ARM HEAVY DUTY SINGLE AXLE 10' OR 11' SNOW AND ICE CONTROL PACKAGE

Part Number	ARM MEDIUM DUTY 10' SNOW AND ICE CONTROL BASE PACKAGE	LIST PRICE
TKX00000006	<p>ARM snow and ice control base package, including 10' stainless steel cross member less dump body with cab guard, 5 to 7 yard capacity and 7-gauge "one piece" AR400 floor. Heavy-duty tailgate with all horizontal bracing that is double acting and has air release tailgate. Trunnion mount, double-acting telescopic hoist with dog house and dump hinge assembly reinforced with heavy-duty pintle plate at rear with 20 ton pintle hook and 7 pin connector. Central hydraulic system with hot shift transmission mounted high pressure pump, pedestal-mounted in-cab proportional air controls mounted on swivel stand. Interlocking control for dump up/down & plow hitch for up/down and plow for left/right, electronic dual-knob ground speed oriented spreader control, and 30-gallon stainless steel reservoir with in tank filter and valve compartment.</p> <p>Includes hoses to both front and rear with stainless steel quick couplers for power reversing plow and spreader. Six corner LED amber strobe system. Also includes standard FMVSS 108 LED lighting, plow lights on stainless steel hood brackets, in cab electrical control panel with all wires home run wired, rear poly fenders, and mud flaps mounted on stainless steel quick drop mud flap brackets. Frame rails to be painted gloss black with underside of dump body. Conspicuity tape installed on the perimeter of the tailgate and sides of dump body. ARM HEAVY DUTY SNOW PLOW 11' x 42" heavy duty power-reversing trip edge snow plow with 5" tubular steel push frame, integral snow deflector, 5/8" x 8" AASHO-punched cutting edge, blade markers, hook-up ARM HEAVY DUTY PLOW HITCH Full 5/8" thick structural steel tubing construction, 4"x2"x10" nitride lift cylinder double acting</p> <p>Telescoping boom arm with adjustments for level lift, *5/8" hitch to frame side plates</p> <p>Primed and painted black for added corrosion protection, Fold flat telescoping arm for storage</p> <p>Pin and loop style plow hitch with locking lever, hoses with stainless steel hydraulic couplers and plow half of quick coupler to match.</p>	\$55,907.00
Part Number	ARM MEDIUM DUTY 11' SNOW AND ICE CONTROL BASE PACKAGE	LIST PRICE
TKX00000007	<p>ARM snow and ice control base package, including 11' stainless steel cross member less dump body with cab guard, 5 to 7 yard capacity and 7-gauge "one piece" AR400 floor. ARM HEAVY DUTY SNOW PLOW 11' x 42" heavy duty power-reversing trip edge snow plow with 5" tubular steel push frame, integral snow deflector, 5/8" x 8" AASHO-punched cutting edge, blade markers, hook-up ARM HEAVY DUTY PLOW HITCH Full 5/8" thick structural steel tubing construction, 4"x2"x10" nitride lift cylinder double acting</p> <p>Telescoping boom arm with adjustments for level lift, *5/8" hitch to frame side plates</p> <p>Primed and painted black for added corrosion protection, Fold flat telescoping arm for storage</p> <p>Pin and loop style plow hitch with locking lever, hoses with stainless steel hydraulic couplers and plow half of quick coupler to match.</p>	\$57,487.00

HYDRAULIC CONTROL OPTIONS		
HYD00000182	Additional for proportional electronic joy sticks proportional controls. Mounted on a floor arm rest console with one interlocking joy stick for dump body up/down and one joy stick for plow up/down & left/right.	\$6444.00
SNOW PLOW OPTIONS		
	Many plow options are available. Please see attached STS PLOW Pricing List for plow styles and available options.	
SALT SPREADER OPTIONS		
SSX00000002	304 stainless steel under tailgate spreader. 6" bi-directional auger with direct drive hydraulic motor, 18" polyurethane spinner disk, pivoting dump-over cover, swing-away trough, and hook-up hoses with stainless steel quick couplers.	\$4115.00
SSSX00000001	10' 304 stainless steel slide-in hopper spreader with <i>drag-chain conveyor</i> , polyurethane spinner disk, heavy duty top grate screens, inverted v above conveyor, quick mount spreader hold down system, and hook-up hoses with stainless steel quick couplers.	\$15,302.00
SSX00000003	10' 304 stainless steel slide-in hopper spreader with <i>auger feed conveyor</i> , polyurethane spinner disk, heavy duty top grate screens, inverted v above conveyor, quick mount spreader hold down system, and hook-up hoses with stainless steel quick couplers.	\$17,868.00
CUSTOM OPTIONS		
	Custom options will be billed at \$80.00 per hour net, plus materials at list less 10 percent.	N/A

Price

Self-Contained Chassis Mounted Leaf and Debris Collectors

Part Number	Model	Rolling Chassis	Price
	17 Yard Chassis Mounted	17 cubic yard hopper mounted on Chassis Minimum Cab To Axle Distance 148" Minimum Chassis Rating Front Axle 7,000 lbs. Rear Axle 18,000 lbs	\$58,512.00
	25 Yard Chassis Mounted	25 cubic yard hopper mounted on Chassis Minimum Cab To Axle Distance 173" Minimum Chassis Rating Front Axle 8,000 lbs. Rear Axle 20,000 lbs	\$58,691.00
	30 Yard Chassis Mounted	30 cubic yard hopper mounted on Chassis Minimum Cab To Axle Distance 208" Minimum Chassis Rating Front Axle 9,000 lbs. Rear Axle 22,000 lbs	\$60,709.00

Part Number	Model	Rear Door Selection	Price
	17/25/30 Yard	Barn Style Door	N/C
	17/25 Yard	Top Hinged Door	N/C
	30 Yard	Top Hinged Door	N/C

Part Number	Model	Engine Selection	Price
	All Models	Deere 4045 Tier 4 74 HP - Interim	N/C
	All Models	Deere 4045 TFIII 99 HP	\$6275.00
	All Models	Deere 4045 Tier 74 HP- Full California Emissions	\$9775.00

Part Number	Model	Drive System	Price
	All Models	PTO- 11/12" Manual Clutch	N/C
	All Models	PTO- Fluid Coupler	\$4350.00

Part Number	Model	Fan/Blower Assembly	Price
	All Models	30" Fan and Blower Housing Assembly- Clutch- Must be selected with Clutch PTO	N/C
	All Models	30" Fan and Blower Housing Assembly- Fluid Coupler- Must be selected with Fluid Coupler PTO	N/C

Part Number	Model	Boom- Hose Control	Price
	All Models	Boom- Electric/Hydraulic assist- up/down- manual left/right	N/C
	All Models	Boom -6 way Engine Driven Hydraulic- wireless remote-power in/out/up/down/left/right	\$9600.00
