<p><b>CONTRACT AWARD:</b> The contract will be awarded to the lowest responsive and responsible bidder capable of providing a turn-key uniform delivery and alteration service and an online, secure, custom catalog for ordering as described on page 5 of the bid by low lot total. Low lot total will be determined by multiplying the unit cost by the estimated usage listed of each item in the bid and then adding each of the item totals together to arrive at a total for all items. Failure to bid all items may result in the bidder being deemed not responsive.</p>																
<p><b>EVALUATION:</b> Bids will be evaluated in accordance with Article I-5 of the "Instructions to Bidders". In addition the agency's estimated annual usage will be multiplied by the Bidder's offered prices and summed for all items to determine the lowest responsive and responsible bidder. ODNR may evaluate samples as required to determine the items conform to the stated specifications. Bidders should confirm that all pricing lines have been completed.</p>
