**These options pricing will not be included in the low lot total bid evaluation but will be part of the evaluation to determine if the bid option pricing is below MSRP.										
<p>CONTRACT AWARD: The contract will be awarded to the lowest responsive and responsible bidder by low lot total. Low lot total will be determined by multiplying the unit cost by the estimated usage listed in the bid and then adding each of the totals together to arrive at a total for all items. Failure to bid all items may result in the bidder being deemed not responsive.</p>										
<p>EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the state will: multiply the estimated annual usage of each item by its corresponding unit price and then add these totals together. If estimated usages are unknown a quantity of one (1) will be used for the evaluation. Failure to bid all items may result in the bidder being deemed as not-responsive.</p>
