				AWARD		
<p>Award: The contract will be awarded to the lowest responsive and responsible bidder by low lot total. Low lot total will be determined by multiplying the fixed processing cost by the estimated quantity listed in the bid and then adding each of the totals together to arrive at a total for all items. Failure to bid all items may result in the bidder being deemed not responsive.</p>						
<p>Evaluation: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the state will multiply the estimated quantity of the line item by its corresponding fixed processing cost to arrive at the extended price. Failure to provide a unit price on all items may result in the bidder being deemed not responsive.</p>
