Award: There will be one (1) low lot total award made for each of the five ODPS Contract Districts to the lowest responsive and responsible bidder meeting all bid specifications and requirements listed herein.										
Evaluation: To determine the low lot total price for each ODPS Contract District, the state will multiply the estimated annual usage of each item by its corresponding price and then add these totals together. Failure to bid all items in an ODPS Contract District may result in the bidder being deemed not-responsive.
