Full Service Maintenance

Gold Contract:

The full service Gold maintenance plan will be in effect during regular business hours, and cover the cost of required labor and the cost to repair/replace equipment for failures due to normal wear and tear. Terrorism, customer negligence, and acts of God are not covered.

The contract price is based on the age of the equipment as described in the following table:

GOLD CONTRACT	
0-1 YEAR	1% PER Month
1-2 YEARS	1% PER Month
After 24th Month of Ownership	1.25% PER Month

Note:

- The maintenance contract will be prorated based upon the time of year that it is signed.
- There will be a one-time trip charge or mileage reimbursement at the OBM mileage rates.
- If the equipment has not been maintained through a contractual maintenance agreement, an Equipment Inspection will be required prior to IPS offering a Full Service Maintenance Gold Contract.

Bronze Contract:

The full service Bronze maintenance plan will cover the cost of repair/replacement equipment for failed equipment due to normal wear and tear. Note: the cost of labor to diagnose and repair/replace equipment is detailed above. Terrorism, customer negligence, and acts of God are not covered.

The contract price is based on the age of the equipment per the following table:

BRONZE CONTRACT	
0-1 YEAR	.75% PER Month
1-2 YEARS	.75% PER Month
After 24th Month of Ownership	.8875% PER Month

Note:

- The maintenance contract will be prorated based upon the time of year that it is signed.
- There will be a one-time trip charge or mileage reimbursement at the OBM mileage rates.
- If the equipment has not been maintained through a contractual maintenance agreement, an Equipment Inspection will be required prior to IPS offering a Full Service Maintenance Bronze Contract.

Equipment Inspections:

A one-time inspection is available. During the inspection, the equipment shall be cleaned, inspected, and a written report will be provided. Any non-functioning equipment will be listed on the report. The cost of the inspection is based on the hourly labor rate.

Response Time Policy:

IPS has an 8-hour response time policy for sites within a 150 mile radius. From the time a service call or maintenance request is entered, a technician will be on site within 8 hours. For sites outside the 150 mile radius, IPS agrees to respond in a reasonable time following notification, not to exceed two business days.

IPS can provide service on the following brands of security and fire equipment:
