

First Aid Kits CPR Kits Clinical Trunk Bin Kits

Part Number: VQF8675301 - \$28.50

This padded, water resistant nylon bag measures 8-1/2" x 6" x 4" and has a handle for complete portability. It is a well-equipped kit that's perfect for everyday situations as well as emergency preparedness. The customizable bag includes an emergency essential not found in many kits, a CPR barrier. When unzipped, the bag opens flat which makes for quick access to needed supplies. The zippered, interior pockets list contents and are clearly labeled by emergency category. This well designed bag keeps frequently used items at your fingertips; no more valuable minutes spent rummaging through a cluttered kit! Contents are organized using a clearly marked section system for fast, easy access.

This personal-sized kit is great for everyday situations. It contains basic supplies for when the unexpected happens.

The soft 4" x 7.5" x 2" kit opens flat to put emergency essentials at your fingertips. The clear pockets mean there's no wasted time finding exactly what you need to care for everyday emergencies.

Perfect for use anywhere including the car, home, or office. Consider upgrading your kit with a pair of Nitrile gloves, or triangular bandages (not included, but can be found in our store). Makes a great gift, and it's priced right to give as a corporate thank you or door prize!

Two clear interior pockets keep contents accessible and organized.
