. U.S. Price and data pages are published in U.S. funds. Canadian Price and data pages are published in Canadian funds. Assure that you are using the correct price and data page. The Canadian price and data pages are denoted by a Maple Leaf on the price and data page cover page and the symbol "(CDN)" is printed at the head of the Factory Supplied Attachments List columns.

Freight, duty and sales taxes are NOT included in any wholegoods or attachment prices shown in the price list. Any appropriate freight, duty, Federal, State, Provincial and local taxes will be added to the machinery invoice as separate net charges.

### PROCEDURE

The price and data pages for each machine (or group of machines) lists both "Factory" and "Factory Supplied Attachments" (If available).

Each price and data pages are comprised of the various machines sold under that contract. Each price and data page section has "Factory", "Factory Supplied Attachments", or "Third Party Supplied Attachments" pages. When ordering and pricing a machine follow the ordering instructions listed for that machine. Attachments listed following the "Factory Supplied Attachments" or "Third Party Supplied Attachments" heading are available for installation in the field.

### ATTACHMENTS

Expect Attachments to be shipped within 2 -3 weeks from order entry.

## General Information

### DISTRIBUTION OF PRICE AND DATA PAGES / REQUESTS FOR ADDITIONAL COPIES

Price and data pages will be provided electronically via the Dealer Portal.

#### **Contact information for additional paper copies of New Holland Construction Equipment Price and Data Pages**

Additional price and data pages, divider tabs and binders may be ordered at the Document Management Center. From Dealer Portal click on Tools then Document Management Center link. Any questions you can call the Document Management Center at 262-636-7540

You will only receive price and data pages for contracts covered by your current Dealer Agreement with the Company.

The revisions are dated and are effective as of that date. However, PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.

## General Information

Prices shown herein are suggested prices only and in no way are they to be construed as limiting or restricting the dealer in his determination of the ultimate retail selling price. It is understood that the dealers are free to determine their selling price. Subject to any Federal, State, Provincial or local laws.

Where shown herein liquid capacities are U.S. measure unless otherwise noted.

### ADVANCE FREIGHT

Advance freight will be added to the machinery invoice as a separate net charge for machinery shipped from field locations or from other than specified Ex Works locations.

### PRICES

Prices are Ex Works factory, where the goods are manufactured, except where noted. For detailed information concerning prices, please refer to your DEALER POLICY MANUAL.

Prices and specifications are subject to change without notice.

### CONTENTS OF ORGANIZATION

New Holland Construction issues price and data pages and revisions covering each New Holland product line. U.S. Price and data pages are published in U.S. funds. Canadian Price and data pages are published in Canadian funds. Assure that you are using the correct price and data page. The Canadian price and data pages are denoted by a Maple Leaf on the price and data page cover page and the symbol "(CDN)" is printed at the head of the Factory Supplied Attachments List columns.

Freight, duty and sales taxes are NOT included in any wholegoods or attachment prices shown in the price list. Any appropriate freight, duty, Federal, State, Provincial and local taxes will be added to the machinery invoice as separate net charges.

### PROCEDURE

The price and data pages for each machine (or group of machines) lists both "Factory" and "Factory Supplied Attachments" (if available).

Each price and data pages are comprised of the various machines sold under that contract. Each price and data page section has "Factory", "Factory Supplied Attachments", or "Third Party Supplied Attachments" pages. When ordering and pricing a machine follow the ordering instructions listed for that machine. Attachments listed following the "Factory Supplied Attachments" or "Third Party Supplied Attachments" heading are available for installation in the field.

### ATTACHMENTS

Expect Attachments to be shipped within 2 -3 weeks from order entry.

## General Information

### DISTRIBUTION OF PRICE AND DATA PAGES / REQUESTS FOR ADDITIONAL COPIES

Price and data pages will be provided electronically via the Dealer Portal.

#### **Contact information for additional paper copies of New Holland Construction Equipment Price and Data Pages**

Additional price and data pages, divider tabs and binders may be ordered at the Document Management Center. From Dealer Portal click on Tools then Document Management Center link. Any questions you can call the Document Management Center at 262-636-7540

You will only receive price and data pages for contracts covered by your current Dealer Agreement with the Company.

The revisions are dated and are effective as of that date. However, PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.

## General Information

Prices shown herein are suggested prices only and in no way are they to be construed as limiting or restricting the dealer in his determination of the ultimate retail selling price. It is understood that the dealers are free to determine their selling price. Subject to any Federal, State, Provincial or local laws.

Where shown herein liquid capacities are U.S. measure unless otherwise noted.

### ADVANCE FREIGHT

Advance freight will be added to the machinery invoice as a separate net charge for machinery shipped from field locations or from other than specified Ex Works locations.

### PRICES

Prices are Ex Works factory, where the goods are manufactured, except where noted. For detailed information concerning prices, please refer to your DEALER POLICY MANUAL.

Prices and specifications are subject to change without notice.

### CONTENTS OF ORGANIZATION

New Holland Construction issues price and data pages and revisions covering each New Holland product line. U.S. Price and data pages are published in U.S. funds. Canadian Price and data pages are published in Canadian funds. Assure that you are using the correct price and data page. The Canadian price and data pages are denoted by a Maple Leaf on the price and data page cover page and the symbol "(CDN)" is printed at the head of the Factory Supplied Attachments List columns.

Freight, duty and sales taxes are NOT included in any wholegoods or attachment prices shown in the price list. Any appropriate freight, duty, Federal, State, Provincial and local taxes will be added to the machinery invoice as separate net charges.

### PROCEDURE

The price and data pages for each machine (or group of machines) lists both "Factory" and "Factory Supplied Attachments" (if available).

Each price and data pages are comprised of the various machines sold under that contract. Each price and data page section has "Factory", "Factory Supplied Attachments", or "Third Party Supplied Attachments" pages. When ordering and pricing a machine follow the ordering instructions listed for that machine. Attachments listed following the "Factory Supplied Attachments" or "Third Party Supplied Attachments" heading are available for installation in the field.

### ATTACHMENTS

Expect Attachments to be shipped within 2 -3 weeks from order entry.

## General Information

### DISTRIBUTION OF PRICE AND DATA PAGES / REQUESTS FOR ADDITIONAL COPIES

Price and data pages will be provided electronically via the Dealer Portal.

#### **Contact information for additional paper copies of New Holland Construction Equipment Price and Data Pages**

Additional price and data pages, divider tabs and binders may be ordered at the Document Management Center. From Dealer Portal click on Tools then Document Management Center link. Any questions you can call the Document Management Center at 262-636-7540

You will only receive price and data pages for contracts covered by your current Dealer Agreement with the Company.

The revisions are dated and are effective as of that date. However, PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.
