AWARD

Extended Total **\$318,076.80**

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions, Term, and Conditions for Bidding".

There will be a taste test of the samples submitted to determine acceptability. This will be, at a minimum, a ten (10) member panel composed of members of the Office for Child Nutrition Staff, members of the Ohio Commodity Advisory Board and/or students from Ohio schools. Samples will be evaluated for appearance, color, flavor (taste) and texture. If product is deemed unacceptable as a result of the taste test, no further consideration for award shall be given. If the product sample submitted for the taste test exceeds the specifications, as stated in the bid and is presented as being the end product for the contract, then the sample shall be the standard for the entire contract with anticipated yields as projected and costs as stated. In addition, the bid will be evaluated according to the fee per pound for processing the specified finished product. One case of each product shall be used for bid evaluation to determine acceptability and the other case shall be used to verify and validate actual processed product received during the contract period. No further consideration may be given if the product sample submitted by a bidder fails to meet the evaluation criteria.

CONTRACT AWARD: The Contract will be awarded to the lowest responsive and responsible bidder by line item.

Line item shall be determined by dividing the pounds of a full truckload of USDA raw commodity for processing by the quoted minimum yield in pounds of finished product from the truckload and multiplying this by the processing fee per pound offered by the bidder.
